DISCOVERING ALLAH'S SECRET ABOUT JEWS PROHIBITED

TO ENTER IN CANAAN

ABSTRACT

Previously I asked for forgiveness from Allah SWT because here I was trying to reveal the signs of the greatness of Allah SWT regarding the Jews being forbidden to enter Canaan based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA)

There are several verses in the Al Quran that can be used as a basis for revealing the secrets of the Jews being prohibited from entering Canaan, namely the following verses:

"They said:" O Musa, we will never enter it for ever, while they are in it, therefore go with your Lord, and fight the two of you, we are just sitting here waiting. "(Al Maa'idah: 5:24) Said Moses, "O my Lord, I do not master except myself and my brothers. Therefore, separate us from those who are wicked. "(Al Maa'idah: 5:25)

"Allah said:" (If so), then verily the land was haraam against them for forty years, (during that time) they would be swirling confusion in the earth (padang Tiuh) it. So don't be sad (think about the fate) of those wicked people. "(Al Maa'idah: 5:26)

In an attempt to uncover the secrets of the Jews, it was forbidden to enter Canaan the author used a tool called deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that the Jews were not residents of Canaan, the Canaanites and Palestinians were already in Canaan from the point of view of Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information which has a double structure that forms a double helix and which contains polynucleotide macromolecules which are arranged repeatedly from nucleotide polymers. These nucleotides are composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine (A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

IN CANAAN ALREADY SOME KANAAN AND PALESTIN PEOPLE BEFORE THE JEWS COME

before these Jews entered Canaan there were already inhabitants of Canaan and Palestinians. So according to Jewish teachings, Canaan was the place promised by the Jewish God.

But the fact in Canaan there are already inhabitants of Canaan and Palestinians *"They said:" O Moses, we will not enter it forever, while they are in it ..., (Al Maa'idah: 5: 24)*

Here it is clear that in Canaan, according to the teachings of the Jews, a country that had been promised by the Jewish God was in fact the land of the Canaanites and Palestinians.

JEWS ARE PROHIBITED TO ENTER IN CANAAN

"Allah said:" (If so), then verily the land was forbidden against them ... "(Al Maa'idah: 5: 26)

Even though it was forbidden for the Jews to enter Canaan, they continued to invade. And those who persevere in dealing with these Jews are Palestinians.

JEWS ARE FAKE AND LIETERS BY SAYING CANAAN PROMISED BY THE JEWISH LORD

Now it is clear that all of us who are hundreds of millions of people on this earth are deceived and deceived by the Jews with their heretical teachings.

CONCLUSION

Based on the description above, we can conclude that in Canaan there were already Canaanites and Palestinians before the Jews came.

So according to Jewish teachings, Canaan was the place promised by the Jewish God. But the fact in Canaan there are already inhabitants of Canaan and Palestinians *"They said:" O Moses, we will not enter it forever, while they are in it ..., (Al Maa'idah: 5: 24)*

Here it is clear that in Canaan, according to the teachings of the Jews, a country that had been promised by the Jewish God was in fact the land of the Canaanites and Palestinians.

Jews are forbidden to enter Canaan *"Allah said:" (If so), then verily the land is forbidden against them ... "(Al Maa'idah: 5:26)*

Even though it was forbidden for the Jews to enter Canaan, they continued to invade. And those who persevere in dealing with these Jews are Palestinians.

The Jews deceived and lied to say Canaan was the land promised by the Jewish god.

Now it is clear that all of us who are hundreds of millions of people on this earth are deceived and deceived by the Jews with their heretical teachings.
