## ABSTRACT

Before the author writes about Muslims in the world, still believe, when humans return to life, from the grave, out of the grave, complete, with a body, like when there was still alive in the world, the author first begs forgiveness from Allah SWT. Here the author tries to open the veil that covers the secrets about Muslims in the world, still believe, when humans return to life, from the grave, out of the grave, complete, with a body, like when there was still alive in the world, based on deoxyribonucleic acid (DNA).

There are a number of verses that are Allah's revelation tools about Muslims in the world, still believe, when humans return to life, from the grave, out of the grave, complete, with a body, like when there was still alive in the world, namely the following verses:

*"So when I have perfected the body and I have breathed on him my spirit, then you must fall down and prostrate to him. (Shaad : 38: 72)*

*"And if We had made the messenger an angel, We would have made the angel a man and, of course, We would have doubted about them what they doubted about themselves (Al An'aam: 6: 9)*

*"So Maryam made a veil from them; then We sent Our spirit to her, so Our spirit incarnated before her the perfect human. (Maryam: 19: 17)*

*"Angels and spirits ascend to God in a day whose value is fifty thousand years (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You do not see anything in the creation of the Most Gracious God that is unbalanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Surely Allah is All-Wise, All-Knowing. (Al Baqarah: 2: 115)*

*"and when spirit are brought together (At Takwiir: 81: 7)*

*"And if We truly wish, We will make instead of you angels from generation to generation on earth. (Az Zukhruf: 43: 60)*

In an effort to open the veil of Allah's secret about Muslims in the world, still believe, when humans return to life, from the grave, out of the grave, complete, with a body, like when there was still alive in the world, the author uses the basis of Deoxyribonucleic acid (DNA)

## HYPOTHESIS

Here the author proposes the hypothesis of Muslims in the world, still believe, when humans return to life, from the grave, out of the grave, complete, with a body, like when there was still alive in the

world, based on Deoxyribonucleic acid (DNA)

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine (A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Human deoxyribonucleic acid (DNA) is composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

## MUSLIMS IN THE WORLD, STILL BELIEVE, WHEN HUMANS RETURN TO LIFE, FROM THE GRAVE, OUT OF THE GRAVE, COMPLETE, WITH A BODY, LIKE WHEN THERE WAS STILL ALIVE IN THE WORLD

Now, we are still concentrating on dismantling the secret contained behind the verse: *"...Our spirit incarnated ...the perfect human. (Maryam: 19: 17)"... I breathed into human my spirit... (Shaad :38:72)*

Well, it turns out, here Allah or Jahve or Adonai, has opened a secret to all people in the world, regarding, *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which is composed of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, when it leaves the human body, who have died, incarnated into the body of humans, animals, plants, which are still alive.

Now, the question arises,

Why did Allah or Jahve or Adonai declare, *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, when it leaves the human body, which has died, incarnates into the body of a human, animal, plant, which is still alive?

The answer is in the secret behind the verse: *"...Our spirit incarnated ...the perfect human. (Maryam:*

19: 17)

Well, "*...our spirit...(Maryam: 19: 17)* or "*...my spirit...(Shaad : 38: 72)* or "*...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, when it comes out of the human body, which has died, incarnates into the body of a living human, animal, plant.

So, the human body, which has died, returns to being Allah's energy, while "*...our spirit...(Maryam: 19: 17)* or "*...my spirit...(Shaad : 38: 72)* or "*...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which comes out of the body of a human, who has died, incarnates into the body of a human, animal, plant, who is still alive.

This, is the law of Allah or the law of Jahve or the law of Adonai, and the secret of Allah or the secret of Jahve or the secret of Adonai, which is not understood by all people in the world, including all Muslims in the world.

Well, now, if there are people, in the world, like followers of Jesus in the world, who believe, after Jesus was crucified, Friday, and died, then, on Sunday, 3 days later, come back to life with his body, like before cross, then that belief is contrary to Allah's law or Jahve's law or Adonai's law, regarding "*...our spirit...(Maryam: 19: 17)* or "*...my spirit...(Shaad : 38: 72)* or "*...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which comes out of the human body, which has died, incarnates into the body of a human, animal, plant, which is still alive.

Or in other words, anything that lives in the universe or in "*...seven skys...(Al Mulk : 67: 3)* follow the law of the incarnation.

It means, "*...our spirit...(Maryam: 19: 17)* or "*...my spirit...(Shaad : 38: 72)* or "*...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, when it comes out of the human body, which has died, incarnates into the body of a living human, animal, plant.

Now, another question arises,

Why did Allah or Jahve or Adonai make the law of the incarnation, as a law that applies in the universe or in "*...seven skys...(Al Mulk : 67: 3)* ?

Because, "*...our spirit...(Maryam: 19: 17)* or "*...my spirit...(Shaad : 38: 72)* or "*...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, created with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, will live to the age of **10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000** years.

So, now, if Muslims in the world still believe, when humans come back to life, from the grave, out of the grave, complete, with a body, as when they were still alive in the world, then that belief is an untrue belief, contrary to the law of incarnation, as a law that applies in the universe or in "*...seven skys...(Al Mulk: 67: 3)*

As for the verse declared by Allah or Jahve or Adonai "*...when spirit are brought together (At Takwiir: 81: 7)* refers to "*...our spirit...(Maryam: 19: 17)* or "*...my spirit...(Shaad : 38: 72)* or "*...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which has actually a body of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So "*...our spirit...(Maryam: 19: 17)* or "*...my spirit...(Shaad : 38: 72)* or "*...the spirit of Allah...(Shaad :*

38: 72) or the spirit of Jahve or the spirit of Adonai, not being reunited with the body, like the body when it was still alive in the world.

## CONCLUSION

The conclusions that can be drawn from the explanation above are the secret contained behind the verse: *"...Our spirit incarnated ...the perfect human. (Maryam: 19: 17)"... I breathed into human my spirit... (Shaad :38:72)*

Well, it turns out, here Allah or Jahve or Adonai, has opened a secret to all people in the world, regarding, *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which is composed of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, when it leaves the human body, who have died, incarnated into the body of humans, animals, plants, which are still alive.

Now, the question arises,

Why did Allah or Jahve or Adonai declare, *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, when it leaves the human body, which has died, incarnates into the body of a human, animal, plant, which is still alive?

The answer is in the secret behind the verse: *"...Our spirit incarnated ...the perfect human. (Maryam: 19: 17)*

Well, *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, when it comes out of the human body, which has died, incarnates into the body of a living human, animal, plant.

So, the human body, which has died, returns to being Allah's energy, while *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which comes out of the body of a human, who has died, incarnates into the body of a human, animal, plant, who is still alive.

This, is the law of Allah or the law of Jahve or the law of Adonai, and the secret of Allah or the secret of Jahve or the secret of Adonai, which is not understood by all people in the world, including all Muslims in the world.

Well, now, if there are people, in the world, like followers of Jesus in the world, who believe, after Jesus was crucified, Friday, and died, then, on Sunday, 3 days later, come back to life with his body, like before cross, then that belief is contrary to Allah's law or Jahve's law or Adonai's law, regarding *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which comes out of the human body, which has died, incarnates into the body of a human, animal, plant, which is still alive.

Or in other words, anything that lives in the universe or in *"...seven skys...(Al Mulk : 67: 3)* follow the law of the incarnation.

It means, *"...our spirit...(Maryam: 19: 17)* or *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of Adonai, which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, when it comes out of the human body, which has

died, incarnates into the body of a living human, animal, plant.

Now, another question arises,

Why did Allah or Jahve or Adonai make the law of the incarnation, as a law that applies in the universe or in "...seven skys...(Al Mulk : 67: 3) ?

Because, "...our spirit...(Maryam: 19: 17) or "...my spirit...(Shaad : 38: 72) or "...the spirit of Allah...(Shaad : 38: 72) or the spirit of Jahve or the spirit of Adonai, created with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, will live to the age of **10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000** years.

So, now, if Muslims in the world still believe, when humans come back to life, from the grave, out of the grave, complete, with a body, as when they were still alive in the world, then that belief is an untrue belief, contrary to the law of incarnation, as a law that applies in the universe or in "...seven skys...(Al Mulk: 67: 3)

As for the verse declared by Allah or Jahve or Adonai "...when spirit are brought together (At Takwiir: 81: 7) refers to "...our spirit...(Maryam: 19: 17) or "...my spirit...(Shaad : 38: 72) or "...the spirit of Allah...(Shaad : 38: 72) or the spirit of Jahve or the spirit of Adonai, which has actually a body of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So "...our spirit...(Maryam: 19: 17) or "...my spirit...(Shaad : 38: 72) or "...the spirit of Allah...(Shaad : 38: 72) or the spirit of Jahve or the spirit of Adonai, not being reunited with the body, like the body when it was still alive in the world.
