ABSTRACT

Before the author writes about most Muslims think living in a secular country is the same as living in an Islamic country, because Muslims are the leaders in a secular country, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret that most Muslims think living in a secular country is the same as living in an Islamic country, because Muslims are the leaders in a secular country, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret that most Muslims think living in a secular country is the same as living in an Islamic country, because Muslims are the leaders in a secular country, namely the verses:

"And if you decide the punishment for deeds between them according to what Allah has revealed, and do not follow their desires. And be careful of them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that indeed Allah wills to bring misfortune upon them because of some of their sins. And indeed, most people are wicked people (Al Maa'idah: 5: 49)

"So when I have perfected the existence of Adam and breathed into Adam my spirit, then you will fall down and prostrate to him." (Shaad: 38: 72)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Indeed, Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2: 115)

In an effort to uncover the veil of Allah's secrets regarding most Muslims think living in a secular country is the same as living in an Islamic country, because Muslims are the leaders in a secular country, the author uses the basis of deoxyribonucleic acid.

HYPOTHESES

Here the author puts forward the hypothesis most Muslims think living in a secular country is the same as living in an Islamic country, because Muslims are the leaders in a secular country, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a storage place for genetic information that has a double structure forms a double helix and contains structured polynucleotide macromolecules repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5 carbon sugar and one of the nitrogen bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5

carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

MOST MUSLIMS THINK LIVING IN A SECULAR COUNTRY IS THE SAME AS LIVING IN AN ISLAMIC COUNTRY, BECAUSE MUSLIMS ARE LEADERS IN A SECULAR COUNTRY

So now, we still continue to focus our minds to uncover the secret hidden behind the verse: *"...if you decide the punishment for deeds between them according to what Allah has revealed... (Al Maa'idah: 5: 49)*

Well, there are almost 1 billion Muslims throughout the world, however, not a single Islamic country has followed the first Islamic state founded by the Prophet Muhammad in Medina in 1 AH (622 AD).

Now, the question arises,

What about the Islamic Republic of Pakistan, the Islamic Republic of Iran and the Kingdom of Saudi Arabia, are these countries Islamic countries?

Well, it turns out that the Islamic Republic of Pakistan, the Islamic Republic of Iran and the Kingdom of Saudi Arabia did not follow the example of the first Islamic state founded by the Prophet Muhammad in Medina in 1 AH (622 AD).

They still follow the example of secular countries in the world. Republican system, presidential system, royal system. This was not exemplified by the Prophet Muhammad saw in the first Islamic state founded by the Prophet Muhammad saw in Medina in 1 AH (622 AD).

Well, now, another question arises,

What about the nearly 1 billion Muslims throughout the world, are they not thinking about establishing an Islamic state following the example of the first Islamic state founded by the Prophet Muhammad in Medina in 1 AH (622 AD)?

Well, it turns out that almost 1 billion Muslims throughout the world think that living in a secular country is like living in an Islamic country, because the leaders in secular countries with Muslim majority populations are all Muslims.

Well, for the reason that because the leaders in a secular country with a majority Muslim population are all Muslims, there is no need for an Islamic state. You can perform prayers, you can pay zakat, you can fast, you can do Hajj, what else is missing. Everything has been done.

Well, this is the reason that caused Islam to decline.

Islam, which was exemplified by the Prophet Muhammad saw, through the first Islamic state founded by the Prophet Muhammad saw in Medina in 1 AH (622 AD) to carry out *"...if you decide the punishment for deeds between them according to what Allah has revealed... (Al Maa'idah : 5: 49)* is ignored by almost 1 billion Muslims throughout the world.

Nearly 1 billion Muslims throughout the world, in making laws within the country, do not refer to the law *"...what Allah has revealed... (Al Maa'idah : 5: 49)*, but rather refer to the law resulting from

the Muslim mind itself , who do not recognize the law *"...what Allah has revealed... (Al Maa'idah : 5: 49)*

Please pay attention and be thorough, the laws that apply in Egypt, Syria, Iraq, Turkey, Afghanistan, Bangladesh, Azerbaidjan, Kazakhstan, Turkmenistan, Uzbekistan, Indonesia, Malaysia, Brunei, Somalia, Ethiopia, Jordan, Yemen, Oman, Bahrain, Qatar , United Arab Emirates, Kuwait, Libya, Sudan, Chad, Nigeria, Algeria, Morocco, Tunisia and Palestine, the laws in force in these countries are the laws of the Muslim mind itself, which do not recognize the law *"...what Allah has revealed... (Al Maa'idah : 5: 49)*

Well, this is what makes Islam just floating in the air, Muslims all over the world don't want to understand the real Allah, through Allah's form in the form of Allah's energy, Allah's particles *"...wherever you turn there is the face of Allah...(Al Baqarah: 2: 115)* and *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad: 38: 72).*

CONCLUSION

Based on the description above we can conclude that the secret hidden behind the verse: *"...if you decide the punishment for deeds between them according to what Allah has revealed...(Al Maa'idah: 5: 49)*

Well, there are almost 1 billion Muslims throughout the world, however, not a single Islamic country has followed the first Islamic state founded by the Prophet Muhammad in Medina in 1 AH (622 AD).

Now, the question arises,

What about the Islamic Republic of Pakistan, the Islamic Republic of Iran and the Kingdom of Saudi Arabia, are these countries Islamic countries?

Well, it turns out that the Islamic Republic of Pakistan, the Islamic Republic of Iran and the Kingdom of Saudi Arabia did not follow the example of the first Islamic state founded by the Prophet Muhammad in Medina in 1 AH (622 AD).

They still follow the example of secular countries in the world. Republican system, presidential system, royal system. This was not exemplified by the Prophet Muhammad saw in the first Islamic state founded by the Prophet Muhammad saw in Medina in 1 AH (622 AD).

Well, now, another question arises,

What about the nearly 1 billion Muslims throughout the world, are they not thinking about establishing an Islamic state following the example of the first Islamic state founded by the Prophet Muhammad in Medina in 1 AH (622 AD)?

Well, it turns out that almost 1 billion Muslims throughout the world think that living in a secular country is like living in an Islamic country, because the leaders in secular countries with Muslim majority populations are all Muslims.

Well, for the reason that because the leaders in a secular country with a majority Muslim population are all Muslims, there is no need for an Islamic state. You can perform prayers, you can pay zakat, you can fast, you can do Hajj, what else is missing. Everything has been done.

Well, this is the reason that caused Islam to decline.
