ABSTRACT

Before the author writes about the Jews think about Allah or Jahve as humans who have work hard for six days, then rest, full Saturday, the author first begs forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of the Jews think about Allah or Jahve as humans who have work hard for six days, then rest, full Saturday, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secrets about the Jews think about Allah or Jahve as humans who have work hard for six days, then rest, full Saturday, namely the following verses:

*"Allah is the light of the skys and the earth... the light upon the light of Allah guides to His light... (An Nuur : 24: 35)*

*"And indeed We have created man from an extract from the soil (Al Mu'minuun: 23: 12)*

*"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected what happened, and have breathed into him My spirit, then submit to him with prostration (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And they ask you about the spirit. Say: "The spirit is among the affairs of my Lord, and you were not given knowledge but a little." (Al Israa ': 17: 85)*

*"And Maryam bint Imran who maintains her honor, then We blow into Maryam's womb Our spirit, and she confirms the words of her Lord and His Books, and she is one of those who obey. (At Tahrir: 66: 12)*

*"So Maryam made a veil from them; then We sent Our spirit to Maryam, so Our spirit became incarnated before Maryam, a perfect human being. (Maryam: 19: 17)*

*"And when My servants ask you about Me, then, that I am near. I grant the request of the person who prays when he asks Me, then let them fulfill it and let them believe in Me, so that they are always in the truth .(Al Baqarah: 2: 186)*

*"He is the First and the Last, the Zhahir and the Inner; and He is All-Knowing of all things. (Al Hadiid: 57: 3)*

*"He arranges affairs from skys to earth, then it rises to Him in one day, the amount of which is a thousand years according to your calculations (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose value is fifty thousand years (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of God the Most Gracious something that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"He created the skys and the earth with haq. He shaped your appearance and beautified your appearance and only to Allah is the return (At Taghaabun: 64: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Surely Allah is All-Wise, All-Knowing. (Al Baqarah: 2: 115)*

*"And when Moses came at the time We had appointed and the Lord had spoken to him, Moses said, "O my Lord, show me so I can see You." God said: "You cannot see Me, but look at me. that hill, if he stays where he is you can see Me. When his Lord appeared to the mountain, the mountain was crushed to pieces and Moses fell unconscious. After Musa regained consciousness, he said: "Glory to You, I repent to You and I am the first person to believe." (Al A'raaf : 7: 143)*

*"Indeed your Lord is Allah who created the skys and the earth in six days, then He resided on the Throne. He closed the night to the day that followed quickly, and the sun, moon and stars were subject to His commands. Remember, created and ruled only Allah. Glory be to Allah, Lord of the worlds. (Al A'raaf : 7: 54)*

*"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36: 9)*

In an effort to uncover Allah's secret veil about the Jews think about Allah or Jahve as humans who have work hard for six days, then rest, full Saturday, the author uses deoxyribonucleic acid as a base.

## **HYPOTHESIS**

Here the author proposes a hypothesis the Jews think about Allah or Jahve as humans who have work hard for six days, then rest, full Saturday, based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## **QUARK**

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building block of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## **DEOXYRIBONUCLEATED ACID (DNA)**

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine (A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

## **THE JEWS THINK ABOUT ALLAH OR JAHVE AS HUMANS WHO HAVE WORK HARD IN SIX DAYS, THEN REST, FULL SATURDAY**

Now, we are still concentrating on dismantling the secrets contained behind the verses: *"...your God is Allah who created the skys and the earth in six days, then He resided on the 'Arsy...(Al A' raaf : 7: 54)*

Well, it turns out that here Allah is declaring *"...Allah who created the skys and the earth in six days, then He resided on the 'Arsy...(Al A' raaf : 7: 54)*

Apparently, the Jews thought that Allah or Jahve was a human being, who worked to make *"...the skys and the earth in six days...(Al A'raaf: 7: 54)*. After the creation of *"...the skys and the earth in six days...(Al A'raaf: 7: 54)* was completed, then Allah or Jahve rested, one full day.

Or in other words, the Jews think Allah or Jahve *"...created the skys and the earth...(Al A'raaf: 7: 54)* from Sunday to Friday, six days, then Saturday, full rest, which is called the Shabbat.

Well, the thinking of the Jews, shows that Allah or Jahve, is considered a human being, who works hard starting from Sunday to Friday, six days, and the seventh day, full rest.

In fact, it is a symbol, described by Allah or Jahve to all mankind, that Allah or Jahve *"...created the skys and the earth in six days...(Al A'raaf : 7: 54)* not like humans work, six days, then one day off, rather a symbol that refers to Allah or Jahve which is Allah's energy or Jahve's energy *"...the mountain was crushed to pieces...(Al A'raaf : 7: 143)*, Allah particles or Jahve particles *"... wherever you turn there is the face of Allah...(Al Baqarah : 2: 115)* and Allah's spirit or Jahve's spirit *"...I breathed into...(Shaad : 38: 72)* which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atom.

So, actually, when humans speak Allah or Jahve, they are speaking about Allah's energy or Jahve's energy, Allah's particles or Jahve's particles and Allah's spirit or Jahve's spirit.

Well, this, the Jews don't understand.

When Allah or Jahve *"...created the skys and the earth...(Al A'raaf : 7: 54)* it refers to Allah's energy or Jahve's energy which forms quarks, then hydrogen atoms are formed from quarks.

Well, from the energy to form particles in the form of hydrogen atoms, from the hydrogen atoms, suns or stars are formed. Where the hydrogen atoms fuel the sun or stars, so that the sun or stars shine. Likewise, the earth or planets are formed with hydrogen atoms and other atoms, such as carbon atoms, nitrogen atoms, oxygen atoms, helium atoms.

Also in the process of time *"...created the skys and the earth...(Al A'raaf : 7: 54)* takes time *"...six*

days...(Al A'raaf: 7: 54) this too, is symbol. Where "...six days...(Al A'raaf: 7: 54) refers to the time according to the calculation of Allah or Jahve, not according to human calculation.

So, the process of time "...created the skys and the earth...(Al A'raaf: 7: 54) takes "...six days...(Al A'raaf: 7: 54) according to Allah's calculations or Jahve's calculations, if calculated according to human calculations the time process becomes, 300 000 years, based on Allah's law or Jahve's law "...a day whose value is fifty thousand years (Al Ma'aarij: 70:4)

So, actually, starting with Allah's energy or Jahve's energy forming quarks, quarks forming atoms, atoms forming the sun or stars and forming the earth or planets, until it happens like the solar system today, it takes 300 000 years. So not 6 days as considered by the Jews.

Well, this is Allah's secret or Jahve's secret, which is not understood by the Jews and by almost all humans in the world.

Well, this mistake in thinking of the Jews, who made Allah or Jahve considered human, who worked six days, starting from Sunday, ending Friday, Saturday off, which is called the Sabbath.

And this is also because the Jews, do not understand the real Allah or Jahve. Finally, Allah or Jahve is considered by the Jews as a human being who works to make "...the skys and the earth...(Al A'raaf: 7: 54) within "...six days...(Al A'raaf: 7: 54)

Then, time worked Allah or Jahve to make "...the skys and the earth...(Al A'raaf: 7: 54) within "...six days...(Al A'raaf: 7: 54) worn by Jews, starting work on Sunday, finishing Friday, Saturday off, or called Shabbat. Truly, the narrow mindedness of the Jews.

## CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses: "...your God is Allah who created the skys and the earth in six days, then He resided on the 'Arsy...(Al A'raaf: 7: 54)

Well, it turns out that here Allah is declaring "...Allah who created the skys and the earth in six days, then He resided on the 'Arsy...(Al A'raaf: 7: 54)

Apparently, the Jews thought that Allah or Jahve was a human being, who worked to make "...the skys and the earth in six days...(Al A'raaf: 7: 54). After the creation of "...the skys and the earth in six days...(Al A'raaf: 7: 54 was completed, then Allah or Jahve rested, one full day.

Or in other words, the Jews think Allah or Jahve "...created the skys and the earth...(Al A'raaf: 7: 54) from Sunday to Friday, six days, then Saturday, full rest, which is called the Shabbat.

Well, the thinking of the Jews, shows that Allah or Jahve, is considered a human being, who works hard starting from Sunday to Friday, six days, and the seventh day, full rest.

In fact, it is a symbol, described by Allah or Jahve to all mankind, that Allah or Jahve "...created the skys and the earth in six days...(Al A'raaf: 7: 54) not like humans work, six days, then one day off, rather a symbol that refers to Allah or Jahve which is Allah's energy or Jahve's energy "...the mountain was crushed to pieces...(Al A'raaf: 7: 143), Allah particles or Jahve particles "... wherever you turn there is the face of Allah...(Al Baqarah: 2: 115) and Allah's spirit or Jahve's spirit "...I breathed into...(Shaad: 38: 72) which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atom.

So, actually, when humans speak Allah or Jahve, they are speaking about Allah's energy or Jahve's energy, Allah's particles or Jahve's particles and Allah's spirit or Jahve's spirit.

Well, this, the Jews don't understand.

When Allah or Jahve *"...created the skys and the earth...(Al A'raaf : 7: 54)* it refers to Allah's energy or Jahve's energy which forms quarks, then hydrogen atoms are formed from quarks.

Well, from the energy to form particles in the form of hydrogen atoms, from the hydrogen atoms, suns or stars are formed. Where the hydrogen atoms fuel the sun or stars, so that the sun or stars shine. Likewise, the earth or planets are formed with hydrogen atoms and other atoms, such as carbon atoms, nitrogen atoms, oxygen atoms, helium atoms.

Also in the process of time *"...created the skys and the earth...(Al A'raaf : 7: 54)* takes time *"...six days...(Al A'raaf: 7: 54)* this too, is symbol. Where *"...six days...(Al A'raaf : 7: 54)* refers to the time according to the calculation of Allah or Jahve, not according to human calculation.

So, the process of time *"...created the skys and the earth...(Al A'raaf : 7: 54)* takes *"...six days...(Al A'raaf: 7: 54)* according to Allah's calculations or Jahve's calculations , if calculated according to human calculations the time process becomes, **300 000** years, based on Allah's law or Jahve's law *"...a day whose value is fifty thousand years (Al Ma'aarij: 70:4)*

So, actually, starting with Allah's energy or Jahve's energy forming quarks, quarks forming atoms, atoms forming the sun or stars and forming the earth or planets, until it happens like the solar system today, it takes **300 000** years. So not 6 days as considered by the Jews.

Well, this is Allah's secret or Jahve's secret, which is not understood by the Jews and by almost all humans in the world.

Well, this mistake in thinking of the Jews, who made Allah or Jahve considered human, who worked six days, starting from Sunday, ending Friday, Saturday off, which is called the Sabbath.

And this is also because the Jews, do not understand the real Allah or Jahve. Finally, Allah or Jahve is considered by the Jews as a human being who works to make *"...the skys and the earth...(Al A'raaf : 7: 54)* within *"...six days...(Al A'raaf : 7: 54)*

Then, time worked Allah or Jahve to make *"...the skys and the earth...(Al A'raaf : 7: 54)* within *"...six days...(Al A'raaf : 7: 54)* worn by Jews, starting work on Sunday, finishing Friday, Saturday off, or called Shabbat. Truly, the narrow mindedness of the Jews.
