ABSTRACT

Before the author writes about why the Jews made Allah or Jahve as human, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about why the Jews made Allah or Jahve as human, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about why the Jews made Allah or Jahve as human, namely the following verses:

"So when I have perfected the body and breathed into Adam My spirit, then you will fall down and prostrate to him (Shaad: 38: 72)

"Angels and souls ascend to God in a day is worth fifty thousand years (Al Ma'arij: 70:4) (Al Ma'arij: 70:4)

"And to Allah belongs the east and the west, so wherever you turn, there is the face of Allah. Indeed, Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2: 115)

"And when Moses came at the time We had appointed and God had spoken to him, Moses said: "O my God, appear to me so that I may see You." God said: "You will never be able to see Me, but look at that mountain, if that mountain remains in place you can see me. When his God appeared to the mountain, the mountain was destroyed and Moses fell unconscious. After Moses regained consciousness, he said: "Glory be to You, I repent to You and I am the first to believe." (Al A'raaf: 7: 143)

"Indeed, your God is Allah Who created the skys and the earth in six days, then He sat on 'Arsy. He closed the night to the day that followed quickly, and the sun, moon and stars submitted to His command. Remember, created and ruled only Allah. Glory be to Allah, God of the worlds. (Al A'raaf: 7: 54)

In an effort to uncover the secret of Allah about why the Jews made Allah or Jahve as human, the author uses the basis of deoxyribonucleic acid.

HYPOTHESIS

Here the author proposes hypothesis why the Jews made Allah or Jahve as human, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARKS

If we want to know quarks then we pay attention to one of the hydrogen atoms which is a building element of the human body, animals, plants and fruit as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Next, if this proton is

split, we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules which are composed repeatedly of nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogen bases. The nitrogen bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

WHY THE JEWS MADE ALLAH OR JAHVE AS HUMAN

So now, we still continue to focus our minds on uncovering the secrets contained behind the verses: *"...Allah Who created the skys and the earth in six days, then He sat on 'Arsy...(Al A'raaf: 7 : 54) "...a day is worth fifty thousand years (Al Ma'arij: 70:4) (Al Ma'aarij: 70:4)*

Well, it turns out that here Allah declares *"...Allah Who created the skys and the earth in six days, then He sat on 'Arsy...(Al A'raaf: 7 : 54)*

Apparently, the Jews, consider Allah or Jahve to be a human, who worked to create *"...the skys and the earth in six days...(Al A'raaf: 7: 54)*. After the creation of *"...the skys and the earth in six days...(Al A'raaf: 7: 54)* was completed, then Allah or Jahve rested, one full day.

Or in other words, Jews consider Allah or Jahve *"... created the skys and the earth... (Al A'raaf : 7: 54)* from Sunday to Friday, six days, then Saturday, full rest, which is called shabbat.

Well, this Jewish thought shows that Allah or Jahve, is considered a human, who works hard starting from Sunday to Friday, six days, and on the seventh day, complete rest.

In fact, it is a symbol, described by Allah or Jahve to all humans, that Allah or Jahve *"...created the skys and the earth in six days...(Al A'raaf: 7: 54)* not like humans work, six days, then one day off, but a symbol that refers to Allah or Jahve which is Allah's energy or Jahve's energy *"...the mountain was destroyed...(Al A'raaf : 7: 143)*, Allah's particles or Jahve's particles *"...wherever you turn, there is the face of Allah...(Al Baqarah : 2: 115)* and Allah's Spirit or Jahve's Spirit *"...I breathed into Adam my spirit...(Shaad : 38: 72)* which was built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atom.

So, actually, when humans talk about Allah or Jahve, it means humans are talking about Allah's energy or Jahve's energy, Allah's particles or Jahve's particles and *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit.

Well, this is what the Jews don't understand.

When Allah or Jahve *"...created the skys and the earth...(Al A'raaf : 7: 54)* it refers to Allah's energy or Jahve's energy which formed quarks, then from the quarks, hydrogen atoms were formed.

So, from energy, particles are formed in the form of hydrogen atoms, from hydrogen atoms, the sun or stars are formed. Where hydrogen atoms are fuel for the sun or stars, so that the sun or stars shine. Likewise, the earth or planet is formed from hydrogen atoms and other atoms, such as carbon atoms, nitrogen atoms, oxygen atoms, helium atoms.

Also in the process of time *"...created the skys and the earth...(Al A'raaf : 7: 54)* took *"...six days...(Al A'raaf : 7: 54)* this too, is symbol. Where *"...six days...(Al A'raaf: 7: 54)* refers to time according to the calculation of Allah or Jahve, not according to human calculation.

So, the time process *"...created the skys and the earth...(Al A'raaf : 7: 54)* took *"...six days...(Al A'raaf : 7: 54)* according to Allah's calculation or Jahve's calculation, if calculated according to human calculations the time process becomes, **300 000** years, based on the law of Allah or the law of Jahve *"...a day is worth fifty thousand years (Al Ma'arij: 70:4)*

So, actually, starting with Allah's energy or Jahve's energy forming quarks, quarks forming atoms, atoms forming the sun or stars and forming the earth or planets, until something like the current solar cluster occurs, it takes a process of **300,000** years. So it's not 6 days as the Jews think.

Now, this is the secret of Allah or the secret of Jahve, which is not understood by the Jews and by almost all people in the world.

Well, this is a mistake in the thinking of the Jews, which makes Allah or Jahve considered a human, who works six days, starting on Sunday, ending on Friday, Saturday is a holiday, which is called Shabbat.

And this is also because the Jews do not understand the real Allah or Jahve. Finally, Allah or Jahve is considered by the Jews as a human who worked to make *"...the skys and the earth...(Al A'raaf: 7: 54)* in *"...six days...(Al A' raaf: 7: 54)*

Then, when Allah or Jahve worked to create *"...the skys and the earth...(Al A'raaf : 7: 54)* in *"...six days...(Al A' raaf: 7: 54)* used by Jews, work starts on Sunday, ends on Friday, Saturday is a holiday, or is called shabbat. What a narrow minded Jew.

CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses: *"...Allah Who created the skys and the earth in six days, then He sat on 'Arsy...(Al A'raaf: 7 : 54)* *"...a day is worth fifty thousand years (Al Ma'arij: 70:4) (Al Ma'aarij: 70:4)*

Well, it turns out that here Allah declares *"...Allah Who created the skys and the earth in six days, then He sat on 'Arsy...(Al A'raaf: 7 : 54)*

Apparently, the Jews, consider Allah or Jahve to be a human, who worked to create *"...the skys and the earth in six days...(Al A'raaf: 7: 54)*. After the creation of *"...the skys and the earth in six days...(Al A'raaf: 7: 54)* was completed, then Allah or Jahve rested, one full day.

Or in other words, Jews consider Allah or Jahve *"... created the skys and the earth... (Al A'raaf : 7: 54)* from Sunday to Friday, six days, then Saturday, full rest, which is called shabbat.

Well, this Jewish thought shows that Allah or Jahve, is considered a human, who works hard starting from Sunday to Friday, six days, and on the seventh day, complete rest.

In fact, it is a symbol, described by Allah or Jahve to all humans, that Allah or Jahve *"...created the skys and the earth in six days...(Al A'raaf: 7: 54)* not like humans work, six days, then one day off, but a symbol that refers to Allah or Jahve which is Allah's energy or Jahve's energy *"...the mountain was destroyed...(Al A'raaf: 7: 143)*, Allah's particles or Jahve's particles *"...wherever you turn, there is the face of Allah...(Al Baqarah : 2: 115)* and Allah's Spirit or Jahve's Spirit *"...I breathed into Adam my spirit...(Shaad : 38: 72)* which was built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atom.

So, actually, when humans talk about Allah or Jahve, it means humans are talking about Allah's energy or Jahve's energy, Allah's particles or Jahve's particles and *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* or Jahve's spirit.

Well, this is what the Jews don't understand.

When Allah or Jahve *"...created the skys and the earth...(Al A'raaf: 7: 54)* it refers to Allah's energy or Jahve's energy which formed quarks, then from the quarks, hydrogen atoms were formed.

So, from energy, particles are formed in the form of hydrogen atoms, from hydrogen atoms, the sun or stars are formed. Where hydrogen atoms are fuel for the sun or stars, so that the sun or stars shine. Likewise, the earth or planet is formed from hydrogen atoms and other atoms, such as carbon atoms, nitrogen atoms, oxygen atoms, helium atoms.

Also in the process of time *"...created the skys and the earth...(Al A'raaf: 7: 54)* took *"...six days...(Al A'raaf: 7: 54)* this too, is symbol. Where *"...six days...(Al A'raaf: 7: 54)* refers to time according to the calculation of Allah or Jahve, not according to human calculation.

So, the time process *"...created the skys and the earth...(Al A'raaf: 7: 54)* took *"...six days...(Al A'raaf: 7: 54)* according to Allah's calculation or Jahve's calculation, if calculated according to human calculations the time process becomes, **300 000** years, based on the law of Allah or the law of Jahve *"...a day is worth fifty thousand years (Al Ma'arij: 70:4)*

So, actually, starting with Allah's energy or Jahve's energy forming quarks, quarks forming atoms, atoms forming the sun or stars and forming the earth or planets, until something like the current solar cluster occurs, it takes a process of **300,000** years. So it's not 6 days as the Jews think.

Now, this is the secret of Allah or the secret of Jahve, which is not understood by the Jews and by almost all people in the world.

Well, this is a mistake in the thinking of the Jews, which makes Allah or Jahve considered a human, who works six days, starting on Sunday, ending on Friday, Saturday is a holiday, which is called Shabbat.

And this is also because the Jews do not understand the real Allah or Jahve. Finally, Allah or Jahve is considered by the Jews as a human who worked to make *"...the skys and the earth...(Al A'raaf: 7: 54)* in *"...six days...(Al A'raaf: 7: 54)*

Then, when Allah or Jahve worked to create *"...the skys and the earth...(Al A'raaf: 7: 54)* in *"...six days...(Al A'raaf: 7: 54)* used by Jews, work starts on Sunday, ends on Friday, Saturday is a holiday,

or is called shabbat. What a narrow minded Jew.
