## ABSTRACT

Before the author writes about if people do not understand the real Allah, Allah's laws is placed below man-made laws, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret if people do not understand the real Allah, Allah's laws is placed below man-made laws, based on Deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secrets regarding that if people do not understand the real Allah, Allah's laws is placed below man-made laws, namely the following verses:

*"And if you punish the deeds of them, with what Allah has revealed, and do not follow their desires. And be careful towards them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that that indeed Allah wills to bring misfortune upon them because of some of their sins. And indeed, most people are wicked people. (Al Maa'idah: 5: 49)*

*"O you who believe, obey Allah and obey the Messenger and ulil amri among you. Then if you differ in opinion about something, then return it to Allah and the Messenger, if you truly believe in Allah and the Last Day. So that is more important and the consequences are better (An Nisaa': 4: 59)*

*"And those who accept the call of their God and perform prayer, and their affairs are by deliberation between themselves, and they spend part of the sustenance that We have given them (Ash Syuura: 42: 38)*

*"So when I have perfected the body of Adam and breathed into Adam my spirit, then you will fall down and prostrate yourself to him. (Shaad : 38: 72)*

In an effort to open the veil of Allah's secrets about if people do not understand the real Allah, Allah's laws is placed below man-made laws, the author uses the basis of deoxyribonucleic acid.

## HYPOTHESIS

Here the author proposes a hypothesis if people do not understand the real Allah, Allah's laws is placed below man-made laws, based on Deoxyribonucleic acid (DNA)

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## QUARKS

If we want to know quarks then we pay attention to one of the hydrogen atoms which is a building element of the human body, animals, plants and fruit as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Next, if this proton is

split, we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules which are composed repeatedly of nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogen bases. The nitrogen bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

## **IF PEOPLE DO NOT UNDERSTAND THE REAL ALLAH, ALLAH'S LAW IS PLACED BELOW MAN-MADE LAW**

So now, we still continue to focus our minds on uncovering the secret contained behind the verses: *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*

Well, here Allah has declared *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

It turns out, *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* is not implemented in state life, with its legal instruments, but only in family life at home, in community life, in the environment education.

So, regarding laws that require a court, it is unthinkable and does not cross the minds of Muslims in the world.

Let's pay attention and be careful in the countries of Egypt, Syria, Iraq, Turkey, Afghanistan, Bangladesh, Azerbaidjan, Kazakhstan, Turkmenistan, Uzbekistan, Indonesia, Malaysia, Brunei, Somalia, Ethiopia, Jordan, Yemen, Oman, Bahrain, Qatar, the United Arab Emirates, Kuwait, Libya, Sudan, Chad, Nigeria, Algeria, Morocco, Tunisia and Palestine, are in those countries *"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)* has it been used as a source of law within the country?

Well, it turns out, in those countries, the laws that are implemented within the state are man-made laws, where *"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)* is placed under man-made law .

Well, now, the question arises,

Why do Muslims in the world not think about implementing *"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)?*

Of course, the answer is in the secret behind the verse: *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

Well, *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* is sufficient to be implemented by Muslims in the world, through laws relating to thaharah such as purification, istinja, tayammum.

Then it concerns the law of prayer, the law of janazah, the law of zakat, the law of fasting, the law of Hajj, the law of Umrah.

It also concerns mu'amalat laws such as buying and selling, usury, banks, companies, waqf, and laws regarding food and how to slaughter animals.

Well, this law is implemented by all Muslims in the world.

So, Muslims in the world have implemented thaharah laws such as purification, istinja, tayammum, prayer laws, janazah laws, zakat laws, fasting laws, Hajj laws, Umrah laws, as well as mu'amalat laws such as buying and selling, usury, banks, companies, endowments, and laws regarding food and how to slaughter animals, then Muslims in the world feel that it is enough *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

This is what causes Muslim thinking in the world to become backwards.

Meanwhile, from 11 AH to 1444 AH or from 632 AD to 2023 AD, there have been countries in the form of, Islamic Caliphate, Islamic Dynasty, Islamic Kingdom, Islamic Sultanate and Islamic Republic, which have been established, but there are none, which follows the First Islamic State founded by the Prophet Muhammad in Medina in 1 AH (622 AD).

Of course, the laws that are almost 46.7% of the laws in the Koran, which concern faraidh law or inheritance law, marriage law, jinayat or murder law, hudud law such as the law on adultery, stealing, robbery, corruption, liquor, Jihad laws, laws in court and laws establishing an Islamic state, are not implemented by nearly 1 billion Muslims in the world.

Or in other words, Muslims throughout the world consider laws made by humans to be appropriate laws to be implemented within the state. Meanwhile *"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)* does not need to be implemented within the state, especially, have to establish an Islamic state that follows the first Islamic state founded by the Prophet Muhammad saw in Medina in 1 AH (622 AD).

This is a setback for Muslims in the world.

## CONCLUSION

From what has been explained above, it can be concluded that the secret contained behind the verses: *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)" "...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*

Well, here Allah has declared *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

It turns out, *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* is not implemented in state life, with its legal instruments, but only in family life at home, in community life, in the environment education.

So, regarding laws that require a court, it is unthinkable and does not cross the minds of Muslims in

the world.

Let's pay attention and be careful in the countries of Egypt, Syria, Iraq, Turkey, Afghanistan, Bangladesh, Azerbaidjan, Kazakhstan, Turkmenistan, Uzbekistan, Indonesia, Malaysia, Brunei, Somalia, Ethiopia, Jordan, Yemen, Oman, Bahrain, Qatar, the United Arab Emirates, Kuwait, Libya, Sudan, Chad, Nigeria, Algeria, Morocco, Tunisia and Palestine, are in those countries **"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)** has it been used as a source of law within the country?

Well, it turns out, in those countries, the laws that are implemented within the state are man-made laws, where **"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)** is placed under man-made law .

Well, now, the question arises,

Why do Muslims in the world not think about implementing **"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)**?

Of course, the answer is in the secret behind the verse: **"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)**

Well, **"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)** is sufficient to be implemented by Muslims in the world, through laws relating to thaharah such as purification, istinja, tayammum.

Then it concerns the law of prayer, the law of janazah, the law of zakat, the law of fasting, the law of Hajj, the law of Umrah.

It also concerns mu'amalat laws such as buying and selling, usury, banks, companies, waqf, and laws regarding food and how to slaughter animals.

Well, this law is implemented by all Muslims in the world.

So, Muslims in the world have implemented thaharah laws such as purification, istinja, tayammum, prayer laws, janazah laws, zakat laws, fasting laws, Hajj laws, Umrah laws, as well as mu'amalat laws such as buying and selling, usury, banks, companies, endowments, and laws regarding food and how to slaughter animals, then Muslims in the world feel that it is enough **"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)**

This is what causes Muslim thinking in the world to become backwards.

Meanwhile, from 11 AH to 1444 AH or from 632 AD to 2023 AD, there have been countries in the form of, Islamic Caliphate, Islamic Dynasty, Islamic Kingdom, Islamic Sultanate and Islamic Republic, which have been established, but there are none, which follows the First Islamic State founded by the Prophet Muhammad in Medina in 1 AH (622 AD).

Of course, the laws that are almost 46.7% of the laws in the Koran, which concern faraidh law or inheritance law, marriage law, jinayat or murder law, hudud law such as the law on adultery, stealing, robbery, corruption, liquor, Jihad laws, laws in court and laws establishing an Islamic state, are not implemented by nearly 1 billion Muslims in the world.

Or in other words, Muslims throughout the world consider laws made by humans to be appropriate laws to be implemented within the state. Meanwhile **"...the law...which Allah conveyed...(Al Maa'idah: 5: 49)** does not need to be implemented within the state, especially, have to establish an Islamic state

that follows the first Islamic state founded by the Prophet Muhammad saw in Medina in 1 AH (622 AD).

This is a setback for Muslims in the world.
