**ABSTRACT**

Before the author writes about the problem of why didn't wahhabi or salafi people show the Saudi Arabia government the way to follow the first Islamic state in the World, which was built by the Prophet Muhammad saw in Madinah, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why didn't wahhabi or salafi people show the Saudi Arabia government the way to follow the first Islamic state in the World, which was built by the Prophet Muhammad saw in Madinah, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about why didn't wahhabi or salafi people show the Saudi Arabia government the way to follow the first Islamic state in the World, which was built by the Prophet Muhammad saw in Madinah, namely the verses:

"O you who believe, obey Allah and obey the Messenger, and ulil amri among you. Then if you have different opinions about something, then return the differences of opinion to Allah and the Messenger, if you really believe in Allah and the Last Day. That is more important and the result is better (An Nisaa ': 4: 59)

"And when news came to them about safety or fear, they then broadcast it. And if they handed it over to the Apostle and Ulil Amri among them, surely those who wanted to know the truth would know it from them. If it were not for the grace and mercy of Allah to you, of course you follow satan, except for a small part (An Nisaa ': 4: 83)

"Muhammad is by no means the father of any man among you, but he is the Messenger of Allah and the Seal of the Prophets. And Allah is All-Knower of all things. (Al Ahzab : 33: 40)

"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"...This day I have perfected your religion for you, and I have completed My favor on you, and I have pleased Islam to be a religion for you...(Al Maa'idah: 5: 3)

"And you will decide between them according to what Allah has revealed, and do not follow their desires. And be careful with them, so that they do not turn you away from some of what Allah has revealed to you. If they turn away, then know that in fact Allah wills that calamity befalls them due to some of their sins. And in fact most people are wicked people. (Al Maa'idah: 5: 49)

"Allah destroys usury and nourishes alms. And Allah does not like everyone who remains in disbelief, and always commits sins. (Al Baqarah: 2: 276)

"And something usury that you give so that it increases in human property, then usury does not add to Allah's side. And what you give is in the form of zakat which you intend to achieve the pleasure of Allah, then those are the people who multiply it. (Ar Ruum :30:39)

"Indeed, the zakat is only for the needy, the poor, administrators of zakat, converts whose hearts are persuaded, for slaves, people who are in debt, for the way of Allah and for those who are in journey, as a decree obligatory by Allah, and Allah is All-Knowing, All-Wise (At Tawbah: 9: 60)

In an effort to open the veil of Allah's secret cover about why didn't wahhabi or salafi people show the Saudi Arabia government the way to follow the first Islamic state in the World, which was built by the Prophet Muhammad saw in Madinah, the authors based on deoxyribonucleic acid.

## **HYPOTHESES**

Here the author proposes the hypothesis that wahhabi or salafi people didn't show the Saudi Arabia government the way to follow the first Islamic state in the World, which was built by the Prophet Muhammad saw in Madinah, because the wahhabis or salafi people were shackled by *"...obey...ulil amri among you...(An Nisaa' : 4: 59)*, whereas *"...ulil amri...(An Nisaa' : 4: 59)* which existed in the first Islamic state, different from *"...ulil amri...(An Nisaa' : 4: 59)* within the government of Saudi Arabia, based on Deoxyribonucleic acid (DNA)

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure form a double helix and which contain polynucleotide macromolecules arranged together repeatedly from the nucleotide polymer. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **WHY DIDN'T WAHHABI OR SALAFI PEOPLE SHOW THE SAUDI ARABIA GOVERNMENT THE WAY TO FOLLOW THE FIRST ISLAMIC STATE IN THE WORLD, WHICH WAS BUILT BY THE PROPHET MUHAMMAD SAW IN MADINAH**

So, now we are still concentrating on exploring and dismantling the secrets contained in the verse: *"...those who believe, obey Allah and obey the Messenger, and the Ulil Amri among you...(An Nisaa' : 4: 59)* *"...what you give in the form of zakat...to achieve the pleasure of Allah, that is the person who multiplies it...(Ar Ruum : 30: 39)"* *Allah destroys usury and makes charity fertile...(Al Baqarah: 2: 276)"* *Muhammad...is the Messenger of Allah and the seal of the prophets...(Al Ahzab : 33: 40)*

It turns out that Allah has declared *"...those who believe, obey Allah and obey the Messenger, and ulil amri among you...(An Nisaa' : 4: 59)*

Now, the question arises,

What about *"...ulil amri...(An Nisaa' : 4: 59)* which was not in the first Islamic state built by the Prophet Muhammad saw ?

The answer is in the secret behind the verse: *"...return differences of opinion to Allah and the Messenger...(An Nisaa' : 4: 59)*

Apparently, differences of opinion, differences in rules, differences in laws, must be *"...returned...to Allah and the Messenger...(An Nisaa' : 4: 59)*

That is, it must be based on what Allah has revealed to the Prophet Muhammad saw and what has been exemplified by the Prophet Muhammad saw.

Now, if *"...ulil amri...(An Nisaa' : 4: 59)* is not in the first Islamic state built by the Prophet Muhammad saw, but *"...ulil amri...(An Nisaa' : 4: 59)* who came to power after the Prophet Muhammad saw died, where *"...ulil amri...(An Nisaa' : 4: 59)* ran a government that did not follow the example of the first Islamic state built by the Prophet Muhammad saw, then *"...ulil amri...(An Nisaa' : 4: 59)* this must be shown the path that has been taken by *"...ulil amri...(An Nisaa' : 4: 59)* when the first Islamic state was established by Prophet Muhammad saw.

Like *"...ulil amri...(An Nisaa' : 4: 59)* in the current government of the kingdom of Saudi Arabia, which does not follow the example of the first Islamic state built by the Prophet Muhammad saw.

So, *"...ulil amri...(An Nisaa' : 4: 59)* in the government of the kingdom of Saudi Arabia now, the wahhabi or salafi people who are in the kingdom of Saudi Arabia now have to be shown the way, so that *"...ulil amri...(An Nisaa' : 4: 59)* in the government of the kingdom of Saudi Arabia now follows the example of the first Islamic state built by the Prophet Muhammad saw since 1 Hijrah in Yathrib or Medina now.

So the wahhabi or salafi people who are in the kingdom of Saudi Arabia now don't just listen and obey.

Because, *"...ulil amri...(An Nisaa' : 4: 59)* in the state government that must be obeyed, if *"...ulil amri...(An Nisaa' : 4: 59)* is in the state government of the first Islamic state in the world founded by the Prophet Muhammad saw or *"...ulil amri...(An Nisaa' : 4: 59)* in a state government which does follow the example of the first Islamic state built by the Prophet Muhammad saw.

Now, *"...ulil amri...(An Nisaa' : 4: 59)* which is in the government of Saudi Arabia, Pakistan and Iran, that is *"...ulil amri...(An Nisaa' : 4: 59)* which does not follow the example of the first Islamic state in the world that was built by the Prophet Muhammad in Medina.

Well, now it's been revealed, the secret behind the verse: *"...obey...ulil amri among you...(An Nisaa' : 4: 59)* if, *"...ulil amri...(An Nisaa' : 4: 59)* in the government of Saudi Arabia, Pakistan, Iran and other countries, following the example of the first Islamic state in the world founded by the Prophet Muhammad saw in Medina.

## CONCLUSION

Based on the description above we can conclude that the secrets contained in the verse: *"...those who believe, obey Allah and obey the Messenger, and the Ulil Amri among you...(An Nisaa' : 4: 59)* *"...what you give in the form of zakat...to achieve the pleasure of Allah, that is the person who multiplies it...(Ar Ruum : 30: 39)" Allah destroys usury and makes charity fertile...(Al Baqarah: 2: 276)" Muhammad...is the Messenger of Allah and the seal of the prophets...(Al Ahzab : 33: 40)*

It turns out that Allah has declared *"...those who believe, obey Allah and obey the Messenger, and ulil amri among you...(An Nisaa' : 4: 59)*

Now, the question arises,

What about *"...ulil amri...(An Nisaa' : 4: 59)* which was not in the first Islamic state built by the

Prophet Muhammad saw ?

The answer is in the secret behind the verse: *"...return differences of opinion to Allah and the Messenger...(An Nisaa' : 4: 59)*

Apparently, differences of opinion, differences in rules, differences in laws, must be *"...returned...to Allah and the Messenger...(An Nisaa' : 4: 59)*

That is, it must be based on what Allah has revealed to the Prophet Muhammad saw and what has been exemplified by the Prophet Muhammad saw.

Now, if *"...ulil amri...(An Nisaa' : 4: 59)* is not in the first Islamic state built by the Prophet Muhammad saw, but *"...ulil amri...(An Nisaa' : 4: 59)* who came to power after the Prophet Muhammad saw died, where *"...ulil amri...(An Nisaa' : 4: 59)* ran a government that did not follow the example of the first Islamic state built by the Prophet Muhammad saw, then *"...ulil amri...(An Nisaa' : 4: 59)* this must be shown the path that has been taken by *"...ulil amri...(An Nisaa' : 4: 59)* when the first Islamic state was established by Prophet Muhammad saw.

Like *"...ulil amri...(An Nisaa' : 4: 59)* in the current government of the kingdom of Saudi Arabia, which does not follow the example of the first Islamic state built by the Prophet Muhammad saw.

So, *"...ulil amri...(An Nisaa' : 4: 59)* in the government of the kingdom of Saudi Arabia now, the wahhabi or salafi people who are in the kingdom of Saudi Arabia now have to be shown the way, so that *"...ulil amri...(An Nisaa' : 4: 59)* in the government of the kingdom of Saudi Arabia now follows the example of the first Islamic state built by the Prophet Muhammad saw since 1 Hijrah in Yathrib or Medina now.

So the wahhabi or salafi people who are in the kingdom of Saudi Arabia now don't just listen and obey.

Because, *"...ulil amri...(An Nisaa' : 4: 59)* in the state government that must be obeyed, if *"...ulil amri...(An Nisaa' : 4: 59)* is in the state government of the first Islamic state in the world founded by the Prophet Muhammad saw or *"...ulil amri...(An Nisaa' : 4: 59)* in a state government which does follow the example of the first Islamic state built by the Prophet Muhammad saw.

Now, *"...ulil amri...(An Nisaa' : 4: 59)* which is in the government of Saudi Arabia, Pakistan and Iran, that is *"...ulil amri...(An Nisaa' : 4: 59)* which does not follow the example of the first Islamic state in the world that was built by the Prophet Muhammad in Medina.

Well, now it's been revealed, the secret behind the verse: *"...obey...ulil amri among you...(An Nisaa' : 4: 59)* if, *"...ulil amri...(An Nisaa' : 4: 59)* in the government of Saudi Arabia, Pakistan, Iran and other countries, following the example of the first Islamic state in the world founded by the Prophet Muhammad saw in Medina.
