ABSTRACT

Before the author writes about is it true, celibate to get closer to God and closer to paradise, according to followers of Jesus and Jews, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of is it true, celibate to get closer to God and closer to paradise, according to followers of Jesus and Jews, based on deoxyribonucleic acid.

There are several verses that reveal Allah's secret regarding is it true, celibate to get closer to God and closer to paradise, according to followers of Jesus and Jews, namely the verses:

"And Maryam bint Imran who maintained her honour, then We breathed into Maryam's womb Our spirit, and she confirmed the words of her God and His Books, and she was one of those who obey. (At Tahrir: 66: 12)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look again and again, do you see something that is not balanced? (Al Mulk: 67: 3)

"O mankind, indeed We created you from a man and a woman and made you into nations and tribes so that you may know each other. Indeed, the noblest person among you in the sight of Allah is the most devout among you. Indeed, Allah is All-Knowing, All-Knowing (Al Hujuraat: 49: 13)

In an effort to uncover the veil of Allah's secret regarding is it true, celibate to get closer to God and closer to paradise, according to followers of Jesus and Jews, the author uses the basis of deoxyribonucleic acid.

HYPOTHESES

Here the author forward a hypothesis is it true, celibate to get closer to God and closer to paradise, according to followers of Jesus and Jews, based on Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a storage place for genetic information that has a double structure forms a double helix and contains structured polynucleotide macromolecules repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5 carbon sugar and one of the nitrogen bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T). Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine (A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% atoms carbon, 25.43%

nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

IS IT TRUE, CELIBATE TO GET CLOSER TO GOD AND CLOSER TO PARADISE, ACCORDING TO FOLLOWERS OF JESUS AND JEWS

So now, we still continue to concentrate our minds to uncover the secret hidden behind the verse: *"...You never see in the creation of the Most Gracious God anything that is not balanced...(Al Mulk: 67: 3)"...We breathed into Maryam's womb Our spirit...(At Tahrir: 66: 12)"...We created you from a man and a woman...(Al Hujuraat: 49: 13)*

Well, here, Allah has declared that in *"...the seven skys...(Al Mulk: 67: 3)* Allah's law applies, namely the law of *"...balanced...(Al Mulk: 67: 3)*

Now the question arises,

Why did Jesus and the Jews practice celibacy, if celibacy is contrary to Allah's law or the law of *"...balanced...(Al Mulk: 67: 3)?*

The answer is, while Jesus was still alive, during the first century, in Jewish society many people practiced celibacy, with the aim of getting closer to God.

Well, Jesus was celibate with the aim of getting closer to God and to paradise, is that not contrary to the law of *"...balanced...(Al Mulk : 67: 3)* which applies in *"...seven skys...(Al Mulk : 67: 3) ?*

Or was there really another reason for Jesus not marrying, even though Jesus was more than 30 years old, and for the Jewish rabbis who were celibate?

So, if Jesus didn't have time to get married, even though he was more than 30 years old, because he was busy giving lessons to his followers, well, this reason is also unacceptable.

Then, if you follow what the Jewish rabbis did, who did not marry with the aim of getting closer to God, then this reason is contrary to Allah's law, the law of *"...balanced...(Al Mulk: 67: 3)*

Well, now, most Jewish rabbis are celibate, well for the reason that Jewish rabbis are celibate, then Jesus was celibate. It is clear that this reason is contrary to Allah's law, the law of *"...balanced...(Al Mulk: 67: 3)*

In the law of *"...balanced...(Al Mulk : 67: 3)* a man must marry a woman, otherwise, it will become unbalanced, and will find destruction"*...We created you from a man and a woman and made you into nations and tribes... (Al Hujuraat : 49: 13)*

So, in fact, if some of Jesus' followers practice celibacy, because Jesus was not married, with the aim of getting closer to God and to paradise, then that is the same as breaking Allah's law, the law of *"...balanced...(Al Mulk: 67: 3).*

As a result, some of Jesus' followers are celibate, with the aim of getting closer to God and paradise, even though it is against the law of *"...balanced...(Al Mulk: 67: 3)*, there are some of Jesus' followers who are celibate, However, they also have husband and wife relations, even though they are not legal.

Well, Allah's declaration *"...We created you from a man and a woman and made you into nations and tribes... (Al Hujuraat : 49: 13)* was violated.

Or in other words, the law of *"...balanced...(Al Mulk: 67: 3)* which was violated by some of Jesus' followers, in the form of celibacy.

CONCLUSION

Based on the description above we can conclude that the secret hidden behind the verse: *"...You never see in the creation of the Most Gracious God anything that is not balanced...(Al Mulk: 67: 3)"...We breathed into Maryam's womb Our spirit...(At Tahrim: 66: 12)"...We created you from a man and a woman...(Al Hujuraat: 49: 13)*

Well, here, Allah has declared that in *"...the seven skys...(Al Mulk: 67: 3)* Allah's law applies, namely the law of *"...balanced...(Al Mulk: 67: 3)*

Now the question arises,

Why did Jesus and the Jews practice celibacy, if celibacy is contrary to Allah's law or the law of *"...balanced...(Al Mulk: 67: 3)?*

The answer is, while Jesus was still alive, during the first century, in Jewish society many people practiced celibacy, with the aim of getting closer to God.

Well, Jesus was celibate with the aim of getting closer to God and to paradise, is that not contrary to the law of *"...balanced...(Al Mulk : 67: 3)* which applies in *"...seven skys...(Al Mulk : 67: 3) ?*

Or was there really another reason for Jesus not marrying, even though Jesus was more than 30 years old, and for the Jewish rabbis who were celibate?

So, if Jesus didn't have time to get married, even though he was more than 30 years old, because he was busy giving lessons to his followers, well, this reason is also unacceptable.

Then, if you follow what the Jewish rabbis did, who did not marry with the aim of getting closer to God, then this reason is contrary to Allah's law, the law of *"...balanced...(Al Mulk: 67: 3)*

Well, now, most Jewish rabbis are celibate, well for the reason that Jewish rabbis are celibate, then Jesus was celibate. It is clear that this reason is contrary to Allah's law, the law of *"...balanced...(Al Mulk: 67: 3)*

In the law of *"...balanced...(Al Mulk : 67: 3)* a man must marry a woman, otherwise, it will become unbalanced, and will find destruction"*...We created you from a man and a woman and made you into nations and tribes... (Al Hujuraat : 49: 13)*

So, in fact, if some of Jesus' followers practice celibacy, because Jesus was not married, with the aim of getting closer to God and to paradise, then that is the same as breaking Allah's law, the law of *"...balanced...(Al Mulk: 67: 3).*

As a result, some of Jesus' followers are celibate, with the aim of getting closer to God and paradise, even though it is against the law of *"...balanced...(Al Mulk: 67: 3)*, there are some of Jesus' followers who are celibate, However, they also have husband and wife relations, even though they are not legal.

Well, Allah's declaration *"...We created you from a man and a woman and made you into nations and tribes... (Al Hujuraat : 49: 13)* was violated.

Or in other words, the law of "...*balanced...*(*Al Mulk: 67: 3*) which was violated by some of Jesus' followers, in the form of celibacy.
