**ABSTRACT**

Before the author writes the problem without reincarnation, all creatures will not live, including humans, animals, plants, bacteria, amoeba, fungi, archaea in the seven skys, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about without reincarnation, all creatures will not live, including humans, animals, plants, bacteria, amoeba, fungi, archaea in the seven skys, based on deoxyribonucleic acid (DNA).

There are several verses that open Allah's secrets about without reincarnation, all creatures will not live, including humans, animals, plants, bacteria, amoeba, fungi, archaea in the seven skys, namely the following verses:

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

*"And among His signs is that you see the earth dry and arid, so when We send down water on it, it will surely move and thrive. Verily, God Who gives life to it, surely can bring back the dead... (Fushshilat: 41: 39 )*

*"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)*

*"It is He Who created the skys and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you in wherever you are. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)*

*"So Mary made a veil from them; then We sent Our spirit to Mary, so Our spirit appeared before Mary, a perfect human being. (Maryam: 19:17)*

*"Allah created the skys and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)*

*"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

In an effort to open the veil of Allah's secret about without reincarnation, all creatures will not live, including humans, animals, plants, bacteria, amoeba, fungi, archaea in the seven skys, the author uses the basis of Deoxyribonucleic acid (DNA)

## **HYPOTHESIS**

Here the author proposes a hypothesis without reincarnation, all creatures will not live, including humans, animals, plants, bacteria, amoeba, fungi, archaea in the seven skys, based on Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **WITHOUT REINCARNATION, ALL CREATURES WILL NOT LIVE, INCLUDING HUMANS, ANIMALS, PLANTS, BACTERIA, AMOEBAS, MUSHROOMS, ARCHAEBACTERIA IN THE SEVEN SKYS**

Now, we are still concentrating on uncovering the secrets contained behind the verse: *"...We sent Our spirit to Maryam, Our spirit incarnated... a perfect human being (Maryam: 19:17)"...I breathed into him my spirit...(Shaad: 38:72)"...We adorned the near sky with bright stars...(Fushshilat: 41:12)*

Apparently, here Allah has declared *"...Our spirit incarnated...a perfect human being. (Mary: 19:17)*

Now the question arises

Why did Allah declare *"...Our spirit incarnated...a perfect human being. (Maryam: 19:17) ?*

The answer is in the secret behind the verse: *"Allah created the skys and the earth with right... (Al 'Ankabut: 29: 44)*

Now, whatever Allah has created in the skys and the earth, everything is based on knowledge, which can be proven, mathematically, experimentally and experimentally. Or in other words, whatever Allah created is *"...with right...(Al 'Ankabut: 29: 44)*

Now, *"...Our spirit...(Maryam: 19:17)*, because it is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, it will *"...incarnated...human.. .(Maryam: 19:17)*

Hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms are indispensable for the survival of humans, animals, plants, bacteria, amoeba, fungi. Without hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, there would be no life in Allah's creatures.

Well, on this basis, incarnation and reincarnation are needed, for the survival of humans, animals, plants, bacteria, amoeba, fungi.

Without incarnation and reincarnation there will be no survival of humans, animals, plants, bacteria, amoeba, fungi.

So, if there are some humans who make reincarnation as a belief, then what is meant by reincarnation here is hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that come out of the human body when the human dies, is inhaled by humans, animals, plants.

Then, if humans, who inhaled oxygen atoms from previously dead people, died, then the hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that came out of this dead human body, were inhaled again by humans, animals, plants.

Well, the process of removing hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms from the human body that dies and is inhaled again by humans, animals and plants, is called incarnation and reincarnation.

So, actually, incarnation and reincarnation, it doesn't mean humans die, then the dead humans turn into snakes, or turn into other humans, or turn into plants. But what is incarnated are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that come out of the dead human body which is inhaled by humans, animals and plants.

Humans are built with 7 000000000 000000000 000000000 atoms, where some of these atoms are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that make up *"...my spirit...*

*(Shaad : 38:72) or "...Allah's spirit ...(Shaad : 38:72)*

Well, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that make up the building of *"...my spirit...(Shaad : 38:72) or "...Allah's spirit ...(Shaad : 38:72)* are not unite with hydrogen atoms, carbon atoms, nitrogen atoms and other oxygen atoms, which come out of the dead human body.

Well, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that do not become buildings *"...my spirit...(Shaad : 38:72) or "...Allah's spirit ...(Shaad : 38:72)*who incarnate and reincarnate, becoming other humans, animals, and plants.

So, now, Allah's secret has been revealed about *"...Our spirit incarnated...a perfect human being" (Maryam: 19:17)*

That is, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms outside the building *"...Our spirit...(Maryam: 19:17) or "...Allah's spirit...(Maryam: 19:17)* is incarnated be human.

Only, of course, the process of incarnation and reincarnation is not made as a belief, but it is a process for the survival of all Allah's creatures who live in the seven skys.

## CONCLUSION

The conclusions that can be drawn from the explanation above are the secrets contained behind the verse: *"...We sent Our spirit to Maryam, Our spirit incarnated... a perfect human being (Maryam: 19:17)"...I breathed into him my spirit...(Shaad: 38:72)"...We adorned the near sky with bright stars...(Fushshilat: 41:12)*

Apparently, here Allah has declared *"...Our spirit incarnated...a perfect human being. (Mary: 19:17)*

Now the question arises

Why did Allah declare *"...Our spirit incarnated...a perfect human being. (Maryam: 19:17) ?*

The answer is in the secret behind the verse: *"Allah created the skys and the earth with right... (Al 'Ankabuut: 29: 44)*

Now, whatever Allah has created in the skys and the earth, everything is based on knowledge, which can be proven, mathematically, experimentally and experimentally. Or in other words, whatever Allah created is *"...with right...(Al 'Ankabuut: 29: 44)*

Now, *"...Our spirit...(Maryam: 19:17)*, because it is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, it will *"...incarnated...human.. .(Maryam: 19:17)*

Hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms are indispensable for the survival of humans, animals, plants, bacteria, amoeba, fungi. Without hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, there would be no life in Allah's creatures.

Well, on this basis, incarnation and reincarnation are needed, for the survival of humans, animals, plants, bacteria, amoeba, fungi.

Without incarnation and reincarnation there will be no survival of humans, animals, plants, bacteria, amoeba, fungi.

So, if there are some humans who make reincarnation as a belief, then what is meant by reincarnation here is hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that come out of the human body when the human dies, is inhaled by humans, animals, plants.

Then, if humans, who inhaled oxygen atoms from previously dead people, died, then the hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that came out of this dead human body, were inhaled again by humans, animals, plants.

Well, the process of removing hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms from the human body that dies and is inhaled again by humans, animals and plants, is called incarnation and reincarnation.

So, actually, incarnation and reincarnation, it doesn't mean humans die, then the dead humans turn into snakes, or turn into other humans, or turn into plants. But what is incarnated are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that come out of the dead human body which is inhaled by humans, animals and plants.

Humans are built with 7 000000000 000000000 000000000 atoms, where some of these atoms are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that make up *"...my spirit... (Shaad : 38:72) or "...Allah's spirit ... (Shaad : 38:72)*

Well, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that make up the building of *"...my spirit... (Shaad : 38:72) or "...Allah's spirit ... (Shaad : 38:72)* are not unite with hydrogen atoms, carbon atoms, nitrogen atoms and other oxygen atoms, which come out of the dead human body.

Well, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms that do not become buildings *"...my spirit... (Shaad : 38:72) or "...Allah's spirit ... (Shaad : 38:72)* who incarnate and reincarnate, becoming other humans, animals, and plants.

So, now, Allah's secret has been revealed about *"...Our spirit incarnated...a perfect human being" (Maryam: 19:17)*

That is, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms outside the building *"...Our spirit... (Maryam: 19:17) or "...Allah's spirit... (Maryam: 19:17)* is incarnated be human.

Only, of course, the process of incarnation and reincarnation is not made as a belief, but it is a process for the survival of all Allah's creatures who live in the seven skys.
