ABSTRACT

Before the author writes about Muslims in the world open the secular way, Allah's laws are rid of them, laws resulting from Muslim mind, made the law of the State, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secrets about Muslims in the world open the secular way, Allah's laws are rid of them, laws resulting from Muslim mind, made the law of the State, based on Deoxyribonucleic acid (DNA)

There are several verses that reveal Allah's secret about Muslims in the world open the secular way, Allah's laws are rid of them, laws resulting from Muslim mind, made the law of the State, namely the following verses:

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the sky and the earth: "Our God, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran : 3: 191)

"And if you punish the deeds of them, with what Allah has revealed, and do not follow their desires. And be careful of them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that indeed Allah wills to bring misfortune upon them because of some of their sins. And indeed, most people are wicked people. (Al Maa'idah: 5: 49)

"O you who believe, obey Allah and obey the Messenger and ulil amri among you. Then if you differ in opinion about something, then return the resolution to Allah and the Messenger, if you truly believe in Allah and the Last Day. That is how it is that is more important and the consequences are better (An Nisaa': 4: 59)

"And when news comes to them about security or fear, they then broadcast it. And if they submit news to the Messenger and ulil amri among them, surely those who want to know the truth will find out from them. If it were not for grace and Allah's mercy to you, of course you follow Satan, except for a small part (An Nisaa': 4: 83)

"And those who accept the call of their God and perform prayer, and their interests by deliberation between themselves, and they spend part of the sustenance that We have given them. (Ash Syuura: 42: 38)

In an effort to open the veil of Allah's secrets regarding Muslims in the world open the secular way, Allah's laws are rid of them, laws resulting from Muslim mind, made the law of the State, the author uses the basis of deoxyribonucleic acid.

HYPOTHESIS

Here the author forward hypothesis Muslims in the world open the secular way, Allah's laws are rid of them, laws resulting from Muslim mind, made the law of the State, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARKS

If we want to know quarks then we pay attention to one of the hydrogen atoms which is a building element of the human body, animals, plants and fruit as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Next, if this proton is split, we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules which are composed repeatedly of nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogen bases. The nitrogen bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

MUSLIMS IN THE WORLD OPEN THE SECULAR WAY, ALLAH'S LAWS ARE RID OF THEM, LAWS RESULTING FROM MUSLIM MIND, MADE THE LAW OF THE STATE

So now, we are still concentrating our minds on uncovering the secrets contained behind the verses: *"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*

Well, Allah declared *"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*

Now, the question arises,

Why are legal issues considered not that important by most Muslims living in secular countries?

The answer is hidden in the secret behind the verse: *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

Well, apparently, most Muslims think that what constitutes *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* involves two factors.

The first factor, *"... remember Allah...(Ali 'Imran: 3: 191)*, namely the matter of worshiping Allah.

The second factor, *"...think about the creation of the sky and the earth...(Ali 'Imran: 3: 191)*, namely

those related to work, study, relationships within the family and society.

Meanwhile, regarding the issue of "*...laws Allah has revealed...(Al Maa'idah: 5: 49)*" is forgotten.

Well, because of the problem "*...laws Allah has revealed...(Al Maa'idah: 5: 49)*" is forgotten and not included in "*...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*", resulting in the majority of Muslims in the world being entangled in life in a state that separates religion from state law.

Apart from that, most Muslims in the world do not know that the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw, had founded the first Islamic State in the world, which was domiciled in Medina.

Well, most Muslims in the world, do not know, that the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw, had founded the first Islamic State in the world, which was based in Medina.

Even though there have been Islamic Caliphates, Islamic Dynasties or Kingdoms and Islamic Sultanates, most of them were not modeled after the first Islamic State founded by the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw.

Likewise, the Kingdom of Saudi Arabia, the Islamic State of Iran and the Islamic State of Pakistan, if studied more deeply, the Kingdom of Saudi Arabia, the Islamic State of Iran and the Islamic State of Pakistan are not modeled after the first Islamic State founded by the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw.

So, for most Muslims in the world, currently, there is nothing that can be used as an example of an Islamic State that is modeled after the first Islamic State founded by the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw.

Because of this, most Muslims in the world think that the important thing is "*...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*" can be done at home, in the mosque, in Islamic boarding schools, in religious schools such as establishing prayers, fasting, paying zakat fitrah, discussing and studying Islamic law, discussing Islamic education issues, celebrating the Fitr holiday, celebrating the Hajj holiday, carrying out the Hajj, performing the Umrah.

Meanwhile, the problem of implementing "*...laws Allah has revealed...(Al Maa'idah: 5: 49)*" within the state is forgotten and put aside.

Well, here, the reason is that the majority of Muslims in the world fall into the trap of secularism, meaning, "*...laws Allah has revealed...(Al Maa'idah: 5: 49)*" are forgotten and set aside and are not included in state law.

This is what is happening now, Muslims in Egypt, Syria, Iraq, Turkey, Afghanistan, Bangladesh, Azerbaidjan, Kazakhstan, Turkmenistan, Uzbekistan, Indonesia, Malaysia, Brunei, Somalia, Ethiopia, Jordan, Yemen, Oman, Bahrain, Qatar, United Emirates Arabia, Kuwait, Libya, Sudan, Chad, Nigeria, Algeria, Morocco, Tunisia and Palestine make state laws that do not refer to the source "*...the law revealed by Allah...(Al Maa'idah: 5: 49)*".

In fact, Muslims in these countries make laws in legislative institutions based on the results of Muslim thinking themselves.

And this situation, which has deviated and departed from what was exemplified by the Apostle,

Prophet and Head of the first Islamic State in the world, Muhammad saw.

Ten years, the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw, founded and ran the first Islamic state in the world based in Medina, which has been forgotten by most Muslims in the world today.

CONCLUSION

From what has been explained above, it can be concluded that the secrets contained behind the verses: *"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*

Well, Allah declared *"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*

Now, the question arises,

Why are legal issues considered not that important by most Muslims living in secular countries?

The answer is hidden in the secret behind the verse: *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

Well, apparently, most Muslims think that what constitutes *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* involves two factors.

The first factor, *"... remember Allah...(Ali 'Imran: 3: 191)*, namely the matter of worshiping Allah.

The second factor, *"...think about the creation of the sky and the earth...(Ali 'Imran: 3: 191)*, namely those related to work, study, relationships within the family and society.

Meanwhile, regarding the issue of *"...laws Allah has revealed...(Al Maa'idah: 5: 49)* is forgotten.

Well, because of the problem *"...laws Allah has revealed...(Al Maa'idah: 5: 49)* is forgotten and not included in *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* , resulting in the majority of Muslims in the world being entangled in life in a state that separates religion from state law.

Apart from that, most Muslims in the world do not know that the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw, had founded the first Islamic State in the world, which was domiciled in Medina.

Well, most Muslims in the world, do not know, that the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw, had founded the first Islamic State in the world, which was based in Medina.

Even though there have been Islamic Caliphates, Islamic Dynasties or Kingdoms and Islamic Sultanates, most of them were not modeled after the first Islamic State founded by the Apostle, Prophet and Head of the first Islamic State in the world, Muhammad saw.
