## ABSTRACT

First, by begging forgiveness from Allah SWT, here the author tries to reveal the signs of Allah SWT's greatness regarding every human, in the world, there is no other choice, want or do not want, like or dislike, has been wrapped with Allah's fitrah or Allah's spirit, which was released by Allah or Jahve or Adonai, based on deoxyribonucleic acid (DNA)

Signs of the greatness of Allah SWT regarding every human, in the world, there is no other choice, want or do not want, like or dislike, has been wrapped with Allah's fitrah or Allah's spirit, which was released by Allah or Jahve or Adonai, found in several verses that is:

*"Then when I have perfected the body and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So keep your face straight towards Allah's religion, Allah's fitrah, which has created humans according to that fitrah. There is no change in Allah's fitrah, the straight religion; but most people do not know (Ar Ruum : 30: 30)*

*"Then He perfected the body and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"and Maryam bint Imran who keeps her honor, so We breathed into her womb some of Our spirit, and she confirms the words of her God and His Books, and she is one of those who obey. (At Tahrir: 66: 12)*

*"He is Allah, who made everything on earth for you and He willed the sky, then made seven skys. And He is All-Knower of all things. (Al Baqarah: 2: 29)*

*"Who has created the seven skys in layers. You do not see in the creation of God the Most Gracious anything that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

In an effort to open the veil of Allah SWT's greatness regarding every human, in the world, there is no other choice, want or do not want, like or dislike, has been wrapped with Allah's fitrah or Allah's spirit, which was released by Allah or Jahve or Adonai, the author uses the basic deoxyribonucleic acid (DNA).

## HYPOTHESES

Here the author proposes the hypothesis that every human, in the world, there is no other choice, want or do not want, like or dislike, has been wrapped with Allah's fitrah or Allah's spirit, which was released by Allah or Jahve or Adonai, based on deoxyribonucleic acid (DNA).

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure form a double helix and which contain polynucleotide macromolecules arranged together repeatedly from the nucleotide polymer. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

**EVERY HUMAN, IN THE WORLD, THERE IS NO OTHER CHOICE, WANT OR DO NOT WANT, LIKE OR DISLIKE, HAS BEEN WRAPPED WITH ALLAH'S FITRAH OR ALLAH'S SPIRIT, WHICH WAS RELEASED BY ALLAH OR JAHVE OR ADONAI**

Now, we are still concentrating on uncovering the secret behind the verse: *"... Allah's fitrah, which has created humans according to that fitrah. There is no change in Allah's fitrah..(Ar Ruum : 30: 30)*

It turns out that Allah or Jahve or Adonai, has declared to all people in the world, that whatever is in *"...the seven skys...(Al Baqarah: 2: 29)*, including human beings, was created with *"...Allah's fitrah...(Ar Rum : 30: 30)*

Or in other words, whatever is in *"...the seven skys...(Al Baqarah: 2: 29)*, including humans, was created with *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit.

So, in fact, every human being, in the world, has no other choice, want or not, like or dislike, has been clothed with Allah's fitrah or Allah's spirit or Jahve's spirit or Adonai's spirit, which was issued by Allah or Jahve or Adonai.

Or it could also be said, for every human being, in the world, there is no other choice, want or not, like or dislike, there is only one choice, namely Allah or Jahve or Adonai.

Now, the question arises,

Why, if every human being, there is no other choice, want or not, like or dislike, there is only one choice, namely Allah or Jahve or Adonai, but in reality, not every human chooses Allah or Jahve or

Adonai?

Now the answer is in the secret behind the verse: *"... You do not see in the creation of God the Most Gracious anything that is not balanced...(Al Mulk: 67: 3)*

Apparently, whatever is in *"...seven skys...(Al Baqarah: 2: 29)*, is *"...balanced...(Al Mulk: 67: 3)*

Well, if something is not *"...balanced...(Al Mulk: 67: 3)*, it means, between the human mind and the mind of Allah or the mind of Jahve or the mind of Adonai, *"...not balanced... (Al Mulk: 67: 3)*

It means, although, *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit is in every human body, but , humans do not understand and do not realize it, that in him there is *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit.

Well, because man does not understand that within him is *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, then humans do not know, the real Allah or the real Jahve or the real Adonai.

Well, this is Allah's secret or Jahve's secret or Adonai's secret, which most people don't understand.

## CONCLUSION

Based on the description above we can conclude that the secret behind the verse: *"... Allah's fitrah, which has created humans according to that fitrah. There is no change in Allah's fitrah...(Ar Ruum : 30: 30)*

It turns out that Allah or Jahve or Adonai, has declared to all people in the world, that whatever is in *"...the seven skys...(Al Baqarah: 2: 29)*, including human beings, was created with *"...Allah's fitrah...(Ar Rum : 30: 30)*

Or in other words, whatever is in *"...the seven skys...(Al Baqarah: 2: 29)*, including humans, was created with *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit.

So, in fact, every human being, in the world, has no other choice, want or not, like or dislike, has been clothed with Allah's fitrah or Allah's spirit or Jahve's spirit or Adonai's spirit, which was issued by Allah or Jahve or Adonai.

Or it could also be said, for every human being, in the world, there is no other choice, want or not, like or dislike, there is only one choice, namely Allah or Jahve or Adonai.

Now, the question arises,

Why, if every human being, there is no other choice, want or not, like or dislike, there is only one choice, namely Allah or Jahve or Adonai, but in reality, not every human chooses Allah or Jahve or Adonai?

Now the answer is in the secret behind the verse: *"... You do not see in the creation of God the Most Gracious anything that is not balanced...(Al Mulk: 67: 3)*

Apparently, whatever is in *"...seven skys...(Al Baqarah: 2: 29)*, is *"...balanced...(Al Mulk: 67: 3)*

Well, if something is not "...*balanced...*(*Al Mulk: 67: 3*), it means, between the human mind and the mind of Allah or the mind of Jahve or the mind of Adonai, "...*not balanced...* (*Al Mulk: 67: 3*)

It means, although, "...*my spirit...*(*Shaad: 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*) or Jahve's spirit or Adonai's spirit is in every human body, but , humans do not understand and do not realize it, that in him there is "...*my spirit...*(*Shaad: 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*) or Jahve's spirit or Adonai's spirit.

Well, because man does not understand that within him is "...*my spirit...*(*Shaad: 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*) or Jahve's spirit or Adonai's spirit, then humans do not know, the real Allah or the real Jahve or the real Adonai.

Well, this is Allah's secret or Jahve's secret or Adonai's secret, which most people don't understand.
