ABSTRACT

Before the author writes about more than 200 million muslims in Indonesian, still following the god of pancasila, made in Soekarno, the author first asks Allah SWT for forgiveness. Here the author tries to open the veil that covers the secrets of more than 200 million muslims in Indonesian, still following the god of pancasila, made in Soekarno, based on Deoxyribonucleic acid (DNA)

There are several verses that reveal Allah's secret about more than 200 million muslims in Indonesian, still following the god of pancasila, made in Soekarno, namely the following verses:

"And if you punish the deeds between them, by what Allah has revealed, and do not follow their lusts. And be careful towards them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that in fact Allah wills that calamity befalls them due to some of their sins. And in fact most people are wicked people (Al Maa'idah: 5: 49)

"O you who believe, obey Allah and obey the Messenger and ulil amri among you. Then if you differ in opinion about something, then return it to Allah and the Messenger, if you really believe in Allah and the Last Day. That is that is more important and the result is better (An Nisaa ': 4: 59)

"And those who accept the call of their God and establish prayer, and their affairs by deliberation between them; and they spend part of the sustenance that We give them. (Asy Syuura: 42: 38)

"Indeed, Allah commands you to convey messages to those who are entitled to receive them, and when stipulating laws between people, so that you determine fairly. Indeed, Allah gives the best teaching to you. Indeed, Allah is All-Hearing, All-Seeing. (An Nisaa ': 4 : 58)

"Say: "He is Allah, the One and Only. (Al Ikhlash: 112: 1)"Allah is God who depends on Him for everything (Al Ikhlash: 112: 2)" He is neither childless nor begotten (Al Ikhlash: 112: 3)"and no one is equal with Him (Al Ikhlash: 112:4)

In an effort to uncover Allah's secret veil about more than 200 million muslims in Indonesian, still following the god of pancasila, made in Soekarno, the author uses deoxyribonucleic acid as a basis.

HYPOTHESIS

Here the author proposes a hypothesis that more than 200 million muslims in Indonesian, still following the god of pancasila, made in Soekarno, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the

building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human Deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

MORE THAN 200 MILLION MUSLIMS IN INDONESIA, STILL FOLLOWING THE GOD OF PANCASILA, MADE IN SOEKARNO

Now, we are still concentrating on dismantling the secrets contained behind the verses: *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)"... obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

Here, Allah or Jahve or Adonai has declared *"...the law...revealed by Allah...(Al Maa'idah : 5: 49)*

Well, *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)*, applies in the first Islamic State in the world founded by the Apostle, Prophet, Head of the first Islamic State in the world, Muhammad saw .

Where the first Islamic State in the world, centered in Medina, was founded in 1 Hijrah.

Now, the question arises,

What about *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)* in the Republic of Indonesia which has a state philosophy named Pancasila, which is the source of the law of the Republic of Indonesia?

The answer, is, *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)* does not apply in Indonesia, because *"...the law...revealed by Allah...(Al Maa'idah : 5: 49)* is not recognized by the legal source of the Republic of Indonesia, Pancasila.

Now, another question arises,

Why are more than 200 million Indonesian Muslims still following the god of pancasila, made in Soekarno?

Well, the answer is,

Because, it is obligatory, all Indonesian citizens, to obey and comply with the Pancasila state philosophy, which is the source of the law of the Republic of Indonesia, formulation, BPUPK (Investigating Agency for Preparatory Efforts for Independence) or Dokuritu Zunkai with its chairman Dr Rajiman Widiyodiningrat was formed and appointed by General Hatachi Seisiroo, a general of the Japanese Army, who convened from 28 May to 1 June 1945.

So, on June 1, 1945, Soekarno delivered his speech which contained a proposed conception of the basic philosophy of the state which was named Pancasila which contained 1. Indonesian Nationality or Nationalism, 2. Humanity or Internationalism, 3. Consensus or Democracy, 4. Social Welfare, 5. One divinity.

Well, it turns out that the state philosophy, Pancasila, which is the source of the law of the Republic of Indonesia, is a hodgepodge of ideologies, the product of Soekarno's thoughts, from the ideology of socialism-communism, nationalism, internationalism, western democracy, to the ideology of divinity.

Or in other words, a state philosophy that does not refer to *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)"*

Or it could also be said that the philosophy of the state does not recognize *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)"*

That is, the philosophy of a secular state.

So, in fact, the Indonesian Muslim community, which is more than 200 million people, has fallen into the ideological trap of a hodgepodge of Soekarno's Pancasila state philosophy, a mixture of the ideologies of socialism-communism, nationalism, internationalism, western democracy, divine ideology.

CONCLUSION

From what has been explained above, it can be concluded that the secrets contained behind the verses: *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)"*... *obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

Here, Allah or Jahve or Adonai has declared *"...the law...revealed by Allah...(Al Maa'idah : 5: 49)"*

Well, *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)"*, applies in the first Islamic State in the world founded by the Apostle, Prophet, Head of the first Islamic State in the world, Muhammad saw .

Where the first Islamic State in the world, centered in Medina, was founded in 1 Hijrah.

Now, the question arises,

What about *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)"* in the Republic of Indonesia which has a state philosophy named Pancasila, which is the source of the law of the Republic of Indonesia?

The answer, is, *"...the law...revealed by Allah...(Al Maa'idah: 5: 49)"* does not apply in Indonesia, because *"...the law...revealed by Allah...(Al Maa'idah : 5: 49)"* is not recognized by the legal source of

the Republic of Indonesia, Pancasila.

Now, another question arises,

Why are more than 200 million Indonesian Muslims still following the god of pancasila, made in Soekarno?

Well, the answer is,

Because, it is obligatory, all Indonesian citizens, to obey and comply with the Pancasila state philosophy, which is the source of the law of the Republic of Indonesia, formulation, BPUPK (Investigating Agency for Preparatory Efforts for Independence) or Dokuritzu Zunby Tyoosakai with its chairman Dr Rajiman Widiiodiningrat was formed and appointed by General Hagachi Seisiroo, a general of the Japanese Army, who convened from 28 May to 1 June 1945.

So, on June 1, 1945, Soekarno delivered his speech which contained a proposed conception of the basic philosophy of the state which was named Pancasila which contained 1. Indonesian Nationality or Nationalism, 2. Humanity or Internationalism, 3. Consensus or Democracy, 4. Social Welfare, 5. One divinity.

Well, it turns out that the state philosophy, Pancasila, which is the source of the law of the Republic of Indonesia, is a hodgepodge of ideologies, the product of Soekarno's thoughts, from the ideology of socialism-communism, nationalism, internationalism, western democracy, to the ideology of divinity.

Or in other words, a state philosophy that does not refer to "*...the law...revealed by Allah...(Al Maa'idah: 5: 49)*"

Or it could also be said that the philosophy of the state does not recognize "*...the law...revealed by Allah...(Al Maa'idah: 5: 49)*"

That is, the philosophy of a secular state.

So, in fact, the Indonesian Muslim community, which is more than 200 million people, has fallen into the ideological trap of a hodgepodge of Soekarno's Pancasila state philosophy, a mixture of the ideologies of socialism-communism, nationalism, internationalism, western democracy, divine ideology.
