ABSTRACT

Before the author writes about the killed Palestinians don't die, are alive, because of incarnation, while the Jews do not believe in paradise and hell, are afraid of death, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about the killed Palestinians don't die, are alive, because of incarnation, while the Jews do not believe in paradise and hell, are afraid of death, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about the killed Palestinians don't die, are alive, because of incarnation, while the Jews do not believe in paradise and hell, are afraid of death, namely the following verses:

"And indeed We have created man from the essence of the soil (Al Mu'minuun: 23: 12)

"Indeed, for example, Jesus in the sight of Allah, is like Adam. Allah created Adam from clay, then Allah said to him: "Be", so he became. (Ali 'Imran: 3: 59)

"So when I have perfected the body of Adam and breathed into Adam my spirit, then you will fall down and prostrate to him." (Shaad: 38: 72)

"Then He perfected and breathed into Adam His spirit and He made for you hearing, sight and heart, you are very grateful. (As Sajdah: 32: 9)

"So Maryam created a veil from them, then We sent Our spirit to Maryam, then Our spirit incarnated before Maryam, the perfect human (Maryam: 19: 17)

"Do not think that those who were killed in the way of Allah are dead, they live with their God with sustenance. (Ali 'Imran: 3: 169)

In an effort to uncover the secret of Allah about the killed Palestinians don't die, are alive, because of incarnation, while the Jews do not believe in paradise and hell, are afraid of death, the author uses the basis of deoxyribonucleic acid.

HYPOTHESIS

Here the author puts forward the hypothesis that the killed Palestinians don't die, are alive, because of incarnation, while the Jews do not believe in paradise and hell, are afraid of death, based on Deoxyribonucleic acid (DNA) ?

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARKS

If we want to know quarks then we pay attention to one of the hydrogen atoms which is a building element of the human body, animals, plants and fruit as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Next, if this proton is split, we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules which are composed repeatedly of nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogen bases. The nitrogen bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

THE KILLED PALESTINIANS DON'T DIE, ARE ALIVE, BECAUSE OF INCARNATION, WHILE THE JEWS DO NOT BELIEVE IN PARADISE AND HELL, ARE AFRAID OF DEATH

So now, we are still concentrating our minds on uncovering the secrets contained behind the verses: *"...We have created man from the essence of the soil (Al Mu'minuun: 23: 12) "...Allah created Adam from clay...(Ali 'Imran: 3: 59)"...I breathed into Adam my spirit...(Shaad: 38: 72) "...Our spirit incarnated ...the perfect human (Maryam: 19: 17) "...Allah created Adam from clay...(Ali 'Imran: 3: 59)*

Apparently, here Allah has declared *"...We have created man from the essence of the soil (Al Mu'minuun: 23: 12)*

Then, the question arises,

What do the Jews believe about *"...created man...(Al Mu'minuun: 23: 12)?*

Well, the answer is in the secret behind the verse: *"...Allah created Adam from clay...(Ali 'Imran : 3: 59)*

So, according to the Jews, Allah or Jahve created Adam from *"...clay...(Ali 'Imran : 3: 59)* or from dust. Then Allah or Jahve breathed the spirit into Adam's nostrils. Meanwhile, what is the spirit that was breathed by Allah or Jahve into Adam's nostrils, for the Jews, is not discussed.

Well, now, because Adam was created from *"...clay...(Ali 'Imran : 3: 59)* or from dust, according to Jewish belief, then when Adam dies, or Adam's descendants die, they return to dust again, on earth.

So, the Jews believe, humans were created from the dust on earth, and returned to dust on this earth

too.

Belief in life after death is not discussed by Jews. When a human dies, that human life ends.

Meanwhile, now, when Jews talk about paradise and hell, it was after the Babylonian King Nebuchadnezzar, in present-day Southern Iraq, in 589 BC occupied the area of present-day Jerusalem. For 2 years the Jews living in Jerusalem were under pressure from the Babylonian King Nebuchadnezzar.

So, when the Jews were under pressure from the Babylonian King Nebuchadnezzar, the thoughts of the Jewish religious leaders emerged regarding life after humans die. According to Jewish religious leaders at that time, there was **gan eden** which means paradise and there was **gehennom** which means hell.

So, in fact, these Jews only thought about **gan eden** or paradise and **gehennom** or hell, 2611 years ago, after these Jews were suppressed by the Babylonian King Nebuchadnezzar.

Because **gan eden** or paradise and **gehennom** or hell were the result of the ideas of Jewish religious leaders 2611 years ago, most Jews today, not many believe in **gan eden** or paradise and **gehennom** or hell.

So, almost all Jews believe that human life is in **gan eden** or paradise and in **gehennom** or hell does not exist. For all Jewish believers, human life is simply life in this world.

Now another question arises,

Why do almost all Jews not believe in life in **gan eden** or paradise and in **gehennom** or hell?

The answer is in the secret behind the verse: *"...I breathed into Adam my spirit...(Shaad: 38: 72)*

Well, because almost all Jews do not understand *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, then they do not believe in gan eden or heaven and gehennom or hell.

Well, now, because almost all Jews do not believe in **gan eden** or paradise and in **gehennom** or hell, they are very afraid of death.

Because, when a human dies, that human life ends.

Meanwhile, Palestinians believe in **gan eden** or paradise and in **gehennom** or hell.

When Palestinians *"...were killed in the way of Allah are not dead, they live with their God...(Ali 'Imran: 3: 169)*

Now another question arises,

Why do Palestinians who *"...were killed in the way of Allah are not dead, they live with their God...(Ali 'Imran: 3: 169)?*

The answer is in the secret behind the verse: *"...Our spirit incarnated ...the perfect human (Maryam: 19: 17)*

Well, apparently, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, is still alive.

Or in other words, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, which comes out of the bodies of Palestinians who *"...were killed in the way of Allah...(Ali 'Imran: 3: 169)* still live in **gan eden** or paradise.

Meanwhile, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms are not part of the building *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)*, who came out of the body of a Palestinian, incarnated into another human being.

So, now if there are people who believe, Palestinians who *"...were killed in the way of Allah...(Ali 'Imran: 3: 169)* die, then that human belief is a big mistake.

Only, of course, the Palestinians under Fatah and Hamas, must make Palestine an Islamic state following the first Islamic state founded by the Prophet Muhammad saw in Medina, 1 AH (622 AD). Not like Palestine today, which is moving towards a secular state.

CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses: *"...We have created man from the essence of the soil (Al Mu'minuun: 23: 12)* *"...Allah created Adam from clay...(Ali 'Imran: 3: 59)"...I breathed into Adam my spirit...(Shaad: 38: 72)* *"...Our spirit incarnated ...the perfect human (Maryam: 19: 17)"...Allah created Adam from clay...(Ali 'Imran: 3: 59)*
