ABSTRACT

Before the author writes about most Muslims in the world do not understand calculations according to Allah, so it is considered that calculations according to Allah are equal to calculations according to human, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret that most Muslims in the world do not understand calculations according to Allah, so it is considered that calculations according to Allah are equal to calculations according to human, based on Deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secrets, that most Muslims in the world do not understand calculations according to Allah, so it is considered that calculations according to Allah are equal to calculations according to human, namely the following verses:

"So when I have perfected the existence of Adam and breathed into Adam my spirit, then you will fall down and prostrate to him (Shaad: 38: 72)

"Angels and spirits ascend to God in a day worth fifty thousand years (Al Ma'aarij: 70: 4)

"And they do not glorify Allah with proper glorification even though the earth is entirely in His hand on the Day of Judgment and the sky are rolled up with His right hand. Glory be to God and Exalted is He above what they associate with others. (Az Zumar: 39: 67)

"It is Allah who sent down the book with truth and balance. And do you know, it may be that the Day of Judgment is near (Ash Syuura: 42: 17)

"People ask you about the Day of Judgment, say: Indeed, knowledge of the Day of Judgment is only with Allah. And you know, it may be that the Day of Judgment is near. (Al Ahzab: 33: 63)

"When the sun is rolled up, (At Takwiir: 81: 1)

"and when the stars fall, (At Takwiir : 81: 2)

"The Day of Judgment is near. (An Najm: 53: 57)

"Indeed, the Day of Judgment will come. I will keep it a secret so that each person will be rewarded for what he has worked for (Thaahaa: 20: 15)

"And to Allah belongs everything that is hidden in the sky and the earth. It is not the event of the end of the world, but like the twinkling of an eye or faster. Indeed, Allah has power over everything. (An Nahl: 16: 77)

"And they ask you about spirits. Say: Spirit is the interest of my God, and you have not been given knowledge except a little (Al Israa' : 17: 85)

In an effort to open the veil, most Muslims in the world do not understand calculations according to Allah, so it is considered that calculations according to Allah are equal to calculations according to

human, based on deoxyribonucleic acid.

HYPOTHESES

Here the author proposes hypothesis most Muslims in the world do not understand calculations according to Allah, so it is considered that calculations according to Allah are equal to calculations according to human, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARKS

If we want to know quarks then we pay attention to one of the hydrogen atoms which is a building element of the human body, animals, plants and fruit as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Next, if this proton is split, we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a storage place for genetic information which has a double structure that forms a double helix and which contains polynucleotide macromolecules which are composed repeatedly of nucleotide polymers. This nucleotide consists of folate, a 5 carbon sugar and one of the nitrogen bases. The nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are found in abundance around us and in the atmosphere.

MOST MUSLIMS IN THE WORLD DO NOT UNDERSTAND CALCULATIONS ACCORDING TO ALLAH, SO IT IS CONSIDERED THAT CALCULATIONS ACCORDING TO ALLAH ARE EQUAL TO CALCULATIONS ACCORDING TO HUMAN

So now, we continue to try to concentrate our minds in order to uncover the secret hidden in the verse: *"...Say: Spirit is the interest of my God, and you have not been given knowledge except a little (Al Israa' : 17: 85)"... it may be that the Day of Judgment is near (Al Ahzab: 33: 63) "When the sun is rolled up (At Takwiir: 81: 1)"... a day worth fifty thousand years (Al Ma'aarij: 70: 4)*

Well, here Allah declares *"...you have not been given knowledge (about spirit) except a little (Al Israa' : 17: 85)*

"... it may be that the Day of Judgment is near (Al Ahzab: 33: 63) "When the sun is rolled up (At Takwiir: 81: 1)

Well now, according to Allah's reckoning *"...you have not been given knowledge (about spirit) except a little (Al Israa' : 17: 85)*

Well, *"...you were given knowledge (about spirits)...a little (Al Israa' : 17: 85)*

Now Allah gives human *"...knowledge (about spirits)...a little (Al Israa' : 17: 85)*

"...a little (Al Israa' : 17: 85) according to Allah's reckoning, but if calculated according to human reckoning *"...a little (Al Israa' : 17: 85)* becomes **18262980** times as much, according to Allah's law *"...a day is worth fifty thousand years (Al Ma'aarij: 70:4)*

So, in fact *"...knowledge (about spirits)...a little (Al Israa' : 17: 85)* given by Allah to humans throughout the world, turns out in reality to be very much.

Now, Muslims all over the world consider calculations according to Allah to be the same as calculations according to humans.

So when Allah declared *"...you have not been given knowledge (about spirit) except a little (Al Israa' : 17: 85)*, then Muslims all over the world refused to study *"...My spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*. For reasons, Allah gives *"...knowledge (about spirits)...a little (Al Israa' : 17: 85)*

Well, what Muslims all over the world don't understand is that calculations according to Allah are not the same as calculations according to humans.

So, for example, according to Allah's calculations, the number is 1, but if calculated according to human calculations, the number becomes **18262980** times as many, based on Allah's law *"...a day is worth fifty thousand years (Al Ma'aarij: 70:4)*

Well, this calculation is not understood by all Muslims in the world.

Finally, Muslims who should study *"...My spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, reject it outright.

Besides that, Muslims in the world use other reasons, namely *"...Spirit is the interest of my God..(Al Israa': 17: 85)*

This means that humans do not have the right to study *"...My spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*.

In fact, whatever exists in the universe is included in *"...Allah's interest...(Al Israa' : 17: 85)*

Likewise, when Allah declared *"...the Day of Judgment...(Al Ahzab: 33: 63)* will occur *"When the sun is rolled up, (At Takwiir: 81: 1)*

Well, *"When the sun is rolled up, (At Takwiir: 81: 1)* meaning, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. The hydrogen atomic fuel will run out in the next **4600 000 0000** years according to calculations humans. If calculated according to Allah's calculations, hydrogen atomic fuel will be used up in **4600 000 000: 18262980 = 251.8** years, based on *"...a day is worth fifty thousand years (Al Ma'aarij: 70:4)*, meaning 1 day according to Allah = **18262980** days according to humans.

So, actually *"...the Day of Judgment...(Al Ahzab: 33: 63)* will occur *"When the sun is rolled up, (At*

Takwiir: 81: 1) which is **4600 000 000** years from now according to human calculations.

Well, it turns out that *"...the Day of Judgment...(Al Ahzab: 33: 63)* will occur **4600 000 000** years from now according to human calculations, while according to Allah's calculations *"...the Day of Judgment...(Al Ahzab: 33: 63)* will occur in **251,8** years.

This is something that is still not understood by all humans, including all Muslims in the world.

Well now Allah has revealed the real secret about when there will be *"...the Day of Judgment...(Al Ahzab: 33: 63)* according to Allah's calculations and according to human calculations.

CONCLUSION

Based on the description above we can conclude that the secret hidden in the verse: *"...Say: Spirit is the interest of my God, and you have not been given knowledge except a little (Al Israa' : 17: 85)"... it may be that the Day of Judgment is near (Al Ahzab: 33: 63) "When the sun is rolled up (At Takwiir: 81: 1)"... a day worth fifty thousand years (Al Ma'aarij: 70: 4)*

Well, here Allah declares *"...you have not been given knowledge (about spirit) except a little (Al Israa' : 17: 85)*

"... it may be that the Day of Judgment is near (Al Ahzab: 33: 63) "When the sun is rolled up (At Takwiir: 81: 1)

Well now, according to Allah's reckoning *"...you have not been given knowledge (about spirit) except a little (Al Israa' : 17: 85)*

Well, *"...you were given knowledge (about spirits)...a little (Al Israa' : 17: 85)*

Now Allah gives human *"...knowledge (about spirits)...a little (Al Israa' : 17: 85)*

"...a little (Al Israa' : 17: 85) according to Allah's reckoning, but if calculated according to human reckoning *"...a little (Al Israa' : 17: 85)* becomes **18262980** times as much, according to Allah's law *"...a day is worth fifty thousand years (Al Ma'aarij: 70:4)*

So, in fact *"...knowledge (about spirits)...a little (Al Israa' : 17: 85)* given by Allah to humans throughout the world, turns out in reality to be very much.

Now, Muslims all over the world consider calculations according to Allah to be the same as calculations according to humans.

So when Allah declared *"...you have not been given knowledge (about spirit) except a little (Al Israa' : 17: 85)*, then Muslims all over the world refused to study *"...My spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*. For reasons, Allah gives *"...knowledge (about spirits)...a little (Al Israa' : 17: 85)*

Well, what Muslims all over the world don't understand is that calculations according to Allah are not the same as calculations according to humans.

So, for example, according to Allah's calculations, the number is 1, but if calculated according to human calculations, the number becomes **18262980** times as many, based on Allah's law *"...a day is worth fifty thousand years (Al Ma'aarij: 70:4)*

Well, this calculation is not understood by all Muslims in the world.

Finally, Muslims who should study "...*My spirit...*(*Shaad: 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*), reject it outright.

Besides that, Muslims in the world use other reasons, namely "...*Spirit is the interest of my God..*(*Al Israa': 17: 85*)

This means that humans do not have the right to study "...*My spirit...*(*Shaad: 38: 72*) or "...*Allah's spirit...*(*Shaad : 38: 72*).

In fact, whatever exists in the universe is included in "...*Allah's interest...*(*Al Israa' : 17: 85*)

Likewise, when Allah declared "...*the Day of Judgment...*(*Al Ahzab: 33: 63*) will occur "*When the sun is rolled up, (At Takwiir: 81: 1)*

Well, "*When the sun is rolled up, (At Takwiir: 81: 1)* meaning, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. The hydrogen atomic fuel will run out in the next **4600 000 0000** years according to calculations humans. If calculated according to Allah's calculations, hydrogen atomic fuel will be used up in **4600 000 000: 18262980 = 251.8** years, based on "...*a day is worth fifty thousand years (Al Ma'aarij: 70:4)*, meaning 1 day according to Allah = **18262980** days according to humans.

So, actually "...*the Day of Judgment...*(*Al Ahzab: 33: 63*) will occur "*When the sun is rolled up, (At Takwiir: 81: 1)* which is **4600 000 000** years from now according to human calculations.

Well, it turns out that "...*the Day of Judgment...*(*Al Ahzab: 33: 63*) will occur **4600 000 000** years from now according to human calculations, while according to Allah's calculations "...*the Day of Judgment...*(*Al Ahzab: 33: 63*) will occur in **251,8** years.

This is something that is still not understood by all humans, including all Muslims in the world.

Well now Allah has revealed the real secret about when there will be "...*the Day of Judgment...*(*Al Ahzab: 33: 63*) according to Allah's calculations and according to human calculations.
