ABSTRACT

Before the author writes about why the Kingdom of Saudi Arabia towards a secular state, not towards the first Islamic State, which was founded by the Prophet Muhammad saw in Medina, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why the Kingdom of Saudi Arabia towards a secular state, not towards the first Islamic State, which was founded by the Prophet Muhammad saw in Medina, based on deoxyribonucleic acid (DNA)

There are several verses that reveal Allah's secret about why the Kingdom of Saudi Arabia towards a secular state, not towards the first Islamic State, which was founded by the Prophet Muhammad saw in Medina, namely the verses:

"And if you punish the deeds between them, by what Allah revealed, and do not follow their lusts. And be careful towards them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that in fact Allah wills that calamity befalls them due to some of their sins. And in fact most people are ungodly people. (Al Maa'idah: 5: 49)

"And something usury that you give so that it increases in human property, then usury does not add to Allah's side. And what you give is in the form of zakat which you intend to achieve the pleasure of Allah, then it is the people who multiply it. (Ar Ruum: 30:39)

"Indeed, zakat is only for the needy, poor people, zakat administrators, converts whose hearts are persuaded, for slaves, people who are in debt, for the way of Allah and for those who are on their way as a decree that is obligatory of Allah, and Allah is All-Knowing, All-Wise (At Tawbah: 9: 60)

"O you who believe, obey Allah and obey the Messenger and ulil amri among you. Then if you differ in opinion about something, then return it to Allah and the Messenger, if you really believe in Allah and the Last Day. That is that is more important and the result is better (An Nisaa ': 4: 59)

In an effort to open the veil of Allah's secret cover about why the Kingdom of Saudi Arabia towards a secular state, not towards the first Islamic State, which was founded by the Prophet Muhammad saw in Medina, the author uses the basis of deoxyribonucleic acid.

HYPOTHESES

Here the author proposes a hypothesis why the Kingdom of Saudi Arabia towards a secular state, not towards the first Islamic State, which was founded by the Prophet Muhammad saw in Medina, based on Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure form a double helix and

which contain polynucleotide macromolecules arranged together repeatedly from the nucleotide polymer. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHY IS THE KINGDOM OF SAUDI ARABIA TOWARDS A SECULAR STATE, NOT TOWARDS THE FIRST ISLAMIC STATE, WHICH WAS FOUNDED BY THE PROPHET MUHAMMAD SAW IN MEDINA

Now, we are still concentrating on uncovering the secret hidden behind the verse: *"...if you punish the deeds between them, by what Allah revealed... (Al Maa'idah: 5: 49)"...usury does not add to Allah's side...zakat ...multiplies...with Allah (Ar Ruum: 30: 39) "...zakat is only for the needy, poor people, zakat administrators, converts whose hearts are persuaded, for slaves, people who are in debt, for the way of Allah and for those who are on their way...(At Taubah: 9: 60)*

Well, here Allah has opened, how to build the first Islamic state founded by the Prophet Muhammad saw *"...usury does not add to Allah's side...zakat ...multiplies...with Allah (Ar Ruum: 30: 39)*

Apparently, what is meant by *"...zakat ...multiplies...with Allah (Ar Ruum: 30: 39)* is *"...zakat... (At Taubah: 9: 60)* which is used to finance the development of the first Islamic state in the world run by the Prophet Muhammad saw.

With the source of the development of the country from *"...zakat is only for the needy, poor people, zakat administrators, converts whose hearts are persuaded, for slaves, people who are in debt, for the way of Allah and for those who are on their way...(At Taubah: 9: 60)*

Well, with *"...zakat... (At Taubah: 9: 60)* can eliminate *"...poverty...(At Taubah: 9: 60)* in the form of improving people's economic life and education. Everyone who has a job is obliged to pay zakat, not only 2.5% but can be increased to 10%. Likewise with wealth zakat, it can be increased to 10%-25%.

So now, the question arises,

Why is the Crown Prince of Saudi Arabia, Mohammad bin Salman, trying so hard to make the Kingdom of Saudi Arabia into one of the secular countries known as the Saudi Vision 2030?

The answer is, because the oil that is in the bowels of Saudi Arabia's earth will run out, while other natural resources do not exist, so to overcome the development of the Kingdom of Saudi Arabia from the sale of oil, it must be replaced with income from income tax, tax on the sale of wealth belonging to the Kingdom and tax on the sale of services and goods.

So that the gross domestic product, GDP of the Kingdom of Saudi Arabia does not depend on the sale of oil, it is necessary to increase income from income tax, tax on the sale of wealth belonging to the Kingdom and tax on the sale of services and goods. Also, the gross domestic product, GDP of the Kingdom of Saudi Arabia comes from foreign investors in the Kingdom of Saudi Arabia.

So, the tax returns from foreign investors in the Kingdom of Saudi Arabia, which are expected to be

a substitute for oil, for the gross domestic product income, the GDP of the Kingdom of Saudi Arabia.

Now, by going through the path that is being implemented in the Kingdom of Saudi Arabia, with the Saudi Vision 2030, the Kingdom of Saudi Arabia will be heading towards a secular state, as are other secular countries, such as Egypt, Syria, Iraq, Turkey, Afghanistan, Bangladesh, Azerbaijan, Kazakhstan, Turkmenistan, Uzbekistan, Indonesia, Malaysia, Brunei, Somalia, Ethiopia, Yemen, Kuwait, Bahrain, Qatar, Oman, United Arab Emirates, Libya, Sudan, Tchad, Nigeria, Algeria and Morocco.

Or in other words, the Kingdom of Saudi Arabia is heading towards a secular state through the path link connecting Africa-Europe-Asia.

Or it could also be said, the Kingdom of Saudi Arabia is heading towards a secular state through the route as a broker, businessmen from Africa- businessmen from Europe- businessmen from Asia.

Well, this is what has come out of the path of the First Islamic State founded by the Prophet Muhammad saw in 1 H (622 AD) in Medina.

The development fund run by the Prophet Muhammad saw when building and running the first Islamic state in the world, namely by *"...zakat...(At Taubah: 9: 60)*

"...zakat...(At Taubah: 9: 60) is actually used to finance the development of the first Islamic state in the world run by the Prophet Muhammad.

With the source of the development of the country from *"...zakat is only for the needy, poor people, zakat administrators, converts whose hearts are persuaded, for slaves, people who are in debt, for the way of Allah and for those who are on their way...(At Taubah: 9: 60)*

That is, here, with *"...zakat...(At Taubah: 9: 60)* eliminating *"...poverty...(At Taubah: 9: 60)* in the form of improving people's economic life and education. Everyone who has a job is obliged to pay zakat, not only 2.5% but can be increased to 10%. Likewise with wealth zakat, it can be increased to 10% - 25%.

When the Prophet Muhammad saw built the first Islamic state, there was not much need for development funds for the Islamic State, so zakat was only 2.5% enough. However, because now in a country with a population of hundreds of millions of people, for state financing requires more than 2.5% zakat

Now, if we examine it, the Government of the Kingdom of Saudi Arabia in 2020 has a debt of **227 538 350 000** US dollars, not including usury to the IMF (International Monetary Fund) and the World Bank.

Well, here, applies *"... usury ... (Ar Ruum: 30: 39)* which has been violated by the Government of the Kingdom of Saudi Arabia.

Or in other words, the Government of the Kingdom of Saudi Arabia no longer uses *"the law... revealed by Allah...(Al Maa'idah: 5: 49)"...usury does not add to Allah's side...zakat ...multiplies...with Allah (Ar Ruum: 30: 39)*

So, another question arises,

Why do the Wahhabi and Salafi followers in the Kingdom of Saudi Arabia keep their mouths shut?

Well, the answer is in the secret behind the verse: *"...obey Allah and obey the Messenger and ulil amri among you...(An Nisaa' : 4: 59)*

Well, the Wahhabi followers and the Salafi followers in the Kingdom of Saudi Arabia kept their mouths shut, because *"...obey...ulil amri...(An Nisaa' : 4: 59)* even though *"...ulil amri...(An Nisaa' : 4: 59)* brought the Kingdom of Saudi Arabia towards a secular state .

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"...if you punish the deeds between them, by what Allah revealed... (Al Maa'idah: 5: 49)"...usury does not add to Allah's side...zakat ...multiplies...with Allah (Ar Ruum: 30: 39)* *"...zakat is only for the needy, poor people, zakat administrators, converts whose hearts are persuaded, for slaves, people who are in debt, for the way of Allah and for those who are on their way...(At Taubah: 9: 60)*
