ABSTRACT

Before the author writes about why followers of Jesus around the world equate the Holy Spirit with Jahve, in what form is the Holy Spirit in Jahve, and what his relationship with Jesus, the author first asks Allah SWT for forgiveness. Here the author tries to open the veil that covers the secret of why followers of Jesus around the world equate the Holy Spirit with Jahve, in what form is the Holy Spirit in Jahve, and what his relationship with Jesus, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about why followers of Jesus around the world equate the Holy Spirit with Jahve, in what form is the Holy Spirit in Jahve, and what his relationship with Jesus, namely the verses:

"... when Allah said: "O Isa, I will surely pass you on and raise you up to Myself and cleanse you from those who disbelieve, and make those who follow you above those who disbelieve until the day doomsday. Then only to Me will you return, then I will decide between you about things that you always disagree with." (Ali 'Imran: 3: 55)

"and because of their saying: "We have indeed killed Al-Masih, Jesus, son of Maryam, the Messenger of Allah", even though they did not kill him and did not crucify him, but someone who was likened to Jesus for them. Indeed, those who disagree about Jesus, are right - really in doubt about who was killed. They have no confidence about who was killed, unless following mere conjecture, they are not sure that what they killed was Isa. (An Nisaa': 4: 157)

"But God has raised Jesus to Himself. And Allah is Mighty, Most Wise. (An Nisaa' : 4: 158)

"None of the People of the Book except will believe in him before his death. And on the Day of Resurrection Jesus will be a witness against them. (An Nisaa' : 4: 159)

"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"Verily, for example, Jesus in the sight of Allah is like Adam. Allah created Adam from dust, then Allah said to him: "Be", then he was. (Ali 'Imran : 3: 59)

Al Masih the son of Maryam was only an Apostle who actually had passed before several apostles, and his mother was a very righteous person, both of them used to eat food. Watch how We explain to them the signs of power, then watch how they turn away. (Al Maa'idah: 5: 75)

"When Isa's followers said: "O Isa, son of Maryam, can your God bring down food from the sky for us?" Isa replied: "Fear Allah if you are truly believers." (Al Maa'idah: 5: 112)

"They said: "We want to eat the dish and so that our hearts will be reassured and so that we are sure that you have told us the truth, and we are the ones who witness the dish." (Al Maa'idah: 5: 113)

"Isa son of Maryam prayed: "O our Lord, please send down to us a dish from the sky that will be a feast for us, namely those who are with us and who come after us, and be a sign for Your power;

give us sustenance, and You are the Most High sustenance." (Al Maa'idah: 5: 114)

"Allah said: "Surely I will pass down the dish to you, whoever disbelieves among you after, then verily I will torment him with torment that I have never inflicted on any of mankind." (Al Maa'idah: 5: 115)

"And Maryam, who has preserved her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa': 21: 91)

"And they ask you about the spirit. Say: "The spirit is my God's interest, and you are not given knowledge but a little." (Al Israa ': 17: 85)

"So she made a veil from them; then We sent Our spirit to Maryam, so Our spirit incarnated before Maryam a perfect human being. (Maryam: 19: 17)

"He said: "Indeed I am only a messenger of your God, to give you a pure son." (Maryam: 19: 19)

"and Maryam bint Imran who keeps her honor, so We breathed into her womb some of Our spirit, and she confirms the words of her Lord and His Books, and she is one of those who obey. (At Tahrim: 66: 12)

"And verily We brought the Book to Moses, and We followed him afterward with the apostles, and We gave proofs of the truth to Jesus the son of Maryam and We strengthened him with the Holy Spirit. Does every messenger bring something to you that not according to your wishes and then you are arrogant; then some people you lie and some people you kill? (Al Baqarah: 2: 87)

In an effort to open the veil of Allah's secret cover regarding why followers of Jesus around the world equate the Holy Spirit with Jahve, in what form is the Holy Spirit in Jahve, and what his relationship with Jesus, the author uses the basis of deoxyribonucleic acid.

HYPOTHESES

Here the author proposes a hypothesis that followers of Jesus around the world equate the Holy Spirit with Jahve, Jahve was incarnated into the body of Jesus through the Holy Spirit, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure form a double helix and which contain polynucleotide macromolecules arranged together repeatedly from the nucleotide polymer. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHY FOLLOWERS OF JESUS AROUND THE WORLD EQUATE THE HOLY SPIRIT WITH JAHVE, IN WHAT FORM IS THE HOLY SPIRIT IN JAHVE AND WHAT HIS RELATIONSHIP WITH JESUS

Now, we are still concentrating on uncovering the secret hidden behind the verse: *"...We breathed into the womb of Mary a portion of Our spirit...(At Tahrir: 66: 12) "...We strengthened Jesus with the Holy Spirit ...(Al Baqarah: 2: 87) "...Our spirit...incarnated before Maryam a perfect human. (Maryam : 19: 17)*

Apparently, Allah has declared *"...We breathed into the womb of Mary a portion of Our spirit...(At Tahrir: 66: 12) "...We strengthened Jesus with the Holy Spirit ...(Al Baqarah: 2: 87) "...Our spirit...incarnated before Maryam a perfect human. (Maryam : 19: 17)*

So, now the question arises,

What is the difference between *"...Our Spirit...(At Tahrir: 66: 12)* and *"...The Holy Spirit...(Al Baqarah: 2: 87) ?*

Well, the answer is in the secret behind the verse: *"...I breathed on human my spirit...(Shaad : 38: 72)*

Apparently, *"...my spirit...(Shaad : 38: 72)* is the same as *"...our spirit...(At Tahrir : 66: 12)*, also the same as *"...The Holy Spirit...(Al Baqarah: 2: 87)*

Because *"...my spirit...(Shaad : 38: 72)* or *"...our spirit...(At Tahrir : 66: 12)* or *"...The Holy Spirit...(Al Baqarah: 2: 87)* breathed by Allah or Jahve.

Now, another question arises,

What is meant by *"...The Holy Spirit...(Al Baqarah: 2: 87)* is in Jahve, by followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America and followers of Jesus in Europe , so that *"...The Holy Spirit...(Al Baqarah: 2: 87)* is considered as Jahve?

Well, the answer is, because followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America and followers of Jesus in Europe consider *"...The Holy Spirit...(Al Baqarah: 2: 87)* unites with Jahve.

It means, *"...The Holy Spirit...(Al Baqarah: 2: 87)* cannot be separated from Jahve.

Well, because *"...The Holy Spirit...(Al Baqarah: 2: 87)* cannot be separated from Jahve, so that *"...The Holy Spirit...(Al Baqarah: 2: 87)* can enter into the body of Jesus, so Jahve must use the method of incarnation into the body of Jesus, the model for the teachings of Hindus in India.

Now, with this incarnation model, *"...The Holy Spirit...(Al Baqarah: 2: 87)* that is in Jahve enters into the body of Jesus, so Jesus becomes the son of God and at the same time as God.

So, the question still arises,

Why could *"...The Holy Spirit...(Al Baqarah: 2: 87)* that was within Jahve be able to enter the body of Jesus?

Well, it means that there is something in common, in *"...The Holy Spirit...(Al Baqarah: 2: 87)* that is in Jahve, with something that is in the body of Jesus.

Or in other words, something similar, which is in "*...The Holy Spirit...(Al Baqarah: 2: 87)* that is in Jahve, and that is in the body of Jesus, is something that is in Jahve .

Or in other words, something that is in Jahve is something that can be inserted into a human body, such as into the body of Jesus.

Or it could also be said, something that comes out of Jahve that can be inserted into the human body is something that becomes the source of human life.

Well, the source of human life is hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

It can also be said, the source of human life is Deoxyribonucleic acid (DNA). Where the DNA in the human body is composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

So, actually in Jahve, there is a source of human life in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, in the form of Deoxyribonucleic acid (DNA).

Well, this is a secret that is in Jahve that has not been understood by followers of Jesus around the world, including followers of Jesus in the Vatican and followers of Jesus in America and followers of Jesus in Europe.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: "*...We breathed into the womb of Mary a portion of Our spirit...(At Tahrir: 66: 12)* "*...We strengthened Jesus with the Holy Spirit ...(Al Baqarah: 2: 87)* "*...Our spirit...incarnated before Maryam a perfect human. (Maryam : 19: 17)*
