**ABSTRACT**

Before the author writes about some humans go to the grave to find blessings, what blessings are actually getting from people who have died in the grave, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret that some humans go to the grave to find blessings, what blessings are actually getting from people who have died in the grave, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about some humans go to the grave to find blessings, what blessings are actually getting from people who have died in the grave, namely the following verses:

*"Allah...the light of the skys and the earth...a light upon a light...(An Nuur : 24: 35)*

*"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected what happened, and have breathed into him My spirit, then submit to him with prostration (Al Hjr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And it is not possible for a human being that Allah communicates with him except by means of revelation or behind a veil or by sending a messenger and then revealing to him with His permission what He wills. Verily, He is Most High, Most Wise. (Asy Shuura : 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the request of a person who prays when he asks Me, then let them fulfill it and let them believe in Me, so that they are always in truth (Al Baqarah: 2: 186)*

*"those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "O our Lord, you did not create this in vain, Glory be to You, so protect us from the torment of hell. (Ali 'Imran : 3: 191)*

*"He is the First and the Last, the Zhahir and the Inner; and He is All-Knowing of all things. (Al Hadiid: 57: 3)*

*"God did not create and resurrect you except as one soul. Verily, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)*

*"and when the souls are brought together (At Takwiir: 81: 7)*

*"Read your book, suffice yourself at this time as a reckoning for you." (Al Israa' : 17: 14)*

*"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36: 9)*

*"Allah holds the soul when it dies and the soul that has not died in its sleep; then He holds the soul for which He has ordained death and He releases another soul until the appointed time. Verily in that there are signs of Allah's power for people who think .(Az Zumar : 39: 42)*

*"And indeed We have created man from an extract from the ground. (Al Mu'minuun: 23: 12)*

*"He is Allah, who made everything on earth for you and He willed the skys, then made seven skys. And He is All-Knower of all things. (Al Baqarah: 2: 29)*

*"Who has created the seven skys in layers. You never see in the creation of God the Most Gracious something that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"The seven skys, the earth and all that is in them glorify Allah. And nothing but glorifies Him with praise, but you all do not understand their tasbih. Surely He is Most Forbearing, Most Forgiving. (Al Israa ': 17 :44)*

*"And the trumpet is blown, so suddenly they come out immediately from their graves to their God. (Yaasiin : 36: 51)*

*"Paradise 'Adn which they enter into, beneath which rivers flow, in that paradise they will find whatever they desire... (An Nahl: 16: 31)*

*"When two angels record their deeds, one sits on the right and the other sits on the left. (Qaf: 50: 17)*

*"And everything they have done is recorded in the record books (Al Qamar: 54: 52)*

*"And hasten to forgiveness from your Lord and to a paradise whose breadth as the heavens and the earth is reserved for those who fear Allah, (Ali 'Imran: 3: 133)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

In an effort to uncover Allah's secret veil about some humans go to the grave to find blessings, what blessings are actually getting from people who have died in the grave, the author uses the basis of deoxyribonucleic acid.

## **HYPOTHESIS**

Here the author proposes a hypothesis that some humans go to the grave to find blessings, the true blessings obtained from people who have died in the graves, are oxygen atoms, hydrogen atoms, carbon atoms and nitrogen atoms, based on Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## **QUARK**

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are

combined with a gluon.

## DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## SOME HUMANS GO TO THE GRAVE TO FIND BLESSINGS, WHAT BLESSINGS ARE ACTUALLY GETTING FROM PEOPLE WHO HAVE DEAD IN THE GRAVE

Now, we are still concentrating on dismantling the secret contained behind the verse: *"...I breathed into human of my spirit...(Shaad : 38: 72)"...they come out of their graves immediately...(Yaasiin : 36: 51) "... everything they have done is recorded in the notebooks (Al Qamar : 54: 52)" Read your book, enough yourself at this time as a reckoning against you (Al Israa ' : 17: 14 )*

Well, here Allah declares: *"...they come out of their graves immediately...(Yaasiin : 36: 51)*

Now the question arises,

What *"... came out of the grave immediately... (Yaasiin : 36: 51) ?*

The answer is in the secret behind the verse: *"...I breathed into human of my spirit...(Shaad : 38: 72)*

Well, *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) who "...come out of their graves immediately...(Yaasiin : 36: 51)*

Then, another question arises,

How long will *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) who "...come out of their graves immediately...(Yaasiin : 36: 51) ?*

Well, the answer is, *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) who "...come out of their graves immediately...(Yaasiin : 36: 51) after 30 days in the grave.*

Where *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) "...come out of their graves immediately...(Yaasiin : 36: 51) after 30 days in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.*

So, actually, *"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms who "... come out of their graves...(Yaasiin: 36: 51) after 30 days in the grave.*

Likewise with the 7 000000000 000000000 000000000 atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which are the building blocks of the human body, "...

*come out of their graves... (Yaasiin: 36: 51)*

So, actually, **7 000000000 000000000 000000000** atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which make up the human body, "*... come out of their graves... (Yaasiin: 36: 51)*" after 30 days in the grave

Now, another question arises,

What exactly is meant by some people going to the grave to seek blessings from people who have died in the grave?

Well, the answer is, **7 000000000 000000000 000000000** atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which make up the human body, "*... come out of their graves... (Yaasiin: 36: 51)*" after 30 days in the grave, which became a blessing.

Why are hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which are the building blocks of the human body, which "*... come out of their graves... (Yaasiin: 36: 51)*" after 30 days in the grave, which becomes a blessing?

Because, **7 000000000 000000000 000000000** atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, are the building blocks of the human body that are needed by living humans, living animals, plants, fungi, amoebas, bacteria.

So, in fact, the oxygen atoms and carbon atoms that form carbon dioxide that comes out of the bodies of people who have died in the grave are absorbed by plants, carbon atoms are taken by plants to be used as glucose, as food for plants, while oxygen atoms are released, inhaled by humans, animals, fungi, bacteria and amoeba. Meanwhile, hydrogen atoms and nitrogen atoms come out of the bodies of people who have died in the grave, rising into the atmosphere.

So, actually, some people who go to the grave to seek blessings from people who have died in the grave, will receive a blessing in the form of oxygen atoms released by plants that previously absorbed carbon dioxide that came out of the bodies of people who had died in the grave.

Well, this is Allah's secret, which is not understood by most of the people in the world, the blessing that is obtained from people who have died in the grave is oxygen atoms. Because humans, animals, fungi, bacteria and amoebas without oxygen atoms will die.

Only, of course, "*...my spirit...(Shaad : 38: 72)*" or "*...Allah's spirit...(Shaad : 38: 72)*" which takes the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen which is included in **7 000000000 000000000 000000000** atoms will leave the body of the person who dies in the grave after 30 days.

When it comes out "*...my spirit...(Shaad : 38: 72)*" or "*...Allah's spirit...(Shaad : 38: 72)*" in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms which included in the **7 000000000 000000000 000000000** atoms of the body of the person who died in the grave, then the grave is empty, leaving only a small part of the bones.

So, if some people come to the grave to seek blessings in the form of oxygen atoms from a person who has died, a few months after that person died, then the grave is empty, only a small part of the bones remain, so there are no more blessings in the form of oxygen atom.

Because "*...my spirit...(Shaad : 38: 72)*" or "*...Allah's spirit...(Shaad : 38: 72)*" has been commanded by

Allah *"Read your book, only yourself at this time as the reckoning against you (Al Israa' : 17: 14).*

Well, *".. the notebook (Al Qamar: 54: 52)* was given to *"...my spirit...(Shaad : 38: 72)* to read *"Read your book...(Al Israa': 17: 14)*

If *".. the notebook (Al Qamar: 54: 52)* of deeds throughout his life follow the instructions of Allah, then *"...my spirit...(Shaad: 38: 72)* gathers in *"...paradise 'Adn...(An Nahl: 16: 31)*

Likewise, if *".. the notebook (Al Qamar: 54: 52)* of deeds during his life outside the way of Allah, then it is said to *"...my spirit..." (Shaad: 38: 72)* *"Enter all of you into in hell...(Al A'raaf : 7: 38)* gather in *"...hell...(Al A'raaf : 7: 38)*

## CONCLUSION

The conclusions that can be drawn from the explanation above are the secret contained behind the verse: *"...I breathed into human of my spirit...(Shaad : 38: 72)"...they come out of their graves immediately...(Yaasiin : 36: 51)* *"... everything they have done is recorded in the notebooks (Al Qamar : 54: 52)" Read your book, enough yourself at this time as a reckoning against you (Al Israa ' : 17: 14 )*

Well, here Allah declares: *"...they come out of their graves immediately...(Yaasiin : 36: 51)*

Now the question arises,

What *"... came out of the grave immediately... (Yaasiin : 36: 51) ?*

The answer is in the secret behind the verse: *"...I breathed into human of my spirit...(Shaad : 38: 72)*

Well, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* who *"...come out of their graves immediately...(Yaasiin : 36: 51)*

Then, another question arises,

How long will *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* who *"...come out of their graves immediately...(Yaasiin : 36: 51) ?*

Well, the answer is, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* who *"...come out of their graves immediately...(Yaasiin : 36: 51)* after 30 days in the grave.

Where *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* *"...come out of their graves immediately...(Yaasiin : 36: 51)* after 30 days in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So, actually, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms who *"... come out of their graves...(Yaasiin: 36: 51)* after 30 days in the grave.

Likewise with the **7 000000000 000000000 000000000** atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which are the building blocks of the human body, *"... come out of their graves... (Yaasiin: 36: 51)*

So, actually, **7 000000000 000000000 000000000** atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which make up the human body, *"... come out of their graves... (Yaasiin: 36: 51)* after 30 days in the grave

Now, another question arises,

What exactly is meant by some people going to the grave to seek blessings from people who have died in the grave?

Well, the answer is, **7 000000000 000000000 000000000** atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which make up the human body, *"... come out of their graves... (Yaasiin: 36: 51)* after 30 days in the grave, which became a blessing.

Why are hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, which are the building blocks of the human body, which *"... come out of their graves... (Yaasiin: 36: 51)* after 30 days in the grave, which becomes a blessing?

Because, **7 000000000 000000000 000000000** atoms, including hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms, are the building blocks of the human body that are needed by living humans, living animals, plants, fungi, amoebas, bacteria.

So, in fact, the oxygen atoms and carbon atoms that form carbon dioxide that comes out of the bodies of people who have died in the grave are absorbed by plants, carbon atoms are taken by plants to be used as glucose, as food for plants, while oxygen atoms are released, inhaled by humans, animals, fungi, bacteria and amoeba. Meanwhile, hydrogen atoms and nitrogen atoms come out of the bodies of people who have died in the grave, rising into the atmosphere.

So, actually, some people who go to the grave to seek blessings from people who have died in the grave, will receive a blessing in the form of oxygen atoms released by plants that previously absorbed carbon dioxide that came out of the bodies of people who had died in the grave.

Well, this is Allah's secret, which is not understood by most of the people in the world, the blessing that is obtained from people who have died in the grave is oxygen atoms. Because humans, animals, fungi, bacteria and amoebas without oxygen atoms will die.

Only, of course, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* which takes the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen which is included in **7 000000000 000000000 000000000** atoms will leave the body of the person who dies in the grave after 30 days.

When it comes out *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms which included in the **7 000000000 000000000 000000000** atoms of the body of the person who died in the grave, then the grave is empty, leaving only a small part of the bones.

So, if some people come to the grave to seek blessings in the form of oxygen atoms from a person who has died, a few months after that person died, then the grave is empty, only a small part of the bones remain, so there are no more blessings in the form of oxygen atom.

Because *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* has been commanded by Allah *"Read your book, only yourself at this time as the reckoning against you (Al Israa' : 17: 14).*

Well, *".. the notebook (Al Qamar: 54: 52)* was given to *"...my spirit...(Shaad : 38: 72)* to read *"Read your book...(Al Israa': 17: 14)*

If "*.. the notebook (Al Qamar: 54: 52)* of deeds throughout his life follow the instructions of Allah, then "*...my spirit...(Shaad: 38: 72)* gathers in "*...paradise 'Adn...(An Nahl: 16: 31)*

Likewise, if "*.. the notebook (Al Qamar: 54: 52)* of deeds during his life outside the way of Allah, then it is said to "*...my spirit..." (Shaad: 38: 72)* "*Enter all of you into in hell...(Al A'raaf : 7: 38)* gather in "*...hell...(Al A'raaf : 7: 38)*
