**ABSTRACT**

Before the author writes down is it true, Allah created paradise and hell only for "...Allah's spirit... (Shaad : 38: 72), not for humans who have body like in the world, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about is it true, Allah created paradise and hell only for "...Allah's spirit... (Shaad : 38: 72), not for humans who have body like in the world, based on Deoxyribonucleic acids (DNA)

There are several verses that open Allah's secrets about is it true, Allah created paradise and hell only for "...Allah's spirit... (Shaad : 38: 72), not for humans who have body like in the world, namely verses following:

*"Allah...the light of the skys and the earth...a light upon a light...(An Nuur : 24: 35)*

*"those who remember Allah while standing or sitting or lying down and they think about the creation of the skys and the earth: "O our Lord, you did not create this in vain, Glory be to You, so protect us from the torment of hell. (Ali 'Imran : 3: 191)*

*"And indeed We have created man from an extract from the ground. (Al Mu'minuun: 23: 12)*

*"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected what happened, and have breathed into it My spirit, then you bow down to him by prostrating (Al Hjr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And it is not possible for any human being that Allah spoke with him except by means of revelation or behind a veil or by sending a messenger and then revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Asy Shuura : 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the request of those who pray when he asks Me, then let them fulfill (all My commandments) and let them believe in Me Me, so that they are always in the truth (Al Baqarah: 2: 186)*

*"He is the First and the Last, the Zhahir and the Inner; and He is All-Knowing of all things. (Al Hadiid: 57: 3)*

*"He arranges affairs from skys to earth, then it rises to Him in one day, the amount of which is a thousand years according to your calculations (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day which is fifty thousand years (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of God the Most Gracious something that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Surely Allah is All-Wise, All-Knowing. (Al Baqarah: 2: 115)*

*"And they ask you about the spirit. Say: "The spirit is among the affairs of my Lord, and you are not given knowledge but a little." (Al Israa ': 17: 85)*

*"And We did not create the skys and the earth and everything between them playing games (Al Anbiyaa ': 21: 16)*

*"So He made seven skys in two periods. He revealed to each sky its affairs. And We decorated the nearby skys with brilliant stars and We took care of them in the best way possible. Such is the provision of the Almighty, All-Knowing. (Fushshilat) :41:12)*

*"God created the skys and the earth with rights. Indeed, in that there are signs of God's power for the believers (Al 'Ankabuut: 29: 44)*

*"So she made a veil over them; then We sent Our Spirit to her, so it's incarnated before her a perfect human. (Maryam: 19: 17)*

*"and Maryam bint Imran who keeps her honor, so We blow into her womb some of Our spirit, and she confirms the words of her Lord and His Books, and she is one of those who obey. (At Tahrir: 66: 12)*

*"And Maryam who has preserved her honor, then We blew into her womb a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa': 21: 91)*

*"Indeed, those who believe and do righteous deeds, they are guided by their Lord because of their faith, beneath them flow rivers in paradise full of pleasure. (Yunus: 10: 9)*

*"And if you look there, surely you will see various kinds of pleasures and great kingdoms. (Al Insaan: 76: 20)*

*"In paradise there are many fruits for you, some of which you eat. (Az Zukhruf: 43: 73)*

*"Their reward with their Lord is paradise 'Adn beneath which rivers flow; they will abide in it forever. Allah is pleased with them and they are pleased with Allah. That is for those who fear their Lord. (Al Bayyinah : 98: 8)*

*"As for those who deviate from the truth, then they become firewood for the hell of Jahannam. (Al Jin: 72: 15)*

*"O you who believe, protect yourself and your family from the fires of hell whose fuel is human and stone; guardian angels who are rough, harsh, and do not disobey Allah for what He commands them and always do what is ordered .(At Tahrir : 66: 6)*

*"Then both of them were derailed by the devil from paradise and expelled from their original state and We said: Come down, some of you are enemies to others, and for you there is a place to live on earth, and the pleasure of living until an appointed time (Al Baqarah: 2: 36)*

*"and when the nafs (spirit) is brought together (At Takwiir: 81: 7)*

*"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36: 9)*

In an effort to uncover God's secret veil about is it true, Allah created paradise and hell only for *"...Allah's spirit... (Shaad : 38: 72)*, not for humans who have body like in the world, the author uses deoxyribonucleic acid as a basis.

## **HYPOTHESIS**

Here the author proposes the hypothesis that Allah created paradise and hell only for *"...my spirit... (Shaad : 38: 72)* or *"...Allah's spirit... (Shaad : 38: 72)*, not for humans who have a body like in the world, because *"...my spirit... (Shaad : 38: 72)* or *"...Allah's spirit... (Shaad : 38: 72)* lives until the age of **10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000** years, based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## **QUARK**

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## **DEOXYRIBONUCLEATED ACID (DNA)**

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human Deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

## **IS IT TRUE, ALLAH CREATED PARADISE AND HELL ONLY FOR ALLAH'S SPIRIT, NOT FOR HUMANS WHO HAVE BODY LIKE IN THE WORLD**

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"...Our spirit...incarnated...a perfect human being. (Maryam: 19: 17) "... I blow on him my spirit... (Shaad : 38: 72)"... beneath them flow rivers in paradise full of enjoyment. (Yunus: 10: 9) "... there are lots of fruits for you, some of which you eat (Az Zukhruf: 43: 73)"... the fires of hell whose fuel is humans and stones... (At Tahrir: 66: 6)*

Apparently, here Allah has declared *"... under them rivers flow in paradise full of enjoyment. (Yunus:*

10: 9)"... there are lots of fruits for you of which you eat some (Az Zukhruf: 43: 73)"... the fire of hell whose fuel is humans and stones... (At Tahrir: 66: 6)

So, now the question arises,

Who exactly is meant by Allah "...them...(Yunus: 10: 9)"...humans...(At Tahrir: 66: 6)

The answer is in the secret behind the verse: "...I breathed on him my spirit...(Shaad : 38: 72)

Well, it turns out, those who will live in heaven and hell are "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) which "...breathed to humans...(Shaad : 38: 72)

Why is "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) not human like those who live on earth?

The answer is in the secret behind the verse "...for you there is a place to live on earth, and the pleasure of living until the appointed time (Al Baqarah: 2: 36)

Well, a human being with a body, lives "...on earth...until the appointed time (Al Baqarah: 2: 36)

It means "...until the appointed time (Al Baqarah: 2: 36) is limited human life on earth.

Well, now, because humans with bodies like humans who live in the world, live limitedly, paradise and hell are not places for humans with bodies like humans who live in the world.

So, actually what will live in paradise and hell is "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) because "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) live to age 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years.

In accordance with what Allah declared "...when the nafs (ruh) is brought together (At Takwiir: 81: 7), where "...the nafs (ruh) is brought together (At Takwiir: 81: 7) refers to "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) encounters hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that come out of a dead human body and buried. The human body is made up of 7 000000000 000000000 000000000 atoms, including hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Now, it has been uncovered, who will live and live in paradise and hell is "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72)

## CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses:

"...Our spirit...incarnated...a perfect human being. (Maryam: 19: 17) "... I blow on him my spirit... (Shaad : 38: 72)"... beneath them flow rivers in paradise full of enjoyment. (Yunus: 10: 9) "... there are lots of fruits for you, some of which you eat (Az Zukhruf: 43: 73)"... the fires of hell whose fuel is humans and stones... (At Tahrir: 66: 6)

Apparently, here Allah has declared "... under them rivers flow in paradise full of enjoyment. (Yunus: 10: 9)"... there are lots of fruits for you of which you eat some (Az Zukhruf: 43: 73)"... the fire of hell whose fuel is humans and stones... (At Tahrir: 66: 6)

So, now the question arises,

Who exactly is meant by Allah *"...them...(Yunus: 10: 9)"...humans...(At Tahrim: 66: 6)*

The answer is in the secret behind the verse: *"...I breathed on him my spirit...(Shaad : 38: 72)*

Well, it turns out, those who will live in heaven and hell are *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* which *"...breathed to humans...(Shaad : 38: 72)*

Why is *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* not human like those who live on earth?

The answer is in the secret behind the verse *"... for you there is a place to live on earth, and the pleasure of living until the appointed time (Al Baqarah: 2: 36)*

Well, a human being with a body, lives *"...on earth...until the appointed time (Al Baqarah: 2: 36)*  
It means *"...until the appointed time (Al Baqarah: 2: 36)* is limited human life on earth.

Well, now, because humans with bodies like humans who live in the world, live limitedly, paradise and hell are not places for humans with bodies like humans who live in the world.

So, actually what will live in paradise and hell is *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* because *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* life to age 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years.

In accordance with what Allah declared *"...when the nafs (ruh) is brought together (At Takwiir: 81: 7)*, where *"...the nafs (ruh) is brought together (At Takwiir: 81: 7)* refers to *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* encounters hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that come out of a dead human body and buried. The human body is made up of 7 000000000 000000000 000000000 atoms, including hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Now, it has been uncovered, who will live and live in paradise and hell is *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*
