ABSTRACT

Before the author writes about what about religions in the world today, with various Gods, even though, in the world there is only one God, based on law, God – energy – God, first the author begs forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about what about religions in the world today, with various Gods, even though, in the world there is only one God, based on law, God – energy – God, based on deoxyribonucleic acid (DNA) .

There are several verses that reveal Allah's secret about what about religions in the world today, with various Gods, even though, in the world there is only one God, based on law, God – energy – God, namely the following verses:

"So when I have perfected the body and I have breathed on him my spirit, then you should fall down and prostrate to him." (Shaad: 38: 72)

"Allah has created the seven skys in layers. You do not see in the creation of God the Most Gracious anything that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"God created the skys and the earth with haq (right). Indeed, in that there are signs of God's power for the believers (Al 'Ankabuut: 29: 44)

"He is the First and the Last, the Zhahir and the Inner; and He is All-Knower of all things. (Al Hadiid: 57: 3)

"those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "O our God, you did not create this in vain, Glory be to You, so protect us from the torment of hell. (Ali 'Imran : 3: 191)

"And to Allah the east and the west, so wherever you turn there is the face of Allah. Surely Allah is All-Wise, All-Knowing. (Al Baqarah: 2: 115)

In an effort to open the veil of Allah's secret about what about religions in the world today, with various Gods, even though, in the world there is only one God, based on law, God – energy – God, the author uses the basis of deoxyribonucleic acid.

HYPOTHESIS

Here the author proposes a hypothesis about the religions in the world today, with various Gods, even though there is only one God in the world, based on law, God – energy – God, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human Deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

WHAT ABOUT RELIGIONS IN THE WORLD TODAY, WITH VARIOUS GODS, EVEN THOUGH, IN THE WORLD THERE IS ONLY ONE GOD, BASED ON LAW, GOD - ENERGY - GOD

Now, we are still concentrating on uncovering the secrets contained behind the verses: "*...I breathed into human my spirit...* (Shaad : 38: 72)

Well, Allah or Jahve or YHWH or Adonai, has opened to all people in the world "*...my spirit...* (Shaad : 38: 72) which is the source of life for whatever is in "*...seven skys. ..(Al Mulk : 67: 3)* or in the universe.

What exactly is in "*...my spirit...*(Shaad : 38: 72) or "*...the spirit of Allah...*(Shaad : 38: 72) or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai?

Now, what is in "*...my spirit...*(Shaad : 38: 72) or "*...the spirit of Allah...*(Shaad : 38: 72) or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai who becomes the source of life for anything that exists in "*...the seven skys...(Al Mulk: 67: 3)* or in the universe are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which are built with quarks.

Now the question arises,

What about the majority of people in the world who worship various Gods, even though those Gods appeared after the quarks existed?

The answer is in the secret behind the verse: *"...they (did not) think about the creation of the skys and the earth...(Ali 'Imran : 3: 191)*

Well, because *"...they (did not) think about the creation of the skys and the earth...(Ali 'Imran : 3: 191)* , then they do not know and do not understand, how exactly, *"...the skys and the earth...(Ali 'Imran: 3: 191)* were created.

So, they do not know and do not understand whether the various Gods that are worshiped existed before the quarks existed, or after the quarks existed.

Well, because, they don't know and don't understand, the God they worship existed before the quarks existed, or after the quarks existed, so they assume, what matters is, what they worship is God, according to them.

According to law, **God – energy- God**, the God most of the people in the world worship, is the God who appeared after the quarks existed.

Meaning, the God that is worshiped by the majority of people in the world, in fact, is *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai who is the source of life for whatever is in *"...the seven skys...(Al Mulk: 67: 3)* or in the universe.

For example, Jesus, the Holy Spirit, Gods, statues, rocks, trees, objects, sun, planets, which most people in the world worship is *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai who is the source of life for whatever is in the *"...seven skys ...(Al Mulk : 67: 3)* or in the universe.

Well, this is what most people in the world do not understand, including followers of Jesus in the world.

This, too, is caused by the majority of people in the world including followers of Jesus in the world, *"...(did not) think about the creation of the skys and the earth...(Ali 'Imran : 3: 191)*

How *"...the skys and the earth...(Ali 'Imran: 3: 191)* were created, they don't understand.

Well, because the majority of people in the world including Jesus' followers in the world do not understand how *"...the skys and the earth...(Ali 'Imran: 3: 191)* were created, then when Jesus was born and crucified and the Holy Spirit was on earth, they considered God and worshiped them.

CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses: *"...I breathed into human my spirit... (Shaad : 38: 72)*

Well, Allah or Jahve or YHWH or Adonai, has opened to all people in the world *"...my spirit...(Shaad : 38: 72)* which is the source of life for whatever is in *"...seven skys. ..(Al Mulk : 67: 3)* or in the universe.

What exactly is in *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai?

Now, what is in *"...my spirit...(Shaad : 38: 72)* or *"...the spirit of Allah...(Shaad : 38: 72)* or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai who becomes the source of life for anything

that exists in "...*the seven skys...*(*Al Mulk: 67: 3*) or in the universe are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which are built with quarks.

Now the question arises,

What about the majority of people in the world who worship various Gods, even though those Gods appeared after the quarks existed?

The answer is in the secret behind the verse: "...*they (did not) think about the creation of the skys and the earth...*(*Ali 'Imran : 3: 191*)

Well, because "...*they (did not) think about the creation of the skys and the earth...*(*Ali 'Imran : 3: 191*) , then they do not know and do not understand, how exactly, "...*the skys and the earth...*(*Ali 'Imran: 3: 191*) were created.

So, they do not know and do not understand whether the various Gods that are worshiped existed before the quarks existed, or after the quarks existed.

Well, because, they don't know and don't understand, the God they worship existed before the quarks existed, or after the quarks existed, so they assume, what matters is, what they worship is God, according to them.

According to law, **God – energy- God**, the God most of the people in the world worship, is the God who appeared after the quarks existed.

Meaning, the God that is worshiped by the majority of people in the world, in fact, is "...*my spirit...*(*Shaad : 38: 72*) or "...*the spirit of Allah...*(*Shaad : 38: 72*) or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai who is the source of life for whatever is in "...*the seven skys...*(*Al Mulk: 67: 3*) or in the universe.

For example, Jesus, the Holy Spirit, Gods, statues, rocks, trees, objects, sun, planets, which most people in the world worship is "...*my spirit...*(*Shaad : 38: 72*) or "...*the spirit of Allah...*(*Shaad : 38: 72*) or the spirit of Jahve or the spirit of YHWH or the spirit of Adonai who is the source of life for whatever is in the "...*seven skys ...*(*Al Mulk : 67: 3*) or in the universe.

Well, this is what most people in the world do not understand, including followers of Jesus in the world.

This, too, is caused by the majority of people in the world including followers of Jesus in the world, "...*(did not) think about the creation of the skys and the earth...*(*Ali 'Imran : 3: 191*)

How "...*the skys and the earth...*(*Ali 'Imran: 3: 191*) were created, they don't understand.

Well, because the majority of people in the world including Jesus' followers in the world do not understand how "...*the skys and the earth...*(*Ali 'Imran: 3: 191*) were created, then when Jesus was born and crucified and the Holy Spirit was on earth, they considered God and worshiped them.
