ABSTRACT

Before the author writes about pig the same as Europeans, Americans and all humans around the world, based on DNA, the author first asked forgiveness from Allah SWT. Here the author tries to open the veil that covers the secrets about pig the same as Europeans, Americans and all humans around the world, based on DNA, based on deoxyribonucleic acid (DNA).

There are several verses that reveal the secret about pig the same as Europeans, Americans and all humans around the world, based on DNA, namely the verses:

"Indeed, Allah has only forbidden you carrion, blood, pork and what is slaughtered in a name other than Allah, but whoever is forced to eat it without wronging or transgressing limits, then indeed Allah is Forgiving, Most Merciful. (An Nahl: 115 : 16)

"Say: "I did not find in the revelation that was revealed to me, anything that is forbidden for anyone who wants to eat it, except if it is food... pork.. (Al An'aam: 6: 145)

"On this day...The food of those who were given the Book is halal for you, and your food is halal for them...(Maa'idah : 5: 5)

"Forbidden to you... pork... (Al Maa'idah: 5: 3)

In an effort to open the veil of secrets about pig the same as Europeans, Americans and all humans around the world, based on DNA, the author uses the basis of deoxyribonucleic acid.

HYPOTHESES

Here the author proposes hypothesis pig the same as Europeans, Americans and all humans around the world, based on DNA, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a storage place for genetic information that has a double structure forms a double helix and contains structured polynucleotide macromolecules repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5 carbon sugar and one of the nitrogen bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 nitrogen atom oxygen and 5 hydrogen atoms. Adenine (A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43%

nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are found in abundance around us and in the atmosphere.

PIG THE SAME AS EUROPEANS, AMERICANS AND ALL HUMAN AROUND THE WORLD, BASED ON DNA

So now, we are still trying to focus our minds to uncover the secrets stored in the verses: *"Indeed, Allah has only forbidden you... pork...(An Nahl: 115: 16)*

Here Allah declares *"...Allah has only forbidden you... pork...(An Nahl: 115: 16)*

Now the question arises,

Why *"...Allah has only forbidden you...pork...(An Nahl: 115: 16)* ?

Well, the answer is,

If we study the similarities between humans and pigs based on DNA structure, the similarities are very close. Where the protein structure in the pig's body is the same as the protein structure in the human body. Therefore, it was once made from small piglets where the protein composition was taken to make insulin.

So, actually there are similarities between pork and human flesh.

This is the real secret, why *"...Allah has only forbidden you...pork...(An Nahl: 115: 16)*

Now, pigs' bodies can be used to plant hearts, livers, lungs and kidneys.

With the help of the Cas9 enzyme which is injected into pig cells and with Cas9 scissors, human DNA can be implanted into a pig's DNA fetus.

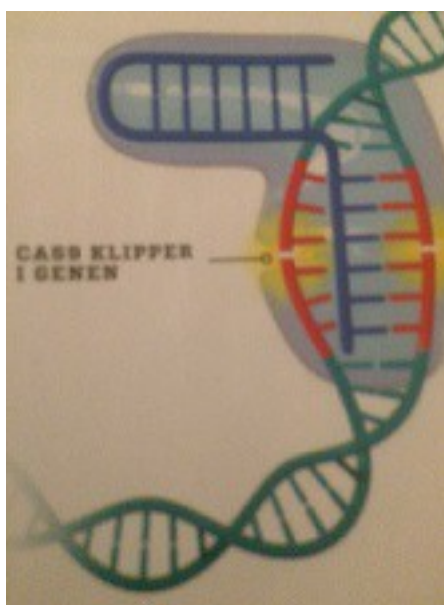

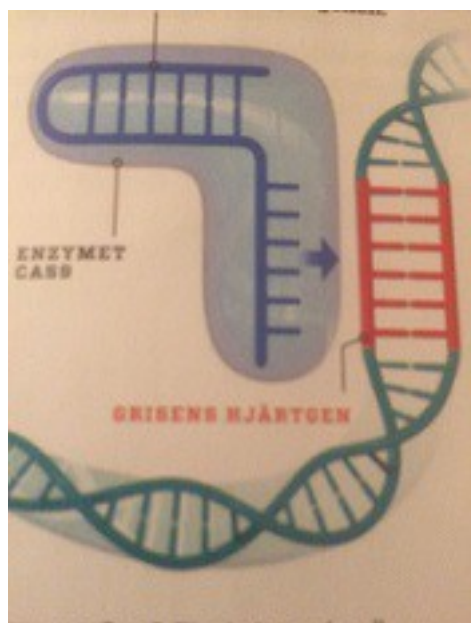

Figure 1: With the help of the Cas9 enzyme which is injected into pig cells and with the Cas9 scissors

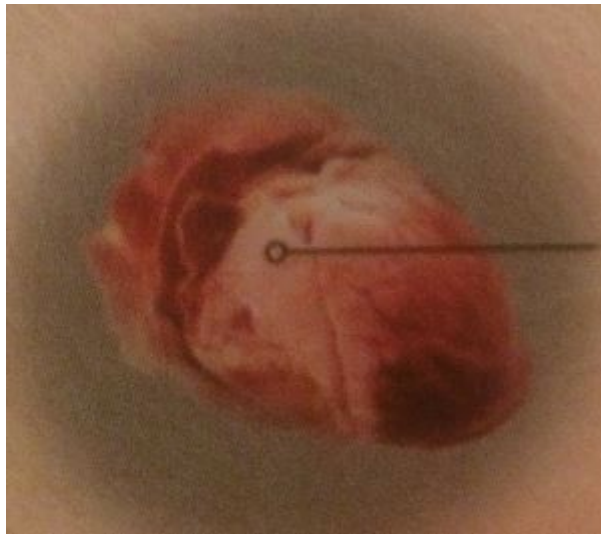

Figure 2: A human heart growing in a pig's body

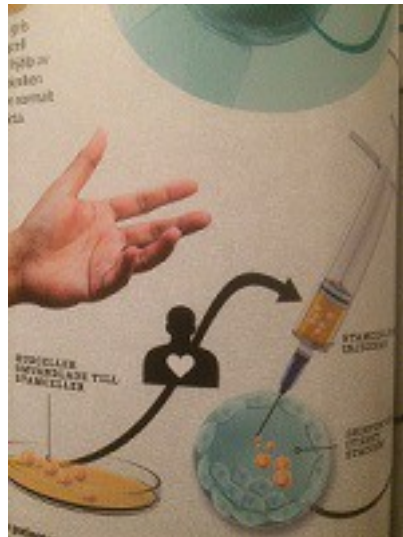

Figure 3: Human stem cells are injected into young pig fetuses.

Now it is revealed, why Allah forbids eating pork, because pork is the same as human flesh *"...Allah has only forbidden you...pork...(An Nahl: 115: 16)*

Well, we are still trying to rack our minds to uncover the secret behind the verse: *"...those who were given the Book...(Maa'idah: 5: 5)*

It turns out that the people who were given the book were some of the prophets whose ancestors were Jews. From Prophet Noah to Prophet Isa, based on Deoxyribonucleic acid (DNA).

So, if we dig deeper into the descendants from the Prophet Noah to the Prophet Isa, based on Deoxyribonucleic acid (DNA), it will be revealed that haplogroup J gave birth to J1 and J2, which are the ancestors of the Jewish people.

Where haplogroup J was formed 25,000 years ago, in the border area between Saudi Arabia, Jordan and Egypt. Jews, haplogroup J, from the border between Saudi Arabia and Jordan entered Egypt and

Iraq (Familytreedna)

Now if we examine the descendants of the Prophet Noah, namely the Prophet Abraham who came from Ur, in Iraq. Also the Prophet Moses came from Egypt.

Now another question arises,

Why was Prophet Abraham in Ur and Prophet Moses in Egypt?

The answer is

Because the ancestors of these Jews who came from the border between Saudi Arabia and Jordan emigrated to Egypt and Iraq, around 2000-1500 BC.

So, now let's continue to reveal the secret behind the verse: *"On this day...The food of those who were given the Book is halal for you, and your food is halal for them...(Maa'idah : 5: 5)*

It turns out that the food eaten by the Jewish Prophets can be eaten by Muslims *"On this day... (Maa'idah: 5: 5)* namely after the Prophet Muhammad SAW performed the Hajj Wada', namely the last Hajj, before the Prophet Muhammad SAW was summoned by Allah to face Allah.

Well, there's another question,

Why didn't the Jewish prophets eat pork?

The answer is hidden behind the verse: *"On this day...The food of those who were given the Book is halal for you...(Maa'idah: 5: 5)*

This means that foods that are forbidden in the Qur'an include eating pork, which is also forbidden in the Jewish books.

So actually, *"...Allah has only forbidden you...pork...(An Nahl: 115: 16)* because, indeed, pork is the same as human flesh based on the structure of DNA.

Or in other words, pig the same as Europeans, Americans and all humans around the world, based on DNA.

CONCLUSION

Based on the description above we can conclude that the secrets stored in the verses: *"Indeed, Allah has only forbidden you... pork...(An Nahl: 115: 16)*
