## ABSTRACT

First, by begging forgiveness from Allah SWT, here the author tries to uncover the signs of the greatness of Allah SWT regarding what causes, Muslims prefer to die in Mecca, compared to die in their home village, when paradise is everywhere, on this earth, based on on deoxyribonucleic acid (DNA)

In the Al-Quran, several verses are found which are the key to unlocking the secret of what causes, Muslims prefer to die in Mecca, compared to die in their home village, when paradise is everywhere, on this earth, namely the verses:

*"And hasten to forgiveness from your God and to paradise that is as wide as the skys and the earth, which is prepared for those who fear Allah, (Ali 'Imran: 3: 133)*

*"Then when I have perfected the body and I have breathed on him my spirit, you will fall down and prostrate to him." (Shaad : 38: 72)*

*"When two angels record their deeds, one sits on the right and the other sits on the left. (Qaf: 50: 17)*

*"And everything they have done is recorded in a notebook (Al Qamar: 54: 52)*

*"Read your book, just be yourself at this time as your reckoning (Al Israa' : 17: 14)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Surely Allah is All-Wise, All-Knowing. (Al Baqarah: 2: 115)*

*"And We made a wall in front of them and behind them a wall and We covered them so that they could not see (Yaasiin: 36: 9)*

In an effort to open the veil about what causes, Muslims prefer to die in Mecca, compared to die in their home village, when paradise is everywhere, on this earth, the authors based on deoxyribonucleic acid.

## HYPOTHESES

Here the author proposes a hypothesis what causes, Muslims prefer to die in Mecca, compared to die in their home village, when paradise is everywhere, on this earth, based on deoxyribonucleic acid.

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## WHAT CAUSES, MUSLIM PREFER TO DIE IN MECCA, COMPARED TO DIE IN THEIR HOME VILLAGE, WHEN PARADISE IS EVERYWHERE, ON THIS EARTH

So now, we are still concentrating on revealing the secret hidden behind the verses: *"...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)"...I breathed on him my spirit. ..(Shaad : 38: 72)*

Well, here Allah has given a description to all humans, including all Muslims in the world, that actually, *"...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.

Well, the problem is, the Muslims themselves don't understand. Most Muslims believe paradise is far away in the sky, as the followers of Jesus believe. Where the followers of Jesus believe paradise is in the sky, so according to the beliefs of the followers of Jesus, paradise is the sky.

Well, Allah has revealed the secret, *"...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)*

So, according to Allah's declaration *"...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)* is the truth, *"...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.

Well, the question arises,

Why is *"...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth ?

Because between *"...the sky and the earth...(Ali 'Imran: 3: 133)* are united. *"...the earth...(Ali 'Imran : 3: 133)* is above *"...the sky...(Ali 'Imran : 3: 133)*

Like a human sitting on a mat. Between the sitting human and the mat, unite.

Well, this is still not understood by almost all Muslims in the world.

So, now another question arises,

Why do Muslims prefer to die in Mecca, compared to die in their home village, when paradise is everywhere, on this earth ?

Well, the answer is,

Because Muslims don't understand that "...paradise...(Ali 'Imran: 3: 133) is everywhere, on this earth. Not only in Mecca, but also around his home village.

So, anywhere on this earth, there is a door "...paradise...(Ali 'Imran: 3: 133), but human eyes cannot see the door "...paradise...(Ali 'Imran: 3: 133), because the view of the human eye is limited.

Where humans can only see light in the electromagnetic spectrum region between 430 and 740 nanometers. Beyond that, human eyes cannot see light "...*We made a wall in front of them and behind them a wall and We covered them so that they could not see (Yaasiin: 36: 9)*

Well, "...paradise...(Ali 'Imran : 3: 133), lies outside the electromagnetic spectrum region between 430 and 740 nanometers.

Now, what is also a problem is, how do Muslims get to paradise ?

The answer is in the secret behind the verse: "... *two angels record their deeds...(Qaf: 50: 17)*, but indirectly, but through Allah's energy and Allah's particles "...*wherever you turn there is the face of Allah...(Al Baqarah : 2: 115)*

So, actually, Allah's declaration "...*two angels record their deeds, one sits on the right and the other sits on the left. (Qaf: 50: 17)* referring to Allah's energy and Allah's particles "...*wherever you turn there is the face of Allah...(Al Baqarah : 2: 115)* who imitates Muslim deeds from birth to death.

So, with Allah's energy and particles, Allah creates imitations of Muslim deeds from birth to death. The results of imitation of Muslim deeds from birth to death which are called "... *notebooks (Al Qamar: 54: 52)* are kept by angels.

So, the task of "...*two angels...(Qaaf : 50: 17)* is to control the process of imitation of Muslim deeds from birth to death. After a Muslim dies, "...*notebook (Al Qamar : 54: 52)* , which contains the results of imitation of Muslim deeds from birth to death, kept by angels.

Well, this is the secret of Allah, which is not understood by all Muslims in the world.

So, when a Muslim dies, "...*my spirit...(Shaad : 38: 72)* or "...*spirit of Allah...(Shaad : 38: 72)* from the body of the deceased Muslim, then Allah commands "...*my spirit...(Shaad : 38: 72)* or "...*spirit of Allah...(Shaad : 38: 72)* "*Read your book, just be yourself at this time as your reckoning (Al Israa' : 17: 14)*

Well, when "...*the book...(Al Israa' : 17: 14)* or "...*notebook (Al Qamar : 54: 52)* or the result of imitation of Muslim deeds from birth to death, it is read by "...*my spirit...(Shaad : 38: 72)* or "...*spirit of Allah...(Shaad : 38: 72)* that comes out of the body of a deceased Muslim, if it is the result of imitation of Muslim deeds from birth to death, in accordance with what was commanded by Allah, then "...*my spirit...(Shaad : 38: 72)* or "...*spirit of Allah...(Shaad : 38: 72)* is entered into paradise.

However, if it is not in accordance with what is commanded by Allah, then "...*my spirit...(Shaad : 38:*

72) or "*...spirit of Allah...(Shaad : 38: 72)* will be put into hell .

So, here, Allah has given a clear picture to all Muslims in the world, "*...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)* is actually, "*...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.

So, if some Muslims prefer to die in Mecca, compared to die in their home village, it is because some Muslims do not understand, that in fact, "*...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.

## CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verses: "*...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)*" "*...I breathed on him my spirit. ..(Shaad : 38: 72)*

Well, here Allah has given a description to all humans, including all Muslims in the world, that actually, "*...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.

Well, the problem is, the Muslims themselves don't understand. Most Muslims believe paradise is far away in the sky, as the followers of Jesus believe. Where the followers of Jesus believe paradise is in the sky, so according to the beliefs of the followers of Jesus, paradise is the sky.

Well, Allah has revealed the secret, "*...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)*

So, according to Allah's declaration "*...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)* is the truth, "*...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.

Well, the question arises,

Why is "*...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth ?

Because between "*...the sky and the earth...(Ali 'Imran: 3: 133)* are united. "*...the earth...(Ali 'Imran : 3: 133)* is above "*...the sky...(Ali 'Imran : 3: 133)*

Like a human sitting on a mat. Between the sitting human and the mat, unite.

Well, this is still not understood by almost all Muslims in the world.

So, now another question arises,

Why do Muslims prefer to die in Mecca, compared to die in their home village, when paradise is everywhere, on this earth ?

Well, the answer is,

Because Muslims don't understand that "*...paradise...(Ali 'Imran: 3: 133)* is everywhere, on this earth. Not only in Mecca, but also around his home village.

So, anywhere on this earth, there is a door "*...paradise...(Ali 'Imran: 3: 133)*, but human eyes cannot see the door "*...paradise...(Ali 'Imran: 3: 133)*, because the view of the human eye is limited.

Where humans can only see light in the electromagnetic spectrum region between 430 and 740 nanometers. Beyond that, human eyes cannot see light *"...We made a wall in front of them and behind them a wall and We covered them so that they could not see (Yaasiin: 36: 9)*

Well, *"...paradise...(Ali 'Imran : 3: 133)*, lies outside the electromagnetic spectrum region between 430 and 740 nanometers.

Now, what is also a problem is, how do Muslims get to paradise ?

The answer is in the secret behind the verse: *"... two angels record their deeds...(Qaf: 50: 17)*, but indirectly, but through Allah's energy and Allah's particles *"...wherever you turn there is the face of Allah...(Al Baqarah : 2: 115)*

So, actually, Allah's declaration *"...two angels record their deeds, one sits on the right and the other sits on the left. (Qaf: 50: 17)* referring to Allah's energy and Allah's particles *"...wherever you turn there is the face of Allah...(Al Baqarah : 2: 115)* who imitates Muslim deeds from birth to death.

So, with Allah's energy and particles, Allah creates imitations of Muslim deeds from birth to death. The results of imitation of Muslim deeds from birth to death which are called *"... notebooks (Al Qamar: 54: 52)* are kept by angels.

So, the task of *"...two angels...(Qaf : 50: 17)* is to control the process of imitation of Muslim deeds from birth to death. After a Muslim dies, *"...notebook (Al Qamar : 54: 52)* , which contains the results of imitation of Muslim deeds from birth to death, kept by angels.

Well, this is the secret of Allah, which is not understood by all Muslims in the world.

So, when a Muslim dies, *"...my spirit...(Shaad : 38: 72)* or *"...spirit of Allah...(Shaad : 38: 72)* from the body of the deceased Muslim, then Allah commands *"...my spirit...(Shaad : 38: 72)* or *"...spirit of Allah...(Shaad : 38: 72)* *"Read your book, just be yourself at this time as your reckoning (Al Israa' : 17: 14)*

Well, when *"...the book...(Al Israa' : 17: 14)* or *"...notebook (Al Qamar : 54: 52)* or the result of imitation of Muslim deeds from birth to death, it is read by *"...my spirit...(Shaad : 38: 72)* or *"...spirit of Allah...(Shaad : 38: 72)* that comes out of the body of a deceased Muslim, if it is the result of imitation of Muslim deeds from birth to death, in accordance with what was commanded by Allah, then *"...my spirit...(Shaad : 38: 72)* or *"...spirit of Allah...(Shaad : 38: 72)* is entered into paradise.

However, if it is not in accordance with what is commanded by Allah, then *"...my spirit...(Shaad : 38: 72)* or *"...spirit of Allah...(Shaad : 38: 72)* will be put into hell .

So, here, Allah has given a clear picture to all Muslims in the world, *"...paradise that is as wide as the skys and the earth...(Ali 'Imran : 3: 133)* is actually, *"...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.

So, if some Muslims prefer to die in Mecca, compared to die in their home village, it is because some Muslims do not understand, that in fact, *"...paradise...(Ali 'Imran: 3: 133)* is around humans, on this earth.
