ABSTRACT

First of all, by asking forgiveness from Allah SWT here the author tries to reveal the signs of Allah SWT's greatness regarding paradise and hell on earth today, how humans can know paradise and hell are around humans, based on photons, quarks and the molecular structure of nucleic acids. or deoxyribonucleic acid (DNA)

In the Qur'an found several verses that are the key to unlocking the secrets of paradise and hell on earth today, how humans can know paradise and hell are around humans, namely the verses:

"And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the heavens and the earth, which is prepared for those who are pious." (Ali 'Imran: 3:133)

"And between the two there is a boundary; and above A'raaf there are people who know each of the two groups by their signs. And they call out to the people of Paradise: "Salaamun 'alaikum." They have not yet entered it, while they want it immediately (Al A'raaf: 7: 46)

"Allah promises the believers, male and female, paradise under which rivers flow, they will abide therein, there are good places in paradise 'Adn. And Allah's pleasure is greater; that is great fortune. (At Taubah: 9:72)

"Indeed Allah will admit those who believe and do righteous deeds into Paradises beneath which rivers flow. In Paradise they are adorned with gold and pearl bracelets, and their clothing is silk. (Al Hajj :22:23)

"Glory be to Him who, if He willed, He would have made for you something better than this, gardens beneath which rivers flow, and He made for you palaces. (Al-Furqaan: 25:10)

"And give good tidings to those who believe and do good, that for them there are provided gardens with rivers flowing in them. Every time they are given sustenance of fruit in those paradises, they say: "This is what was given to them. us first." They are given similar fruits and for them are pure wives and they will abide therein (Al Baqarah: 2:25)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

Allah said: "Enter all of you into hell with the jinn and humans who went before you. Every time a people enter, he curses his friend; so that when they all enter say those who enter later among them say to those who entered earlier: "Our Lord, they have led us astray, so bring upon them a double torment from hell." Allah said: "Each one gets a double, but you do not know." (Al A'raaf : 7:38)

"So when I have perfected the event and I have breathed into it My spirit; then you should fall down prostrating to it." (Shaad : 38:72)

"Enter you into heaven, you and your wives will be rejoiced." (Az Zukhruf: 43:70)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"And when the spirits are met (At Takwiir: 81: 7)

"And everything they have done is recorded in the books of records (Al Qamar: 54: 52)

"Read your book, it is enough for yourself at this time as a remembrance against you." (Al Israa': 17: 14)

"When two angels record their deeds, one sits on the right and the other sits on the left. (Qaaf: 50:17)

"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"Say: "O Allah, Creator of the heavens and the earth, Who knows the unseen and the real, You are the One who decides between Your servants what they always argue about." (Az Zumar: 39: 46)

In an effort to open the veil about paradise and hell on earth today, how humans can know paradise and hell are around humans, the author bases on photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that paradise and hell exist on earth today, paradise and hell are all around humans, paradise and hell can be searched and found, based on photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

THROUGH ALLAH'S SPIRIT COMING OUT OF THE BODY OF HUMANS WHO HAVE DIED AND BURIED IN THE SOIL, HUMANS CAN SEARCH AND FIND PARADISE AND HELL

Now we continue to focus our minds on revealing the secrets hidden behind the verse: *"...a paradise whose breadth is as wide as the heavens and the earth...(Ali 'Imran: 3: 133)*

It turns out that paradise is actually above the expanse of space or what is called the sky where the earth and other planets are above it. Paradise is above the room as the earth is above it.

Well, because paradise and earth are both above the expanse of space, then paradise is on earth right now.

Now, because paradise is on this earth, hell is also on earth right now. Paradise and hell are not far apart, where there is paradise there is hell.

ALLAH'S SPIRIT COMING OUT FROM THE DEAD HUMAN BODY, THE WAY TO PARADISE AND HELL

Now, because paradise and hell are on earth today, humans can know where paradise and hell are actually located right now.

Now, after 30 days of dead humans being buried, out *"...my spirit...(Shaad : 38:72)* or *"...Allah's spirit...(Shaad : 38:72)* which is built by hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, gathered in one place not far from the grave.

Well, now, humans are built with **7 000000000 000000000 000000000** atoms, where some of those atoms are *"...Allah's spirit...(Shaad : 38:72)*

All the atoms that come out of the human body, atoms that do not belong to the *"...Allah's spirit...(Shaad : 38:72)* gather, some continue to the atmosphere, such as nitrogen atoms, hydrogen atoms, some atoms absorbed by plants, such as carbon atoms, there are atoms that are inhaled by humans and animals, such as oxygen atoms.

Meanwhile, the atoms that constitute the building of *"...Allah's spirit...(Shaad : 38:72)* namely hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, gather in a place where there is paradise and there is hell.

Now, *"...Allah's spirit...(Shaad : 38:72)* that comes out of the body of a dead man who is buried is waiting for a decision from Allah. *"...Allah's spirit...(Shaad : 38:72)* this does not go far from the grave, because Allah will command *"...Allah's spirit...(Shaad : 38:72)* to read the recording". *.deeds ... (Qaaf: 50: 17)* from birth to death that is stored in the sky 2 to sky 7.

Now, when Allah commanded *"Read your book, it is enough for yourself at this time as a judgment against you." (Al Israa ' : 17: 14)*

It turns out that, in just a few minutes, the conclusion of *"... deeds... (Qaaf: 50:17)* that has been done, both visible and invisible, from birth to death, if the conclusion is *"... deeds ... (Qaaf: 50: 17)* more follow what has been commanded by Allah, then Allah decides *"...Allah's spirit...(Shaad : 38:72)* *"Enter you into paradise , you and your wives are rejoiced" (Az Zukhruf: 43: 70)*

Likewise, if the conclusion *"... deeds ... (Qaaf: 50: 17)* do not follow much of what Allah has commanded, then Allah decides *"Enter all of you into hell with the jinn and humans who have before*

you...(Al A'raaf : 7: 38)

Well, now, because “*...Allah's spirit...(Shaad : 38:72)* is not far from the place of the grave, when Allah commanded “*Enter you into heaven...(Az Zukhruf: 43:70)* or “*Enter all of you into hell...(Al A'raaf: 7:38)*, then “*...Allah's spirit...(Shaad : 38:72)* enter “*...into paradise... (Az Zukhruf: 43:70)* or enter “*...into hell...(Al A'raaf: 7:38)*

So, actually, “*...paradise...(Az Zukhruf : 43:70)* and “*...hell...(Al A'raaf : 7:38)* are not far from the grave. Or in other words , the door “*...paradise...(Az Zukhruf : 43: 70)* and the door “*...hell...(Al A'raaf : 7: 38)* is around the grave.

HOW HUMANS KNOW THE DOORS OF PARADISE AND THE DOORS OF HELL ARE AROUND THE TOMB

Well, “*...Allah's spirit...(Shaad : 38:72)* when making contact with others “*...Allah's spirit...(Shaad : 38:72)* either in paradise or in hell , using frequency vibrations below the electromagnetic spectrum region of 430 nanometers or frequency vibrations above the region of the electromagnetic spectrum 740 nanometers.

Now, because in a living human body there is “*...Allah's spirit...(Shaad : 38:72)* , then “*...Allah's spirit...(Shaad : 38:72)* that is in the human body can make contact with “*...Allah's spirit...(Shaad : 38:72)* who is in paradise and who is in hell.

The question now is,

How do humans know that in their bodies there is “*...the spirit of Allah...(Shaad: 38:72)* ?

His answer was “*...I breathed on him my spirit...(Shaad: 38:72)*” “*...We are closer to him than his jugular vein.” (Qaf: 50:16)*

Well, “*...my spirit...(Shaad : 38:72)* or “*...Allah's spirit...(Shaad : 38:72)* is above the human mind. That is, something that is beyond the reach of the human mind, is in “*...Allah's spirit...(Shaad : 38:72)*

So, “*...Allah's spirit...(Shaad : 38:72)* which controls the human mind.

Now, when “*...the spirit of Allah...(Shaad : 38:72)* which is in the human body makes contact with “*...spirit of Allah...(Shaad : 38:72)* which is in paradise and in the hell, then the result of that contact is conveyed by “*...Allah's spirit...(Shaad : 38:72)* which is in the human body to the human mind.

With the notification from “*...Allah's spirit...(Shaad : 38:72)* that is in the human body to the human mind, then humans will know where the gates of heaven and hell are located.

CONCLUSION

Based on the description above, we can conclude that because paradise and hell are on earth today, humans can know where paradise and hell are actually located right now.

Now, after 30 days of dead humans being buried, out “*...my spirit...(Shaad : 38:72)* or “*...Allah's spirit...(Shaad : 38:72)* which is built by hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, gathered in one place not far from the grave.

Well, now, humans are built with 7 000000000 000000000 000000000 atoms, where some of those

atoms are “...*Allah's spirit...*(*Shaad : 38:72*)

All the atoms that come out of the human body, atoms that do not belong to the “...*Allah's spirit...*(*Shaad : 38:72*) gather, some continue to the atmosphere, such as nitrogen atoms, hydrogen atoms, some atoms absorbed by plants, such as carbon atoms, there are atoms that are inhaled by humans and animals, such as oxygen atoms.

Meanwhile, the atoms that constitute the building of “...*Allah's spirit...*(*Shaad : 38:72*) namely hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, gather in a place where there is paradise and there is hell.

Now, “...*Allah's spirit...*(*Shaad : 38:72*) that comes out of the body of a dead man who is buried is waiting for a decision from Allah. “...*Allah's spirit...*(*Shaad : 38:72*) this does not go far from the grave, because Allah will command “...*Allah's spirit...*(*Shaad : 38:72*) to read the recording”.. *.deeds ... (Qaaf: 50: 17)* from birth to death that is stored in the sky 2 to sky 7.

Now, when Allah commanded “*Read your book, it is enough for yourself at this time as a judgment against you.*” (*Al Israa ' : 17: 14*)

It turns out that, in just a few minutes, the conclusion of “... *deeds... (Qaaf: 50:17)* that has been done, both visible and invisible, from birth to death, if the conclusion is “... *deeds ... (Qaaf: 50: 17)* more follow what has been commanded by Allah, then Allah decides “...*Allah's spirit...*(*Shaad : 38:72*) “*Enter you into paradise , you and your wives are rejoiced*” (*Az Zukhruf: 43: 70*)

Likewise, if the conclusion “... *deeds ... (Qaaf: 50: 17)* do not follow much of what Allah has commanded, then Allah decides “*Enter all of you into hell with the jinn and humans who have before you...*(*Al A'raaf : 7: 38*)

Well, now, because “...*Allah's spirit...*(*Shaad : 38:72*) is not far from the place of the grave, when Allah commanded “*Enter you into heaven...*(*Az Zukhruf: 43:70*) or “*Enter all of you into hell...*(*Al A'raaf: 7:38*), then “...*Allah's spirit...*(*Shaad : 38:72*) enter” “...*into paradise...* (*Az Zukhruf: 43:70*) or enter “...*into hell...*(*Al A'raaf: 7:38*)

So, actually, “...*paradise...*(*Az Zukhruf : 43:70*) and “...*hell...*(*Al A'raaf : 7:38*) are not far from the grave. Or in other words , the door “...*paradise...*(*Az Zukhruf : 43: 70*) and the door “...*hell...*(*Al A'raaf : 7: 38*) is around the grave.

Well, “...*Allah's spirit...*(*Shaad : 38:72*) when making contact with others “...*Allah's spirit...*(*Shaad : 38:72*) either in paradise or in hell , using frequency vibrations below the electromagnetic spectrum region of 430 nanometers or frequency vibrations above the region of the electromagnetic spectrum 740 nanometers.

Now, because in a living human body there is “...*Allah's spirit...*(*Shaad : 38:72*) , then “...*Allah's spirit...*(*Shaad : 38:72*) that is in the human body can make contact with “...*Allah's spirit...*(*Shaad : 38:72*) who is in paradise and who is in hell.

The question now is,

How do humans know that in their bodies there is “...*the spirit of Allah...*(*Shaad: 38:72*) ?

His answer was “...*I breathed on him my spirit...*(*Shaad: 38:72*)” “...*We are closer to him than his jugular vein.*” (*Qaf: 50:16*)

Well, “...*my spirit...*(*Shaad : 38:72*) or “...*Allah's spirit...*(*Shaad : 38:72*) is above the human mind. That is, something that is beyond the reach of the human mind, is in “...*Allah's spirit...*(*Shaad : 38:72*)

So, “...*Allah's spirit...*(*Shaad : 38:72*) which controls the human mind.

Now, when “...the spirit of Allah...(Shaad : 38:72) which is in the human body makes contact with “...spirit *of Allah...*(*Shaad : 38:72*) which is in paradise and in the hell, then the result of that contact is conveyed by “...*Allah's spirit...*(*Shaad : 38:72*) which is in the human body to the human mind.

With the notification from “...*Allah's spirit...*(*Shaad : 38:72*) that is in the human body to the human mind, then humans will know where the gates of heaven and hell are located.
