## ABSTRACT

First of all, by asking forgiveness from Allah SWT, here the author tries to reveal the signs of Allah SWT's greatness regarding some humans propagating that Judgment Day is near, humans live at the end of time, because Allah's knowledge is lost, ignorance about Allah is everywhere, is this propaganda true? , based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

In the Qur'an, several verses are found which are the key to unlocking the secret about some people propagating Judgment Day is near, humans are living in the end times, because Allah's knowledge is missing, ignorance about Allah is everywhere, is the propaganda true, namely the verses:

*"Angels and spirits ascend to God in a day the measure of which is fifty thousand years. (Al Ma'aarij: 70:4)*

*"And they do not glorify Allah with proper exaltation when the whole earth is in His hands on the Day of Resurrection and the heavens are rolled up with His right hand. Glory be to God and exalted is He above what they associate. (Az Zumar: 39: 67)*

*"It is Allah who sent down the book with truth and balance. And do you know that the Day of Resurrection may be near? (Ash Shuura: 42:17)*

*"People ask you about the day of resurrection. Say: "Indeed, the knowledge of the day of resurrection is only with Allah."*

*"When the sun is rolled up, (At Takwiir: 81:1)*

*"And when the stars fall, (At Takwiir: 81: 2)*

*"The Day of Resurrection is near. (An Najm: 53: 57)*

*"Indeed, the Day of Judgment will come. I keep it a secret so that each person will be rewarded with what he has earned." (Thaahaa: 20:15)*

*"And to Allah belongs all that is hidden in the heavens and in the earth. There is no such thing as the Hour, but like the twinkling of an eye or sooner. Verily, Allah has power over all things. (An Nahl: 16: 77)*

In an effort to open the veil about some people propagating that Judgment Day is near, humans live at the end of time, because Allah's knowledge is missing, ignorance about Allah is everywhere, is the propaganda true, the author bases it on photons, quarks and deoxyribonucleic acid or deoxyribonucleic acid or structures. nucleic acid molecules.

## HYPOTHESIS

Here the author proposes the hypothesis that humans propagate Judgment Day is near, humans live at the end of time, Allah's knowledge is lost, ignorance about Allah is everywhere, but in fact that propaganda is not true, according to human calculations it must be multiplied by the number 18262980, based on photons, quarks and Deoxyribonucleic acid (DNA)

## DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## THERE ARE SOME PEOPLE WHO PROMOTE JUDGMENT DAY IS NEAR, THE END TIME IS ENDING ON THE HORN, BUT THAT IS ALL JUST PROPAGANDA UNSUPPORTED BY FACTS AND EVIDENCE ACCORDING TO ALLAH

Well now, we continue to try to focus our minds to reveal the secrets hidden in the verse: *"...maybe the Day of Judgment is near (Asy Syuura: 42:17) "When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)"... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4)*

Apparently, here Allah declared that *"...maybe Judgment Day is near (Asy Shuura: 42:17)*

But according to Allah Judgment Day will occur *"When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)*

Well, *"...the sun is rolled up (At Takwiir: 81: 1)* means, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. The hydrogen atomic fuel will run out **4600000000** years according to calculations If it is calculated according to Allah's calculations, the hydrogen atomic fuel will run out **4600000000 : 18262980 = 251.8** years, based on *"...a day which is fifty thousand years. (Al Ma'aarij: 70: 4)* means 1 day according to Allah = **18262980** days according to humans.

So, actually Judgment Day will occur when "...the sun is rolled up (At Takwiir: 81:1) i.e. 4600000000 years to come.

Not as propagated by some humans, Judgment Day is near, humans live at the end of time, Allah's knowledge is lost, ignorance about Allah is everywhere, slander is rampant, which makes other humans confused. Those who propagate Judgment Day is near are people who do not understand the real Allah.

Some people who propagate Judgment Day is near do not understand how to calculate when the Judgment Day will occur according to Allah and when Judgment Day will occur according to human calculations. If according to Allah, Judgment Day will occur 251.8 years in the future "... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4), while according to human calculations based on facts and evidence when the hydrogen atom in the sun runs out is 4.6 billion years to come.

## CONCLUSION

Based on the description above, we can conclude that the secrets hidden in the verse: "...maybe the Day of Judgment is near (Asy Syuura: 42:17) "When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)"... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4)

Apparently, here Allah declared that "...maybe Judgment Day is near (Asy Shuura: 42:17)

But according to Allah Judgment Day will occur "When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)

Well, "...the sun is rolled up (At Takwiir: 81: 1) means, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. The hydrogen atomic fuel will run out 4600000000 years according to calculations. If it is calculated according to Allah's calculations, the hydrogen atomic fuel will run out  $4600000000 : 18262980 = 251.8$  years, based on "...a day which is fifty thousand years. (Al Ma'aarij: 70: 4) means 1 day according to Allah = 18262980 days according to humans.

So, actually Judgment Day will occur when "...the sun is rolled up (At Takwiir: 81:1) i.e. 4600000000 years to come.

Not as propagated by some humans, Judgment Day is near, humans live at the end of time, Allah's knowledge is lost, ignorance about Allah is everywhere, slander is rampant, which makes other humans confused. Those who propagate Judgment Day is near are people who do not understand the real Allah.

Some people who propagate Judgment Day is near do not understand how to calculate when the Judgment Day will occur according to Allah and when Judgment Day will occur according to human calculations. If according to Allah, Judgment Day will occur 251.8 years in the future "... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4), while according to human calculations based on facts and evidence when the hydrogen atom in the sun runs out is 4.6 billion years to come.
