### ABSTRACT

Before I write about the secret issue of Allah regarding the Jews who make up their own teachings, I first ask for forgiveness from Allah SWT. Here I am trying to open the veil that covers the secret of Allah regarding the Jews who made their own teachings from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become tools for opening God's secrets regarding the Jews who make their own teachings, namely the verse:

*"O Messenger, do not be saddened by those who hasten (show) disbelief, namely among those who say with their mouths: "We have believed", even though their hearts have not yet believed; and (also) among those who Jews. (The Jews) were very fond of hearing (news) lies and were very fond of hearing the words of other people who had never come to you; they changed the words (of the Torah) from their places. They said: "If this (which has been torn by them) given to you, then accept it, and if you are given what is not this then be careful." Whoever Allah wills is heretical, then you will not be able to reject anything (who come) from Allah. They are the ones whom Allah does not want to purify their hearts. They get humiliation in the world and in the hereafter they get a great torment. (Al Maa'idah: 5: 41)*

*"And (remember), when Allah took the covenant from the prophets:" Indeed, whatever I give you in the form of books and wisdom then comes to you an apostle who confirms what you have, you will undoubtedly have faith in him and help him ". Allah said, "Do you acknowledge and accept My covenant against such things?" They replied: "We acknowledge." Allah said: "Then witness (O prophets) and I will be a witness (also) with you." (Ali 'Imran: 3: 81)*

*"Indeed, We have given revelations to you as We have given revelations to Noah and later prophets, and We have given revelations (also) to Abraham, Isma'il, Isaac, Ya'qub and their grandchildren, Isa, Ayyub, Yunus. , Aaron and Solomon. And We gave Zabur to David. (An Nisaa ': 4: 163)*

*And (We have also sent) Lut (to his people). (Remember) when he said to them, "Why are you doing that faahisyah deed, which no one (in this world) has done before you?" (Al A'raaf: 7: 80)*

*"And indeed We have bestowed favors on Musa and Harun. (Ash Shaaffaat: 37: 114)*

*And tell them (O Muhammad, the story of) Idris (the one) in the Al Quran. In fact he is a very justifying and a prophet. (Maryam: 19:56)*

In an effort to open the veil of God's secret regarding the Jews who make their own teachings I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

### HYPOTHESIS

Here the author proposes a hypothesis that almost all of the prophets were Jews when viewed from a basic point of view of Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information which has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. These nucleotides are composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine (A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **JEWS LOVE TO HEAR AND MAKE LIES NEWS**

Let us together unravel the secret behind the verse: *"... and (also) among the Jews." (The Jews) really like to hear (news) lies ... "(Al Maa'idah: 5: 41)*

Now it is revealed that the Jew likes to hear fake news, and then the fake news is written and spread everywhere.

Now who is a Jew it turns out that according to what is in the Koran these Jews consider the descendants of the Prophet Adam to Prophet Isa.

Let us further break down what is in the Quran

## **PROPHET ADAM FROM AFRICA**

Let us now explore what is contained in the verse: *"Verily We have created you (Adam), then We form your body, then We say to the angels: "Bow down to Adam ", then they prostrate except the devil ... (Al A'raaf: 7: 11)* And the verse: *"... Allah created Adam from the ground ... (Ali' Imran: 3: 59)* and the verse *"... "Verily I will create man from the ground." (Shaad: 38: 71)*

It turns out that Prophet Adam lived and passed down human descendants until now from Africa around Lake Victoria.

## **THE PROPHET IDRIS AND THE PROPHET NUH AND OFFSPRING ARE JEWS**

Next we dig again into the verse: *"And (remember), when Allah took the covenant from the prophets: "Indeed, whatever I give you in the form of books and wisdom then comes to you an apostle who confirms what is in you, surely you will really- really believed in him and helped him "... " (Ali' Imran: 3: 81)*

And the verse: *"And tell them (O Muhammad, the story of) Idris (the one) in the Quran ... " (Maryam: 19:56)*

As well as the verse: *"Verily, We have given revelations to you as We have given revelations to Noah and the later prophets, and We have given revelations (also) to Ibrahim, Isma'il, Isaac, Ya'qub and their grandchildren, Isa, Ayyub. , Jonah, Aaron and Solomon. And We gave Zabur to David. (An Nisaa ': 4: 163)*

So on in the verse: *"And (We have also sent) Lut (to his people) ... " (Al A'raaf: 7: 80)*

And the verse: *"And We save Abraham and Lut to a land that We have blessed him for all mankind. (Al Anbiyaa ': 21: 71)*

As well as the verse: *"And indeed We have bestowed favors on Moses and Aaron. (Ash Shaaffaat: 37: 114)*

It turns out that here it is clearly illustrated that *"... the prophets ..."* (Ali 'Imran: 3: 81) are the descendants of the Jews from the start of the Prophet Idris to the Prophet Ismail, except for Prophet Muhammad and Prophet Adam.

This is the secret behind the verse: *"And (remember), when Allah took a covenant from the prophets:" Indeed, whatever I give you in the form of books and wisdom then comes to you an apostle who confirms what is in you, surely you will really. - really believe in him and help him "..."* (Ali 'Imran: 3: 81) namely that *"... the prophets ..."* (Ali 'Imran: 3: 81) This is the descendant of the Jews from the start Prophet Idris to Prophet Ismail, except for Prophet Muhammad and Prophet Adam

## CONCLUSION

Based on the description above we can conclude that in the verse: *"Verily We have created you (Adam), then We form your body, then We say to the angels:" Bow down to Adam ", then they prostrate except the devil ... A'raaf: 7: 11) And the verse: "... Allah created Adam from the ground ... (Ali 'Imran: 3: 59) and the verse" ... "Verily I will create man from the ground." (Shaad: 38 : 71)*

It turns out that Prophet Adam lived and passed down human descendants until now from Africa around Lake Victoria.

So, in the verse: *"And (remember), when Allah took the covenant from the prophets:" Indeed, whatever I give you in the form of books and wisdom then comes to you an apostle who confirms what you have, you will undoubtedly have faith. to him and help him "..."* (Ali 'Imran: 3: 81)

And the verse: *"And tell them (O Muhammad, the story of) Idris (the one) in the Quran ..."* (Maryam: 19:56)

As well as the verse: *"Verily, We have given revelations to you as We have given revelations to Noah and the later prophets, and We have given revelations (also) to Ibrahim, Isma'il, Isaac, Ya'qub and their grandchildren, Isa, Ayyub. , Jonah, Aaron and Solomon. And We gave Zabur to David. (An Nisaa ': 4: 163)*

Also in the verse: *"And (We have also sent) Lut (to his people) ..."* (Al A'raaf: 7: 80)

And the verse: *"And We save Abraham and Lut to a land that We have blessed him for all mankind. (Al Anbiyaa ': 21: 71)*

As well as the verse: *"And indeed We have bestowed favors on Moses and Aaron. (Ash Shaaffaat: 37: 114)*

It turns out that here it is clearly illustrated that *"... the prophets ..."* (Ali 'Imran: 3: 81) are the descendants of the Jews from the start of the Prophet Idris to the Prophet Ismail, except for Prophet Muhammad and Prophet Adam.
