ABSTRACT

Before the author writes about why most Muslims in the world are easily influenced by secular ideology, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why most Muslims in the world are easily influenced by secular ideology, based on Deoxyribonucleic acid (DNA)

There are several verses that open Allaah's secret about why most Muslims in the world are easily influenced by secular ideology, namely the following verses:

"And indeed We have created man from an extract from the soil (Al Mu'minuun: 23: 12)

"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected what happened, and have breathed into him my spirit, then submit to him by prostrating (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart, you are very little grateful. (As Sajdah: 32: 9)

"And it is not possible for any human being that Allah spoke with him except by means of revelation or behind a veil or by sending a messenger and then revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Asy Shuura : 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the request of the one who prays when he asks Me, then let them fulfill and let them believe in Me Ku, so that they are always in the truth (Al Baqarah: 2: 186)

"He is the First and the Last, the Zhahir and the Inner; and He is All-Knowing of all things. (Al Hadiid: 57: 3)

"He arranges affairs from skys to earth, then it rises to Him in one day, the amount of which is a thousand years according to your calculations (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day which is fifty thousand years (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of God the Most Gracious something that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Surely Allah is All-Wise, All-Knowing. (Al Baqarah: 2: 115)

"those who remember Allah while standing or sitting or lying down and they think about the

creation of the skys and the earth: "O our God, you did not create this in vain, Glory be to You, so protect us from the torment of hell. (Ali 'Imran : 3: 191)

"And they ask you about the spirit. Say: "The spirit is my God's interest, and you are not given knowledge but a little." (Al Israa ': 17: 85)

"And We did not create the skys and the earth and everything between them playing games (Al Anbiyaa ': 21: 16)

"God created the skys and the earth with rights. Indeed, in that there are signs of God's power for the believers (Al 'Ankabuut: 29: 44)

"And if you punish the deeds between them, by what Allah has revealed, and do not follow their lusts. And be careful towards them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that in fact Allah wills that calamity befalls them due to some of their sins. And in fact most people are wicked people (Al Maa'idah: 5: 49)

"an Apostle who reads to you the verses of Allah which explain that He brings out those who believe and do good deeds from darkness to light. And whoever believes in Allah and does good deeds, surely Allah will enter him into Gardens flowing in rivers beneath it; they will abide therein forever. Verily, Allah will give him good sustenance (Ath Thalaq: 65: 11)

"And why don't they think about themselves? Allah did not make the heavens and the earth and what is between them but with the right and the appointed time. And in fact most of the people really deny the meeting with their Lord. (Ar Ruum: 30) :8)

"... And the weak, both men, women and children who all pray: O our Lord, take us out of this land whose inhabitants are unjust ... (An-Nisa: 4: 75)

"O you who believe, obey Allah and obey the Messenger and ulil amri among you. Then if you differ in opinion about something, then return it to Allah and the Messenger, if you really believe in Allah and the Last Day. That is that is more important and the result is better (An Nisaa ': 4: 59)

"And when news comes to them about security or fear, they then broadcast it. And if they submit a news to the Apostle and ulil amri among them, of course those who want to know the truth will know from them. If it were not for grace and Allah's mercy on you, of course you follow satan, except for a small part (An Nisaa ': 4: 83)

"..Indeed, the mosque that was founded on the basis of piety, from the first day onwards, it is more appropriate for you to pray in it..." (At-Taubah: 9: 108)

"And those who accept the call of their God and establish prayer, and their affairs by deliberation between them; and they spend part of the sustenance that We give them. (Asy Syuura: 42: 38)

"Fight in the way of Allah those who fight you, but do not transgress in battle .." (Al-Baqarah: 2: 190)

In an effort to uncover Allah's secret veil about why most Muslims in the world are easily influenced by secular ideology, the author uses deoxyribonucleic acid as a basis.

HYPOTHESIS

Here the author proposes a hypothesis that why most Muslims in the world are easily influenced by secular ideology, because they do not understand the real Allah, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human Deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

WHY MOST MUSLIM IN THE WORLD ARE EASILY INFLUENCED BY SECULAR DEOLOGY

Now, we are still concentrating on dismantling the secrets contained behind the verses: *"...those who believe, obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

Allah's Declaration *"...those who believe, obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* shall continue, as long as humans *"... believe...(An Nisaa' : 4: 59)*

Now, the problem is, even though humans *"... believe...(An Nisaa' : 4: 59)*, *"...Allah...(An Nisaa' : 4: 59) must "... obeyed...(An Nisaa' : 4: 59)* is not understood literally.

In fact, most of what is happening now in the world, humans *"... believe...(An Nisaa' : 4: 59)*, but do not understand the real Allah, enter into secular ideology. That is, a secular ideology is an ideology that concerns the state, laws and regulations that are implemented within the state, independent of religion.

So, most of what happens in secular countries, both in Europe, Asia, Africa and in Arabia, people *"... believe...(An Nisaa' : 4: 59)*, but in making laws and laws that valid in the country, free from religion.

People in a secular country, both in Europe, Asia, Africa and in Arabia, are given the freedom to practice their religion, only Muslims must *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* cannot be fully implemented, especially in legal matters.

So, for Muslims in a secular country, they are given the freedom to carry out what is ordered by Allah and the Messenger, only to carry out *"...the law...(Al Maa'idah: 5: 49)* that exists in Islam, is not justified and is not recognized by the state and applicable laws.

Well, in reality, most Muslims who are the majority in a secular country, participate in making laws and laws that are enforced in the country. That is, people *"...believe...(An Nisaa' : 4: 59)*, but in making laws and laws that are enforced in the country, are free from Islam.

Well, this is what is called the majority of Muslims who are the majority in secular countries do not understand the real Allah. Allah only reaches the mouth.

CONCLUSION

From what has been explained above, it can be concluded that the secrets contained behind the verses: *"...those who believe, obey Allah and obey the Messenger...(An Nisaa' : 4: 59)*

Allah's Declaration *"...those who believe, obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* shall continue, as long as humans *"... believe...(An Nisaa' : 4: 59)*

Now, the problem is, even though humans *"... believe...(An Nisaa' : 4: 59)*, *"...Allah...(An Nisaa' : 4: 59)* must *"... obeyed...(An Nisaa' : 4: 59)* is not understood literally.

In fact, most of what is happening now in the world, humans *"... believe...(An Nisaa' : 4: 59)*, but do not understand the real Allah, enter into secular ideology. That is, a secular ideology is an ideology that concerns the state, laws and regulations that are implemented within the state, independent of religion.

So, most of what happens in secular countries, both in Europe, Asia, Africa and in Arabia, people *"... believe...(An Nisaa' : 4: 59)*, but in making laws and laws that valid in the country, free from religion.

People in a secular country, both in Europe, Asia, Africa and in Arabia, are given the freedom to practice their religion, only Muslims must *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)* cannot be fully implemented, especially in legal matters.

So, for Muslims in a secular country, they are given the freedom to carry out what is ordered by Allah and the Messenger, only to carry out *"...the law...(Al Maa'idah: 5: 49)* that exists in Islam, is not justified and is not recognized by the state and applicable laws.

Well, in reality, most Muslims who are the majority in a secular country, participate in making laws and laws that are enforced in the country. That is, people *"...believe...(An Nisaa' : 4: 59)*, but in making laws and laws that are enforced in the country, are free from Islam.

Well, this is what is called the majority of Muslims who are the majority in secular countries do not understand the real Allah. Allah only reaches the mouth.
