ABSTRACT

Before the author writes about all people in the world, Muslim, only a part of the human mind, is not balanced with the mind of Allah, through the mind of Allah's spirit, which is in every human body, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secrets of all people in the world, Muslim, only a part of the human mind, is not balanced with the mind of Allah, through the mind of Allah's spirit, which is in every human body, based on deoxyribonucleic acid (DNA).

There are several verses that open Allah's secrets about all people in the world, Muslim, only a part of the human mind, is not balanced with the mind of Allah, through the mind of Allah's spirit, which is in every human body, namely the following verses:

"So when I have perfected the body and I have breathed on him my spirit, then you should fall down and prostrate to him." (Shaad: 38: 72)

"Then Allah perfected the body and breathed into him the spirit of Allah and Allah made for you hearing, sight and heart, you are very little grateful. (As Sajdah: 32: 9)

And to Allah the east and the west, so wherever you turn there is the face of Allah. Verily, Allah is All-Wise, All-Knowing. (Al Baqarah: 2: 115)

"Who has created the seven skys in layers. You never see in the creation of Allah the Most Gracious something that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"Those who were earlier, first of all, from the muhajirin and ansar groups and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has prepared for them paradise with rivers flowing in them. forever. They abide therein. That is a great victory (At Taubah: 9: 100)

"When God said to Abraham: "submissive and obedient" Abraham replied: "I submit to God of the Worlds." (Al Baqarah: 2: 131)

"And why don't they think about themselves? Allah did not make the skys and the earth and what is between them but with haq (the right) and the appointed time. And in fact most of the people really deny the meeting with their God. (Ar Ruum: 30) :8)

In an effort to uncover Allah's secret veil about all people in the world, Muslim, only a part of the human mind, is not balanced with the mind of Allah, through the mind of Allah's spirit, which is in every human body, the author uses deoxyribonucleic acid as a basis.

HYPOTHESIS

Here the author proposes the hypothesis that all people in the world, Muslim, only a part of the human mind, is not balanced with the mind of Allah, through the mind of Allah's spirit, which is in every human body, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

ALL PEOPLE IN THE WORLD, MUSLIM, ONLY A PART OF THE HUMAN MIND, IS NOT BALANCED WITH THE MIND OF ALLAH, THROUGH THE MIND OF ALLAH'S SPIRIT, WHICH IS IN EVERY HUMAN BODY

Now, we are still concentrating on dismantling the secret contained behind the verse: *"... You never see in the creation of Allah the Most Gracious something that is not balanced...(Al Mulk: 67: 3) "... Allah is pleased with them and they are pleased with Allah...(At Taubah : 9: 100)*

Apparently, here Allah has declared *"... You never see in the creation of God the Most Gracious something that is not balanced...(Al Mulk: 67: 3)*

Well, it turns out, whatever is created by Allah, follows the law of *"...balanced...(Al Mulk: 67: 3)*. Where is the law of *"...balanced...(Al Mulk: 67: 3)* this is not only applies to all *"...creation of Allah...(Al Mulk: 67: 3)* but also applies to the law of *"...balanced...(Al Mulk: 67: 3)* between the human mind and Allah's mind through *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, which is in every human body

Now, the question arises,

How does the human mind *"...balance...(Al Mulk: 67: 3)* with Allah's mind through *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* which is in every human body?

Well, the answer is in the secret behind the verse: *"... Allah is pleased with them and they are pleased with Allah...(At Taubah : 9: 100)*

Well, now, if *"... Allah is pleased with them and they are pleased with Allah...(At Taubah : 9: 100)*, then that proves the existence of *"...balance...(Al Mulk: 67: 3)* between the human mind and Allah's mind through *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, which is in every human body.

So, now another question arises,

Is it true that all humans on *"...the earth...(Ar Ruum: 30: 8)*, are Muslims?

The answer is in the secret behind the verse: *"...the creation of Allah...balanced...(Al Mulk : 67: 3)*

Well, whatever is created by Allah, follows the law of *"... balanced... (Al Mulk: 67: 3)*.

Now, with the law of *"...balanced...(Al Mulk: 67: 3)* this, humans, animals, plants, and whatever is in *"...seven skys...(Al Mulk: 67: 3)*, submit and comply with the laws that apply in the universe.

Humans, animals, plants, and whatever is on *"...the earth...(Ar Ruum : 30: 8)*, submit and comply with the laws that apply in *"...the earth...(Ar Ruum : 30: 8)*.

Or in other words, humans, animals, plants, and whatever is on *"...the earth...(Ar Ruum: 30: 8)*, submit and obey the law of gravity. That is, without gravity, humans, animals, plants, and whatever is on *"...the earth...(Ar Ruum: 30: 8)*, can't walk, can't stand, can't sit, can't sleep, can't grow.

So, in fact, all human bodies that live on *"...the earth...(Ar Ruum : 30: 8)* are subject to and obedient to the law of *"...balanced...(Al Mulk: 67: 3)*.

Or in other words, all human bodies that live on *"...the earth...(Ar Ruum: 30: 8)* submit and obey the laws of Allah.

Or it could also be said, all humans who live on *"...the earth...(Ar Ruum: 30: 8)* are Muslims. *"... God said to Abraham: "submissive and obedient" Abraham replied: "I submit to God of the Worlds." (Al Baqarah: 2: 131)*

Well, *"...submissive and obedient...to God of the Worlds (Al Baqarah: 2: 131)* is Islam. Humans who *"...submissive and obedient...to God of the Worlds (Al Baqarah: 2: 131)* are Muslims.

Or it could also be said, humans who *"...submissive and obedient...to (laws) of nature (Al Baqarah: 2: 131)* are Muslims.

Or it can also be stated, all human bodies that *"...submissive and obedient...to (laws) of nature (Al Baqarah: 2: 131)* are Muslims.

Only, some of the human mind, is not *"... balanced... (Al Mulk: 67: 3)* with the mind of Allah, through the mind of Allah's spirit, which is in every human body.

That is, humans *"...don't think about themselves...(Ar Ruum: 30: 8)*, where in humans there is *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*.

Well, as long as the human mind does not understand that in *"...himself...(Ar Ruum : 30: 8)* there is

"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72), so during that time the human mind has not reached the level of the mind "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)

Or in other words, as long as the human mind does not understand that in *"...himself...(Ar Ruum : 30: 8)* there is *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)*, so during that time the human mind has not reached the level of the thoughts of Allah through the thoughts of *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)*

Or it could also be said, as long as the human mind does not understand that within *"...himself...(Ar Ruum : 30: 8)* there is *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)*, which is built with hydrogen atoms, carbon atoms, nitrogen atoms, and oxygen atoms, then during that time, the human mind has not reached the level of Allah's mind through the mind of *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)*.

So, in fact, all people in the world, Muslim, only a part of the human mind, is not balanced with the mind of Allah, through the mind of Allah's spirit, which is in every human body.

CONCLUSION

Based on the description above, we can conclude that the secret contained behind the verse: *"... You never see in the creation of Allah the Most Gracious something that is not balanced...(Al Mulk: 67: 3) "... Allah is pleased with them and they are pleased with Allah...(At Taubah : 9: 100)*

Apparently, here Allah has declared *"... You never see in the creation of God the Most Gracious something that is not balanced...(Al Mulk: 67: 3)*

Well, it turns out, whatever is created by Allah, follows the law of *"...balanced...(Al Mulk: 67: 3)*. Where is the law of *"...balanced...(Al Mulk: 67: 3)* this is not only applies to all *"...creation of Allah...(Al Mulk: 67: 3)* but also applies to the law of *"...balanced...(Al Mulk: 67: 3)* between the human mind and Allah's mind through *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)*, which is in every human body

Now, the question arises,

How does the human mind *"...balance...(Al Mulk: 67: 3)* with Allah's mind through *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)* which is in every human body?

Well, the answer is in the secret behind the verse: *"... Allah is pleased with them and they are pleased with Allah...(At Taubah : 9: 100)*

Well, now, if *"... Allah is pleased with them and they are pleased with Allah...(At Taubah : 9: 100)*, then that proves the existence of *"...balance...(Al Mulk: 67: 3)* between the human mind and Allah's mind through *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)*, which is in every human body.

So, now another question arises,

Is it true that all humans on *"...the earth...(Ar Ruum: 30: 8)*, are Muslims?

The answer is in the secret behind the verse: *"...the creation of Allah...balanced...(Al Mulk : 67: 3)*

Well, whatever is created by Allah, follows the law of *"... balanced... (Al Mulk: 67: 3)*.

Now, with the law of "...*balanced...*(*Al Mulk: 67: 3*) this, humans, animals, plants, and whatever is in "...*seven skys...*(*Al Mulk: 67: 3*), submit and comply with the laws that apply in the universe.

Humans, animals, plants, and whatever is on "...*the earth..*(*Ar Ruum : 30: 8*), submit and comply with the laws that apply in "...*the earth..*(*Ar Ruum : 30: 8*).

Or in other words, humans, animals, plants, and whatever is on "...*the earth..*(*Ar Ruum: 30: 8*), submit and obey the law of gravity. That is, without gravity, humans, animals, plants, and whatever is on "...*the earth..*(*Ar Ruum: 30: 8*), can't walk, can't stand, can't sit, can't sleep, can't grow.

So, in fact, all human bodies that live on "...*the earth..*(*Ar Ruum : 30: 8*) are subject to and obedient to the law of "...*balanced...*(*Al Mulk: 67: 3*).

Or in other words, all human bodies that live on "...*the earth..*(*Ar Ruum: 30: 8*) submit and obey the laws of Allah.

Or it could also be said, all humans who live on "...*the earth..*(*Ar Ruum: 30: 8*) are Muslims.
"... *God said to Abraham: "submissive and obedient"* Abraham replied: *"I submit to God of the Worlds."* (*Al Baqarah: 2: 131*)

Well, "...*submissive and obedient...to God of the Worlds* (*Al Baqarah: 2: 131*) is Islam. Humans who "...*submissive and obedient...to God of the Worlds* (*Al Baqarah: 2: 131*) are Muslims.

Or it could also be said, humans who "...*submissive and obedient...to (laws) of nature* (*Al Baqarah: 2: 131*) are Muslims.

Or it can also be stated, all human bodies that "...*submissive and obedient...to (laws) of nature* (*Al Baqarah: 2: 131*) are Muslims.

Only, some of the human mind, is not "... *balanced..* (*Al Mulk: 67: 3*) with the mind of Allah, through the mind of Allah's spirit, which is in every human body.

That is, humans "...*don't think about themselves...*(*Ar Ruum: 30: 8*), where in humans there is "...*my spirit...*(*Shaad : 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*).

Well, as long as the human mind does not understand that in "...*himself...*(*Ar Ruum : 30: 8*) there is "...*my spirit...*(*Shaad : 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*), so during that time the human mind has not reached the level of the mind "...*my spirit...*(*Shaad : 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*)

Or in other words, as long as the human mind does not understand that in "...*himself...*(*Ar Ruum : 30: 8*) there is "...*my spirit...*(*Shaad : 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*), so during that time the human mind has not reached the level of the thoughts of Allah through the thoughts of "...*my spirit...*(*Shaad : 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*)

Or it could also be said, as long as the human mind does not understand that within "...*himself...*(*Ar Ruum : 30: 8*) there is "...*my spirit...*(*Shaad : 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*), which is built with hydrogen atoms, carbon atoms, nitrogen atoms, and oxygen atoms, then during that time, the human mind has not reached the level of Allah's mind through the mind of "...*my spirit...*(*Shaad : 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*).

So, in fact, all people in the world, Muslim, only a part of the human mind, is not balanced with the

mind of Allah, through the mind of Allah's spirit, which is in every human body.
