**ABSTRACT**

First, by begging forgiveness from Allah SWT, here the author tries to uncover the signs of the greatness of Allah SWT regarding, empirical proof, why, there must be paradise and hell on earth, seen from photons, quarks and deoxyribonucleic acid (DNA).

There are several verses that become Allah's secrets about empirical proof, why, there must be paradise and hell on earth, namely the verses:

*"Then He perfected the body and breathed into human His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"Then when I have perfected the body and I have breathed into him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"When the sun is rolled up, (At Takwiir: 81: 1)*

*"And for every human being We have fixed his deeds around his neck. And We brought out for him on the Day of Judgment a book which he found open. (Al Israa' : 17: 13)*

*"Read your book, enough yourself at this time as a reckoning against you." (Al Israa' : 17: 14)*

*"Paradise 'Adn which they enter into, rivers flow beneath it, in that paradise they get whatever they want. Thus Allah rewards those who fear Allah, (An Nahl: 16: 31)*

*"In paradise there will be plenty of fruit for you of which you will eat. (Az Zukhruf : 43: 73)*

*"Your entry into paradise, you and your wives will be delighted." (Az Zukhruf: 43: 70)*

*"Those who were earlier, first of all, from the group of emigrants and ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has prepared for them gardens with rivers flowing in them. forever. They live in it. That's a big win. (At Tawba: 9: 100)*

*"Allah said: "Enter all of you into hell with the jinn and humans who have been before you. Every time a parishioner enters, he curses his comrades; so that when they all entered, those who entered later among them said to those who entered earlier: "O our God, they have led us astray, therefore bring upon them multiplied torments from hell." Allah said: "Each one gets multiplied, but you do not know." (Al A'raaf : 7: 38)*

*"The fire of hell burns their faces, and they are disfigured in that hell. (Al Mu'minuun : 23:104)*

*"And verily We have made for Jahannam most of the jinn and mankind, they have hearts, but they do not use them to understand and they have eyes they do not use to see, and they have ears they do not use to hear. They are livestock, and they are even more astray. They are the heedless ones. (Al A'raaf : 7: 179)*

*"And if We will, surely We will give guidance to every soul, but still the word from Me: "Indeed, I will fill the Hellfire with jinn and humans together." (As Sajdah: 32: 13)*

In an effort to open the veil of Allah's secret cover regarding empirical proof, why, there must be paradise and hell on earth, the author uses deoxyribonucleic acid as the basis.

## **HYPOTHESES**

Here the author proposes hypothesis empirical proof, why, there must be paradise and hell on earth, based on Deoxyribonucleic acid (DNA)

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure form a double helix and which contain polynucleotide macromolecules arranged together repeatedly from the nucleotide polymer. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human Deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

## **EMPIRICAL PROOF, WHY, THERE MUST BE PARADISE AND HELL ON EARTH**

So now, we are still focusing our whole mind on dismantling the secrets that are stored behind the verse: *"Paradise 'Adn that they enter it... (An Nahl: 16: 31)"* Allah says: *"Enter all of you into hell with the jinn and the people who were before you...(Al A'raaf : 7: 38)"...I breathed into human my spirit...(Shaad : 38: 72)*

Apparently, here Allah or Jahve or Adonai, declares, all people in the world, *"Paradise 'Adn that they enter it... (An Nahl: 16: 31)"...enter you...into hell.. .(Al A'raaf : 7: 38)*

So, now the question arises,

Why did Allah or Jahve or Adonai create *"paradise...(An Nahl: 16: 31)* and *"...hell...(Al A'raaf : 7: 38) ?*

The answer is in the secret behind the verse: *"...I breathed into human my spirit...(Shaad : 38: 72)*

Well, Allah or Jahve or Adonai declared *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit.

Why *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit is the reason for creating *"paradise...(An Nahl: 16: 31)* and *"...hell...(Al A'raaf : 7: 38) ?*

The answer is in the secret behind the verse: *"...He perfected the body and breathed into human His spirit and He made for you hearing, sight and heart... (As Sajdah: 32: 9)*

Well, 2 secret keys that have been declared by Allah or Jahve or Adonai, about why was created *"paradise...(An Nahl: 16: 31)* and *"...hell...(Al A'raaf: 7: 38)* , namely key 1, is *"...He...breathed into human His spirit...(As Sajdah: 32: 9)*

Key 2, is *"...He...made...hearing, sight and heart...(As Sajdah : 32: 9)*

Well, before *"...He...made...hearing, sight and heart...(As Sajdah : 32: 9)* first *"... Allah... breathes into human his spirit... (As Sajdah: 32:9)*

Or in other words, Allah or Jahve or Adonai *"...breathes into human his spirit... (As Sajdah: 32:9)* then *"...made...hearing, sight and heart...(As Sajdah : 32: 9)*

Or it could also be said, Allah or Jahve or Adonai *"...made...hearing, sight and heart...(As Sajdah : 32: 9)* with Deoxyribonucleic acid (DNA). Human DNA is composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

Or it can be calculated mathematically,

*"...my spirit...(Shaad : 38: 72)* = *"...Allah's spirit...(Shaad : 38: 72)* = Jahve's spirit = Adonai's spirit = Deoxyribonucleic acid (DNA) = hydrogen atom = atom carbon = nitrogen atom = oxygen atom.

Well now, because hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms will live to the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years, then Allah or Jahve or Adonai created paradise and hell.

So, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit which is built up with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms will live with a very long age.

Well, for a place to live *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms will live with this very long age, will be placed in *"paradise...(An Nahl: 16: 31)* or in *"...hell...(Al A'raaf: 7:38).*

This, empirical proof, why there must be paradise and hell on earth, which almost all people in the world do not understand.

## CONCLUSION

Based on the description above, we can conclude that the secrets that are stored behind the verse: *"Paradise 'Adn that they enter it... (An Nahl: 16: 31)"* Allah says: *"Enter all of you into hell with the jinn and the people who were before you...(Al A'raaf: 7: 38)"...I breathed into human my spirit...(Shaad : 38: 72)*

Apparently, here Allah or Jahve or Adonai, declares, all people in the world, *"Paradise 'Adn that they enter it... (An Nahl: 16: 31)"...enter you...into hell.. .(Al A'raaf: 7: 38)*

So, now the question arises,

Why did Allah or Jahve or Adonai create *"paradise...(An Nahl: 16: 31)* and *"...hell...(Al A'raaf: 7: 38)* ?

The answer is in the secret behind the verse: *"...I breathed into human my spirit...(Shaad : 38: 72)*

Well, Allah or Jahve or Adonai declared "*...my spirit...(Shaad : 38: 72)* or "*...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit.

Why "*...my spirit...(Shaad : 38: 72)* or "*...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit is the reason for creating "*paradise...(An Nahl: 16: 31)* and "*hell...(Al A'raaf: 7: 38)* ?

The answer is in the secret behind the verse: "*He perfected the body and breathed into human His spirit and He made for you hearing, sight and heart...* (As Sajdah: 32: 9)

Well, 2 secret keys that have been declared by Allah or Jahve or Adonai, about why was created "*paradise...(An Nahl: 16: 31)* and "*hell...(Al A'raaf: 7: 38)* , namely key 1, is "*He...breathed into human His spirit...(As Sajdah: 32: 9)*

Key 2, is "*He...made...hearing, sight and heart...(As Sajdah : 32: 9)*

Well, before "*He...made...hearing, sight and heart...(As Sajdah : 32: 9)* first "*Allah... breathes into human his spirit... (As Sajdah: 32:9)*

Or in other words, Allah or Jahve or Adonai "*breathes into human his spirit... (As Sajdah: 32:9)* then "*made...hearing, sight and heart...(As Sajdah : 32: 9)*

Or it could also be said, Allah or Jahve or Adonai "*made...hearing, sight and heart...(As Sajdah : 32: 9)* with Deoxyribonucleic acid (DNA). Human DNA is composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

Or it can be calculated mathematically,

"*...my spirit...(Shaad : 38: 72)* = "*...Allah's spirit...(Shaad : 38: 72)* = Jahve's spirit = Adonai's spirit = Deoxyribonucleic acid (DNA) = hydrogen atom = atom carbon = nitrogen atom = oxygen atom.

Well now, because hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms will live to the age of **10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000** years, then Allah or Jahve or Adonai created paradise and hell.

So, "*...my spirit...(Shaad : 38: 72)* or "*...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit which is built up with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms will live with a very long age.

Well, for a place to live "*...my spirit...(Shaad : 38: 72)* or "*...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms will live with this very long age, will be placed in "*paradise...(An Nahl: 16: 31)* or in "*hell...(Al A'raaf: 7:38)*.

This, empirical proof, why there must be paradise and hell on earth, which almost all people in the world do not understand.
