ABSTRACT

Before the author writes most of humans believe when humans die, get out, ghosts or jurig or spirit, beliefs, which are still followed until now, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret that most of humans believe when humans die, get out, ghosts or jurig or spirit, beliefs, which are still followed until now, are based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secrets about most of humans believe when humans die, get out, ghosts or jurig or spirit, beliefs, which are still followed until now, namely the following verses:

"Allah holds the soul when it dies and the soul that has not died in its sleep; then He holds the soul for which He has ordained death and He releases another soul until the appointed time. Verily in that there are signs of Allah's power for people who think .(Az Zumar : 39: 42)

"Then when I have perfected the body and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the body and have breathed into it My spirit, then submit to him by prostrating (Al Hizr: 15: 29)

"Then He perfected the body and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We had made the apostle an angel, We would have made him a male and, surely We would have doubted about them what they doubted about themselves (Al An'aam: 6: 9)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"...We made the apostle an angel...a man...(Al An'aam: 6: 9)

"Say: "The angel of death entrusted to you will kill you, then only to your God you will be returned" (As Sajdah: 32: 11)

"What if the angels take their souls while beating their faces and their backs? (Muhammad: 47: 27)

"By the one who plucks hard (An Naazi'aat: 79: 1)

"and gently plucking (An Naazi'aat: 79: 2)

"Verily, those whom the angels die in a state of self-harm, the angels ask: "In what condition are you?" broad, so that you can emigrate on the earth?" Those people are the place for Hell, and Jahannam is the worst place to return to, (An Nisaa' : 4: 97)

“Then He perfected the body and breathed into them His spirit and He made for you hearing, sight, and hearts; you are very little grateful.” (As Sajdah: 32: 9)

In an effort to open the veil about most of humans believe when humans die, get out, ghosts or jurig or spirit, beliefs, which are still followed until now, the authors based on deoxyribonucleic acid.

HYPOTHESIS

Here the author proposes a hypothesis that most of humans believe when humans die, get out, ghosts or jurig or spirit, beliefs, which are still followed until now, actually come out of the body of a dead person is *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, based on Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T). Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

Based on human Deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

MOST OF HUMANS BELIEVE WHEN HUMANS DIE, GET OUT, GHOST, JURIG, SPIRIT, BELIEFS, WHICH ARE STILL FOLLOWED UNTIL NOW

Now, we are still concentrating on dismantling the secrets stored in the verse: *"Allah holds the soul when it dies and the soul that has not died in its sleep... (Al An'aam: 6: 9)*

Apparently, Allah or Jahve or Adonai declared to all people in the world *"Allah holds the soul when it dies and the soul that has not died in its sleep ... (Al An'aam: 6: 9)*

Apparently, what Allah or Jahve or Adonai declared *"Allah holds...the soul that has not died in its sleep...(Al An'aam: 6: 9)*, held by the majority of Muslims in Arab countries, in Asia and in Africa,

that *"...the soul...(Al An'aam: 6: 9)* or *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* can go in and out, the human body, when humans are sleeping.

Well, here, the big mistake that until now is believed by the majority of Muslims in Arab countries, in Asia and in Africa.

Why is it a big mistake that until now is believed by the majority of Muslims in Arab countries, in Asia and in Africa?

Because most Muslims in Arab countries, in Asia and in Africa do not understand *"...the soul...(Al An'aam: 6: 9)* or *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*. They only heard and guessed it.

Well now, in fact, *"Allah holds...the soul that has not died in its sleep... (Al An'aam: 6: 9)* refers to *"...I breathed into human my spirit...(Shaad : 38: 72)*

Well, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* which is held by Allah when humans are sleeping.

It means, because *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* in the form of Deoxyribonucleic acid (DNA) has united in the human body, then it is symbolized by *"Allah holds...the soul that has not died in its sleep...(Al An'aam: 6: 9)* or *"Allah holds the soul when it dies ...in its sleep...(Al An'aam :6:9)*

Well, this secret of Allah or Jahve or Adonai, is still not understood by the majority of people in the world including Muslims in Arab countries, in Asia and in Africa.

So, actually, after 30 days of human death, comes out *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, which is constructed with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, from the body of the deceased.

So, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, which is built up with hydrogen atoms, carbon atoms , nitrogen atoms and oxygen atoms, which come out of the body of the deceased, are not ghosts or jurig or spirits, as most people believe.

Why do most people believe when humans die, ghosts or jurig or spirits come out?

Because the majority of people in the world including Muslims in Arab countries, in Asia and in Africa do not understand *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, which is composed of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Also, because the majority of Muslims in Arab countries, in Asia and in Africa are not taught either at school or university about *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, which is composed of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Well, this is what causes the majority of Muslims in Arab countries, in Asia and Africa to just guess, *"...the soul...(Al An'aam: 6: 9)* or *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* can enter and leave the human body, when humans are sleeping.

Likewise if a human dies, *"...the soul...(Al An'aam: 6: 9)* or *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* comes out of the human body that dies, becomes ghost or jurig or spirits.

This, due to the prohibition to study *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, for most Muslims in Arab countries, in Asia and in Africa.

CONCLUSION

Based on the description above, we can conclude that the secrets stored in the verse: *"Allah holds the soul when it dies and the soul that has not died in its sleep... (Al An'aam: 6: 9)*

Apparently, Allah or Jahve or Adonai declared to all people in the world *"Allah holds the soul when it dies and the soul that has not died in its sleep ... (Al An'aam: 6: 9)*

Apparently, what Allah or Jahve or Adonai declared *"Allah holds...the soul that has not died in its sleep...(Al An'aam: 6: 9)*, held by the majority of Muslims in Arab countries, in Asia and in Africa, that *"...the soul...(Al An'aam: 6: 9)* or *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* can go in and out, the human body, when humans are sleeping.

Well, here, the big mistake that until now is believed by the majority of Muslims in Arab countries, in Asia and in Africa.

Why is it a big mistake that until now is believed by the majority of Muslims in Arab countries, in Asia and in Africa?

Because most Muslims in Arab countries, in Asia and in Africa do not understand *"...the soul...(Al An'aam: 6: 9)* or *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*. They only heard and guessed it.

Well now, in fact, *"Allah holds...the soul that has not died in its sleep... (Al An'aam: 6: 9)* refers to *"...I breathed into human my spirit...(Shaad : 38: 72)*

Well, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* which is held by Allah when humans are sleeping.

It means, because *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* in the form of Deoxyribonucleic acid (DNA) has united in the human body, then it is symbolized by *"Allah holds...the soul that has not died in its sleep...(Al An'aam: 6: 9)* or *"Allah holds the soul when it dies ...in its sleep...(Al An'aam :6:9)*

Well, this secret of Allah or Jahve or Adonai, is still not understood by the majority of people in the world including Muslims in Arab countries, in Asia and in Africa.

So, actually, after 30 days of human death, comes out *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, which is constructed with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, from the body of the deceased.

So, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit or Adonai's spirit, which is built up with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which come out of the body of the deceased, are not ghosts or jurig or spirits, as most people believe.

Why do most people believe when humans die, ghosts or jurig or spirits come out?

Because the majority of people in the world including Muslims in Arab countries, in Asia and in Africa do not understand "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) or Jahve's spirit or Adonai's spirit, which is composed of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Also, because the majority of Muslims in Arab countries, in Asia and in Africa are not taught either at school or university about "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) or Jahve's spirit or Adonai's spirit, which is composed of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Well, this is what causes the majority of Muslims in Arab countries, in Asia and Africa to just guess, "...the soul...(Al An'aam: 6: 9) or "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) can enter and leave the human body, when humans are sleeping.

Likewise if a human dies, "...the soul...(Al An'aam: 6: 9) or "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) comes out of the human body that dies, becomes ghost or jurig or spirits.

This, due to the prohibition to study "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) or Jahve's spirit or Adonai's spirit, for most Muslims in Arab countries, in Asia and in Africa.
