**ABSTRACT**

Before the author writes about is it true, incarnation according to Allah is different from incarnation according to Hindu teachings and according to Jesus's follower's teachings, the author first asks Allah SWT for forgiveness. Here the author tries to open the veil that covers the secret about is it true, incarnation according to Allah is different from incarnation according to Hindu teachings and according to Jesus's follower's teachings, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about is it true, incarnation according to Allah is different from incarnation according to Hindu teachings and according to Jesus's follower's teachings, namely the following verses:

*"Allah...the light of the skys and the earth...a light upon a light...(An Nuur : 24: 35)*

*"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*him "So when I have perfected what happened, and have breathed into him My spirit, then submit to with prostration (Al Hjr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We had made the apostle an angel, We would have made him a male and, surely We would have doubted about them what they doubted about themselves (Al An'aam: 6: 9)*

*"And it is not possible for any human being that Allah spoke with him except by means of revelation or behind a veil or by sending a messenger and then revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Asy Shuura : 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the request of a person who prays when he asks Me, then let them fulfill it and let them believe in Me, so that they are always in truth (Al Baqarah: 2: 186)*

*"He is the First and the Last, the Zhahir and the Inner; and He is All-Knowing of all things. (Al Hadiid: 57: 3)*

*"God did not create and resurrect you except as one soul. Verily, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)*

*"And We made a wall in front of them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36: 9)*

*"And among His signs is that you see the earth is dry and arid, so when We send down water on it, surely it will move and be fertile. Indeed, God Who gives life to it, Surely can give life to the dead... (Fushshilat: 41: 39)*

*"God holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul for which He has ordained death and He releases the other soul until the appointed time. Indeed, in that there are signs of Allah's power for people who think .(Az Zumar : 39: 42)*

*"It was He who created the skys and the earth in six days: Then He dwells on the Throne. He knows what enters the earth and what comes out of it and what descends from the skys and what ascends to Him. And He is with you in wherever you are. And Allah is Seeing of what you do. (Al Hadiid: 57: 4)*

*"So he made a veil over them; then We sent Our Spirit to him, so he manifested before him a perfect human. (Maryam: 19: 17)*

*"God created the skys and the earth with rights. Indeed, in that there are signs of God's power for the believers (Al 'Ankabuut: 29: 44)*

*"So He made seven skys in two periods. He revealed to each sky its affairs. And We decorated the skys that were near with brilliant stars and We took care of them in the best way. Such is the provision of the Almighty, All-Knowing. (Fushshilat) :41:12)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

In an effort to uncover Allah's secret veil about is it true, incarnation according to Allah is different from incarnation according to Hindu teachings and according to Jesus's follower's teachings, the author uses the basis of Deoxyribonucleic acid (DNA)

## **HYPOTHESIS**

Here the author proposes a hypothesis incarnation according to Allah is no different from incarnation according to Hindu teachings, but according to Jesus's follower's teachings is different, based on Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## **QUARK**

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## **DEOXYRIBONUCLEATED ACID (DNA)**

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains

5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **IS IT TRUE, INCARNATION ACCORDING TO ALLAH IS DIFFERENT FROM INCARNATION ACCORDING TO HINDU TEACHINGS AND ACCORDING TO JESUS' FOLLOWERS' TEACHINGS**

Now, we are still concentrating on dismantling the secrets contained behind the verse: "*...Our spirit...incarnates...a perfect human (Maryam : 19: 17)*" "*...I breathed into human my spirit.. .(Shaad : 38: 72)*

Allah, here, declares "*...Our spirit...incarnates...a perfect human (Maryam : 19: 17)*

Well, it turns out, from what Allah declared, the true secret of Allah was uncovered, namely "*...Our spirit...incarnated...human...(Maryam: 19: 17)*

So, actually "*...incarnated...human...(Maryam : 19: 17)* is "*...Our spirit...(Maryam : 19: 17)* or "*...Allah's spirit... (Maryam : 19: 17)*

Well, what is in "*...Our spirit...(Maryam : 19: 17)* or "*...Allah's spirit... (Maryam : 19: 17)* is something that is in accordance with the human body.

That is, something that becomes a building "*...Our spirit...(Maryam : 19: 17)* or "*...Allah's spirit... (Maryam : 19: 17)* is the same as something that forms a building for the human body.

Well, in this case, Allah, in the form of Allah in the form of "*...Our spirit...(Maryam : 19: 17)* or "*...Allah's spirit... (Maryam : 19: 17)* is something that becomes the source of human life and the source of life for all the seven heavens.

So what is the source of human life and the source of life for all the seven skys is matter in the form of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms. Where hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms are also the building blocks of Deoxyribonucleic acid (DNA). According to human DNA is composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

Or in other words, "*...Our spirit...(Maryam : 19: 17)* or "*...Allah's spirit... (Maryam : 19: 17)* is Deoxyribonucleic acid (DNA). Where this DNA is in the human body, animals, plants, fungi, bacteria, amoebas, archaea and viruses.

So, to understand Allah, man must study and think about God's being in form "*...Our spirit... (Maryam : 19: 17)* or "*...Allah's spirit... (Maryam : 19: 17)* which is the source of human life and the source of life for all seven skys. Where the source of human life and the source of life for all seven skys is matter in the form of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

Now, the question arises,

How exactly, incarnation, according to Hindu teachings?

The answer is, Vishnu's incarnation could either be a fish, a turtle, a Buddha or a human.

Well, here, because Vishnu is one, while Vishnu can incarnate, including becoming a fish, turtle and Buddha or human, Vishnu exists in forms such as energy, matter and particles which are the source

of life and part of the bodies of fish, turtles and Buddha or humans.

Now, something that is in the form of Vishnu in the form of energy, matter and these particles incarnates as fish, turtles and Buddhas or humans.

So, actually, according to Hindu teachings, Vishnu is not the same as a fish or a turtle or a Buddha or a human.

Well, incarnation according to Hindu teachings is no different from Allah's declaration "*...Our spirit...incarnates...human...(Maryam: 19: 17)*

That is, Allah is not the same as "*...Our spirit...(Maryam : 19: 17)* or "*...Allah's spirit... (Maryam : 19: 17)*

In contrast to the teachings believed by followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, who believe that Jahve was incarnated as Jesus. So, Jahve himself was incarnated to become Jesus. Because followers of Jesus all over the world, including followers of Jesus in the Vatican and followers of Jesus in America do not believe in Jahve's spirit or the Holy Spirit that was breathed on human or in this case on Adam.

So, because the followers of Jesus around the world, including the followers of Jesus in the Vatican and the followers of Jesus in America do not believe in Jahve's spirit or the Holy Spirit who was breathed into the human body or in this case into the body of Adam, then Jahve is the same as Jahve's spirit and is the same as The invisible Holy Spirit.

Well, the incarnation that is considered by followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, is Jahve the incarnation of becoming Jesus, and at the same time Jesus as the son of God.

However, followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, do not understand what Jahve incarnated into Jesus was.

Because followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, do not believe in the Holy Spirit, it is what Jahve breathed on Adam and on all mankind. The Holy Spirit is the invisible Jahve.

So, there must be something, in Jahve that was incarnated into the body of Jesus. The problem now is, followers of Jesus all over the world, including followers of Jesus in the Vatican and followers of Jesus in America, don't know anything from Jahve who was incarnated into Jesus.

Because if studied incarnation according to Hindu teachings is something that is in the form of Vishnu in forms such as energy, matter and particles which incarnate into fish, turtles and Buddha or humans.

Well, now it can be said that in fact, followers of Jesus all over the world, including followers of Jesus in the Vatican and followers of Jesus in America believe that Jesus was incarnated into Jesus, is a belief that is wrong and not incorrect.

## CONCLUSION

The conclusions that can be drawn from the explanation above are the secrets contained behind the verse: "*...Our spirit...incarnates...a perfect human (Maryam: 19: 17)*" "*...I breathed into human my spirit.. .(Shaad : 38: 72)*

Allah, here, declares “*...Our spirit...incarnates...a perfect human (Maryam : 19: 17)*

Well, it turns out, from what Allah declared, the true secret of Allah was uncovered, namely “*...Our spirit...incarnated...human...(Maryam: 19: 17)*

So, actually “*...incarnated...human...(Maryam : 19: 17)* is “*...Our spirit...(Maryam : 19: 17)* or “*...Allah's spirit... (Maryam : 19: 17)*

Well, what is in “*...Our spirit...(Maryam : 19: 17)* or “*...Allah's spirit... (Maryam : 19: 17)* is something that is in accordance with the human body.

That is, something that becomes a building “*...Our spirit...(Maryam : 19: 17)* or “*...Allah's spirit...(Maryam : 19: 17)* is the same as something that forms a building for the human body.

Well, in this case, Allah, in the form of Allah in the form of “*...Our spirit...(Maryam : 19: 17)* or “*...Allah's spirit... (Maryam : 19: 17)* is something that becomes the source of human life and the source of life for all the seven heavens.

So what is the source of human life and the source of life for all the seven skys is matter in the form of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms. Where hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms are also the building blocks of Deoxyribonucleic acid (DNA). According to human DNA is composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

Or in other words, “*...Our spirit...(Maryam : 19: 17)* or “*...Allah's spirit... (Maryam : 19: 17)* is Deoxyribonucleic acid (DNA). Where this DNA is in the human body, animals, plants, fungi, bacteria, amoebas, archaea and viruses.

So, to understand Allah, man must study and think about God's being in form “*...Our spirit...(Maryam : 19: 17)* or “*...Allah's spirit... (Maryam : 19: 17)* which is the source of human life and the source of life for all seven skys. Where the source of human life and the source of life for all seven skys is matter in the form of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

Now, the question arises,

How exactly, incarnation, according to Hindu teachings?

The answer is, Vishnu's incarnation could either be a fish, a turtle, a Buddha or a human.

Well, here, because Vishnu is one, while Vishnu can incarnate, including becoming a fish, turtle and Buddha or human, Vishnu exists in forms such as energy, matter and particles which are the source of life and part of the bodies of fish, turtles and Buddha or humans.

Now, something that is in the form of Vishnu in the form of energy, matter and these particles incarnates as fish, turtles and Buddhas or humans.

So, actually, according to Hindu teachings, Vishnu is not the same as a fish or a turtle or a Buddha or a human.

Well, incarnation according to Hindu teachings is no different from Allah's declaration “*...Our spirit...incarnates...human...(Maryam: 19: 17)*

That is, Allah is not the same as "...*Our spirit...*(*Maryam : 19: 17*) or "...*Allah's spirit...* (*Maryam : 19: 17*)

In contrast to the teachings believed by followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, who believe that Jahve was incarnated as Jesus. So, Jahve himself was incarnated to become Jesus. Because followers of Jesus all over the world, including followers of Jesus in the Vatican and followers of Jesus in America do not believe in Jahve's spirit or the Holy Spirit that was breathed on human or in this case on Adam.

So, because the followers of Jesus around the world, including the followers of Jesus in the Vatican and the followers of Jesus in America do not believe in Jahve's spirit or the Holy Spirit who was breathed into the human body or in this case into the body of Adam, then Jahve is the same as Jahve's spirit and is the same as The invisible Holy Spirit.

Well, the incarnation that is considered by followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, is Jahve the incarnation of becoming Jesus, and at the same time Jesus as the son of God.

However, followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, do not understand what Jahve incarnated into Jesus was.

Because followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America, do not believe in the Holy Spirit, it is what Jahve breathed on Adam and on all mankind. The Holy Spirit is the invisible Jahve.

So, there must be something, in Jahve that was incarnated into the body of Jesus. The problem now is, followers of Jesus all over the world, including followers of Jesus in the Vatican and followers of Jesus in America, don't know anything from Jahve who was incarnated into Jesus.

Because if studied incarnation according to Hindu teachings is something that is in the form of Vishnu in forms such as energy, matter and particles which incarnate into fish, turtles and Buddha or humans.

Well, now it can be said that in fact, followers of Jesus all over the world, including followers of Jesus in the Vatican and followers of Jesus in America believe that Jesus was incarnated into Jesus, is a belief that is wrong and not incorrect.
