## **ABSTRACT**

Before I write about Allah's secret issue about how Isa son of Maryam actually brought the dead to life from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about how Isa, the son of Maryam, actually brought the dead to life, namely:

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"...Indeed the Messiah, Isa the son of Maryam, is the Messenger of Allah and His words which He conveyed to Mary, and a spirit from Him. So believe in Allah and His messengers...(An Nisaa' : 4: 171)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"And Maryam, the daughter of Imran, who kept her honor, so We breathed into her womb some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient. (At Tahrir: 66:12)*

*And when Abraham said: "My Lord, show me how You bring the dead to life." Allah said: "Are you not sure yet?" Ibrahim replied: "I have convinced him, but so that my heart remains steady Allah says: "Take four birds and chop them all up by you. "Then put on each hill one part of it, then call them, surely they will come to you immediately." And know that Allah is Mighty, Most Wise. (Al Baqarah: 2:260)*

*"Then We said: "Strike the corpse with some of the members of the female cow!" Thus Allah brings back to life those who have died, and shows you the signs of His power so that you may understand (Al Baqarah: 2:73)*

*"And the Apostle to the Children of Israel: "Indeed I have come to you with a sign (miracle) from your Lord, namely I made for you from the ground the shape of a bird; then I blew on it, and it became a bird by Allah's permission; and I healed people. who are blind from birth and those who are stricken with hair loss, and I bring the dead to life by the permission of Allah; and I inform you of what you eat and what you keep in your homes. Verily, in this is a sign for you, if you are sincere. truly believe (Ali 'Imran: 3:49)*

In an effort to open the veil of Allah's secret about how Isa the son of Maryam actually brought the dead to life, I used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes the hypothesis that Jesus son of Mary resurrects the dead when *"... my spirit... (Shaad: 38: 72)* comes out of the body of the dead person from the basic point of

Deoxyribonucleic acid (DNA)."

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **REVIVE THE DEAD WHEN THE SPIRIT OF ALLAH COMES OUT OF THE BODY OF THE DEAD**

Well, now we are still concentrating on uncovering the secret hidden behind the verse: *"Then We said: "Strike the corpse with some of the female cow members!" Thus Allah brings back to life those who have died, .. (Al Baqarah: 2: 73)*

It turned out that the dead person did not come back to life, but *"...my spirit;... Shaad: 38:72)* who lived and came out of the body of that person's corpse.

Where *"... my spirit;... Shaad : 38: 72)* this is deoxyribonucleic acid (DNA) in which there is a *"spirit from Him...(An Nisaa': 4:171)* which consists of 32,20 % carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

So actually the one who lived again after *"... part of the female cow!...(Al Baqarah: 2:73)* was beaten to *"...the corpse...(Al Baqarah: 2:73)* that person is *"...my spirit;... Shaad : 38: 72)*

Then we continue to unravel the secret behind the verse: *"Take four birds, then chop them all up by you." Then put on each hill one part of the parts, then call them, surely they will come to you immediately." .. (Al Baqarah : 2: 260)*

It turns out that even here it is not four birds that have been *"...chopped...(Al Baqarah: 2: 260)* that have come back to life, but *"... my spirit;... Shaad: 38: 72)* in the form of carbon atoms, nitrogen atoms, oxygen atoms and hydrogen atoms that come out of the four birds' bodies that have been *"...chopped...(Al Baqarah: 2: 260).*

Then we continue to explore the secrets that are hidden behind the verse: *"...I bring the dead to life by Allah's permission;...(Ali 'Imran: 3:49)* is one of the *"...signs from your Lord,...(Ali 'Imran: 3:49)* which was given to Isa son of Mary.

It turned out that the dead did not come back to life, but what came back to life was *"...my spirit;... Shaad: 38:72)* that came out of the body of the corpse of that person.

So, now it has been revealed that the real thing that comes back to life is *"...my spirit;... Shaad : 38:72)* which comes out of the body of the corpse.

So Isa, the son of Maryam, who "... brings the dead back to life with Allah's permission;...(Ali 'Imran: 3:49) it turns out that the one who comes back to life is "...a spirit from Him...(An Nisaa': 4: 171) or "...My spirit;... Shaad : 38:72) in the form of carbon atoms, nitrogen atoms, oxygen atoms and hydrogen atoms that come out of that person's corpse.

## CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"Then We said: "Strike the corpse with some of the female cow members!" Thus Allah brings back to life those who have died, .. (Al Baqarah: 2: 73)*

It turned out that the dead person did not come back to life, but "...my spirit;... Shaad: 38:72) who lived and came out of the body of that person's corpse.

Where "... my spirit;... Shaad : 38: 72) this is deoxyribonucleic acid (DNA) in which there is a "spirit from Him...(An Nisaa': 4:171) which consists of 32,20 % carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

So actually the one who lived again after "... part of the female cow!...(Al Baqarah: 2:73) was beaten to "...the corpse...(Al Baqarah: 2:73) that person is "...my spirit;... Shaad : 38: 72)

Then we continue to unravel the secret behind the verse: *"Take four birds, then chop them all up by you." Then put on each hill one part of the parts, then call them, surely they will come to you immediately." .. (Al Baqarah : 2: 260)*

It turns out that even here it is not four birds that have been "...chopped...(Al Baqarah: 2: 260) that have come back to life, but "... my spirit;... Shaad: 38: 72) in the form of carbon atoms, nitrogen atoms, oxygen atoms and hydrogen atoms that come out of the four birds' bodies that have been "...chopped...(Al Baqarah: 2: 260).

Then we continue to explore the secrets that are hidden behind the verse: *"...I bring the dead to life by Allah's permission;...(Ali 'Imran: 3:49) is one of the "...signs from your Lord;...(Ali 'Imran: 3:49) which was given to Isa son of Mary.*

It turned out that the dead did not come back to life, but what came back to life was "...my spirit;... Shaad: 38:72) that came out of the body of the corpse of that person.

So, now it has been revealed that the real thing that comes back to life is "...my spirit;... Shaad : 38:72) which comes out of the body of the corpse.

So Isa, the son of Maryam, who "... brings the dead back to life with Allah's permission;...(Ali 'Imran: 3:49) it turns out that the one who comes back to life is "...a spirit from Him...(An Nisaa': 4: 171) or "...My spirit;... Shaad : 38:72) in the form of carbon atoms, nitrogen atoms, oxygen atoms and hydrogen atoms that come out of that person's corpse.
