ABSTRACT

Before the author writes about is it true, that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil covering the secret of is it true, that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about is it true, that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus, namely the following verses:

"So when I have perfected the body of Adam and breathed into Adam my spirit, then you will fall down and prostrate yourself to Adam (Shaad: 38: 72)

"And Maryam bint Imran who maintained her honour, then We breathed into Maryam's womb Our spirit, and she confirmed the words of her Rabb and His Books, and she was one of those who obey. (At Tahrir: 66: 12)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Indeed, Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2: 115)

"And indeed We have created human and know what his heart whispers, and We are closer to human than his jugular vein (Qaf: 50:16)

"So Maryam created a veil from them, then We sent Our spirit to Maryam, then Our spirit incarnated before Maryam, a perfect human (Maryam: 19: 17)

In an effort to open the veil of Allah's secret about is it true, that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus, the author uses the basis of deoxyribonucleic acid.

HYPOTHESIS

Here the author proposes hypothesis is it true, that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARKS

If we want to know quarks then we pay attention to one of the hydrogen atoms which is a building

element of the human body, animals, plants and fruit as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Next, if this proton is split, we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules which are composed repeatedly of nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogen bases. The nitrogen bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

IS IT TRUE, THAT GOD CAME TO THE WORLD, IN HUMAN FORM, WAS BORN, THROUGH MARY'S WOMB, IN THE FORM OF A CHILD, NAMED JESUS

So now, we still continue to focus our minds on uncovering the secrets contained behind the verses: *"...We breathed into Maryam's womb Our spirit...(At Tahrim: 66: 12) "...I breathed into Adam My spirit ...(Shaad : 38: 72) "...Our spirit incarnated before Maryam, a perfect human (Maryam: 19: 17) "...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115) "...We are closer to human than his jugular vein (Qaf: 50:16)*

Well, here, Allah, reveals the true secret of Allah *"...We are closer to human than his jugular vein (Qaf: 50:16) "...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115)*

Well, from what Allah declared, *"...We are closer to human than his jugular vein (Qaf: 50:16) "...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115)*. It was found that two factors were important.

The first factor is, Allah is in the human body, *"...We are closer to human than his jugular vein (Qaf: 50:16)*, through the form of Allah, in the form of *"...My spirit...(Shaad: 38 : 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or *"...Our spirit...(Maryam : 19: 17)* or holy spirit, which is built with carbon atoms, hydrogen atoms, nitrogen atom and oxygen atom.

The second factor is, Allah is everywhere, through Allah's form, in the form of Allah's energy and in the form of Allah's particles *"...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115)*. Where Allah's particle is very small, almost non-existent, 0.000000000 000000000 000000000 000000000 00000 3335917542091889 grams, this Allah's particle has a speed of light of 5 475 103 664 604.84 km per second, which requires very little Allah's energy 0.000000000 000000000 000000000 01 grams per cubic cm. So, wherever the human eye is directed, before the human eye is directed to one point, Allah, through Allah's form, in the form of Allah's energy and in the form of Allah's particle, is already there at that point.

So now, the question arises,

What do orthodox Christians think, Catholics and Protestants, God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus, even though Allah or God is everywhere, including in every human body ?

Of course, the answer is, first, orthodox Christians, Catholics, Protestants, don't know where God is. Second, orthodox Christians, Catholics and Protestants, do not know where heaven is. Third, orthodox Christians, Catholics and Protestants do not know how God can appear as a human. Fourth, orthodox Christians, Catholics, and Protestants, do not know how God, in the form of a human, was born, through Mary's womb. Fifth, orthodox Christians, Catholics and Protestants do not know the real God.

Well, because orthodox Christians, Catholics, and Protestants, don't know everything, they only know in the form of a story, the content of which is that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus.

Well, this story has been taught by orthodox Christians, Catholics and Protestants, from generation to generation, until now.

Well, here, Allah has revealed the real secret, where to understand the real Allah, through Allah's form, in the form of Allah's energy, in the form of Allah's particle and in the form of "*...my spirit...* (Shaad : 38: 72) or "*...Allah's spirit...* (Shaad: 38: 72) or "*...Our spirit...* (Maryam: 19: 17) or holy spirit.

Well, "*...my spirit...* (Shaad : 38: 72) or "*...Allah's spirit...* (Shaad: 38: 72) or "*...Our spirit...* (Maryam: 19: 17) or holy spirit, "*...breathed by Allah into Maryam's womb...* (At Tahrir : 66: 12)

As for "*...my spirit...* (Shaad : 38: 72) or "*...Allah's spirit...* (Shaad: 38: 72) or "*...Our spirit...* (Maryam: 19: 17) or holy spirit, is built with carbon atoms, hydrogen atoms, nitrogen atoms and oxygen atoms. Where carbon atoms, hydrogen atoms, nitrogen atoms and oxygen atoms are the source of life in the universe.

Well, this is what orthodox Christians, Catholics and Protestants don't understand.

So, in fact, God is everywhere. God does not need one particular place. As for heaven or paradise, it is here on earth. Meanwhile, God is in the form of a human face, because God is through God's form, in the form of God's energy, in the form of God's particle and in the form of "*...my spirit...* (Shaad : 38: 72) or "*...Allah's spirit...* (Shaad: 38: 72) or "*...Our spirit...* (Maryam: 19: 17) or holy spirit, is in every human body. Then, God through "*...my spirit...* (Shaad : 38: 72) or "*...Allah's spirit...* (Shaad: 38: 72) or "*...Our spirit...* (Maryam: 19: 17) or holy spirit which is built with carbon atoms, hydrogen atoms, nitrogen atoms and oxygen atoms, which form Deoxyribonucleic acid (DNA). Human DNA, which consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms, is found in sperm and eggs.

Well, this is what not all orthodox Christians, Catholics and Protestants understand.

What all orthodox Christians, Catholics and Protestants know is the story passed down from generation to generation, namely that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus.

CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses: *"...We breathed into Maryam's womb Our spirit...(At Tahrir: 66: 12) "...I breathed into Adam My spirit ... (Shaad : 38: 72) "...Our spirit incarnated before Maryam, a perfect human (Maryam: 19: 17) "...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115)"...We are closer to human than his jugular vein (Qaf: 50:16)*

Well, here, Allah, reveals the true secret of Allah *"...We are closer to human than his jugular vein (Qaf: 50:16)"...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115)*

Well, from what Allah declared, *"...We are closer to human than his jugular vein (Qaf: 50:16) "...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115)*. It was found that two factors were important.

The first factor is, Allah is in the human body, *"...We are closer to human than his jugular vein (Qaf: 50:16)*, through the form of Allah, in the form of *"...My spirit...(Shaad: 38 : 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or *"...Our spirit...(Maryam : 19: 17)* or holy spirit, which is built with carbon atoms, hydrogen atoms, nitrogen atom and oxygen atom.

The second factor is, Allah is everywhere, through Allah's form, in the form of Allah's energy and in the form of Allah's particles *"...wherever you turn, there is the face of Allah...(Al Baqarah: 2: 115)*. Where Allah's particle is very small, almost non-existent, **0.000000000 000000000 000000000 000000000 00000 3335917542091889** grams, this Allah's particle has a speed of light of **5 475 103 664 604.84** km per second, which requires very little Allah's energy **0.000000000 000000000 000000000 01** grams per cubic cm. So, wherever the human eye is directed, before the human eye is directed to one point, Allah, through Allah's form, in the form of Allah's energy and in the form of Allah's particle, is already there at that point.

So now, the question arises,

What do orthodox Christians think, Catholics and Protestants, God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus, even though Allah or God is everywhere, including in every human body ?

Of course, the answer is, first, orthodox Christians, Catholics, Protestants, don't know where God is. Second, orthodox Christians, Catholics and Protestants, do not know where heaven is. Third, orthodox Christians, Catholics and Protestants do not know how God can appear as a human. Fourth, orthodox Christians, Catholics, and Protestants, do not know how God, in the form of a human, was born, through Mary's womb. Fifth, orthodox Christians, Catholics and Protestants do not know the real God.

Well, because orthodox Christians, Catholics, and Protestants, don't know everything, they only know in the form of a story, the content of which is that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus.

Well, this story has been taught by orthodox Christians, Catholics and Protestants, from generation to generation, until now.

Well, here, Allah has revealed the real secret, where to understand the real Allah, through Allah's form, in the form of Allah's energy, in the form of Allah's particle and in the form of *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad: 38: 72)* or *"...Our spirit...(Maryam: 19: 17)* or holy spirit.

Well, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad: 38: 72)* or *"...Our spirit...(Maryam: 19: 17)* or holy spirit, *"...breathed by Allah into Maryam's womb...(At Tahrir : 66: 12)*

As for "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad: 38: 72) or "...Our spirit...(Maryam: 19: 17) or holy spirit, is built with carbon atoms, hydrogen atoms, nitrogen atoms and oxygen atoms. Where carbon atoms, hydrogen atoms, nitrogen atoms and oxygen atoms are the source of life in the universe.

Well, this is what orthodox Christians, Catholics and Protestants don't understand.

So, in fact, God is everywhere. God does not need one particular place. As for heaven or paradise, it is here on earth. Meanwhile, God is in the form of a human face, because God is through God's form, in the form of God's energy, in the form of God's particle and in the form of "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad: 38: 72) or "...Our spirit...(Maryam: 19: 17) or holy spirit, is in every human body. Then, God through "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad: 38: 72) or "...Our spirit...(Maryam: 19: 17) or holy spirit which is built with carbon atoms, hydrogen atoms, nitrogen atoms and oxygen atoms, which form Deoxyribonucleic acid (DNA). Human DNA, which consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms, is found in sperm and eggs.

Well, this is what not all orthodox Christians, Catholics and Protestants understand.

What all orthodox Christians, Catholics and Protestants know is the story passed down from generation to generation, namely that God came to the world, in human form, was born, through Mary's womb, in the form of a child, named Jesus.
