ABSTRACT

Before I write about Allah's secret problem about how Allah's spirit that was breathed into Adam and all humans is different from that which was breathed into Isa son of Maryam from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about how it is possible that the spirit of Allah that was breathed into Adam and all mankind is different from that which was breathed into Isa son of Maryam, namely the following verses:

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"O People of the Book, do not transgress in your religion, and do not say against Allah except the truth. Verily, the Messiah, Jesus, the son of Mary, is the Messenger of Allah and His words which He conveyed to Mary, and a spirit from Him. So believe in Allah and His messengers and do not say: "three", stop. It is better for you. Verily Allah is the One God, Glory be to Allah from having children, everything in the heavens and the earth belongs to you. Allah is sufficient to be the Sustainer. (An Nisaa': 4:171)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

In an effort to open the veil of Allah's secret about how Allah's spirit breathed into Adam and all mankind is different from that which was breathed on Jesus son of Mary, I used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that the spirit of Allah which was breathed into Adam and all mankind is no different from that which was breathed into Isa, son of Maryam, from a basic point of view of Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms,

2 oxygen atoms and 8 hydrogen atoms.

THE SPIRIT OF ALLAH WHICH WAS BLOWED ON ALL HUMANITY IS THE SAME AS THE SPIRIT OF ALLAH WAS BLOWED ON JESUS THE SON OF MARYAM

Well, now we still focus on revealing the secret hidden behind the verse: *"...Isa, the son of Mary, is the messenger of Allah and His words which He conveyed to Mary, and the spirit from Him... (An Nisaa': 4: 171)*

Now it turns out that *"...the spirit from Him...(An Nisaa': 4: 171)* which was breathed into Isa son of Maryam is the spirit of Allah which applies to all mankind on this earth.

Because Jesus son of Mary is a human like us, then in the body of Jesus son of Maryam contains deoxyribonucleic acid (DNA) in which there is a *"spirit from Him ... (An Nisaa': 4: 171)* consisting of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

FROM THE SPIRIT OF ALLAH THIS IS A PART OF HEARING, SEEING AND HEART

Now, let's explore the secret hidden behind the verse: *"...He made for you hearing, sight and heart; you are very grateful. (As Sajdah: 32: 9)*

Now, it was revealed that Jesus son of Mary, Adam and all humans on this earth have the same hearing, sight and heart.

So, because hearing, sight and heart are the same, Jesus the son of Mary, Adam and all humans on this earth came from *"a spirit from Him...(An Nisaa': 4:171)* or *"...my spirit. ...(Shaad : 38:72)* same.

IF ISA SON OF MARYAM IS THE SON OF ALLAH, THEN ALL HUMANS ON EARTH ARE ALSO THE SON OF ALLAH

Now, let's unveil the secret behind the verse: *"...don't say: "three", stop. Better for you...(An Nisaa': 4:171)*

Well it's true, it's not possible *"a spirit from Him...(An Nisaa': 4:171)* or *"...My spirit...(Shaad: 38:72)* which Allah breathed into every mother on this earth including to Maryam, then the mothers gave birth to sons, then the sons were called sons of Allah, the mothers were called wives of Allah, and they were called "three", father, son and wife.

So Allah has declared to those who always say *"three" is better "...stop...(An Nisaa': 4:171)* because *"...everything in the heavens and the earth belongs to Him... (An Nisaa': 4:171)*

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"...Isa, the son of Mary, is the messenger of Allah and His words which He conveyed to Mary, and the spirit from Him... (An Nisaa': 4: 171)*

Now it turns out that *"...the spirit from Him...(An Nisaa': 4: 171)* which was breathed into Isa son of Maryam is the spirit of Allah which applies to all mankind on this earth.

Because Jesus son of Mary is a human like us, then in the body of Jesus son of Maryam contains deoxyribonucleic acid (DNA) in which there is a *"spirit from Him ... (An Nisaa': 4: 171)*

consisting of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

Now, let's explore the secret hidden behind the verse: *"...He made for you hearing, sight and heart; you are very grateful. (As Sajdah: 32: 9)*

Now, it was revealed that Jesus son of Mary, Adam and all humans on this earth have the same hearing, sight and heart.

So, because hearing, sight and heart are the same, Jesus the son of Mary, Adam and all humans on this earth came from *"a spirit from Him...(An Nisaa': 4:171)* or *"...my spirit. ...(Shaad : 38:72)* same.

Now, let's unveil the secret behind the verse: *"...don't say: "three", stop. Better for you...(An Nisaa': 4:171)*

Well it's true, it's not possible *"a spirit from Him...(An Nisaa': 4:171)* or *"...My spirit...(Shaad: 38:72)* which Allah breathed into every mother on this earth including to Maryam, then the mothers gave birth to sons, then the sons were called sons of Allah, the mothers were called wives of Allah, and they were called "three", father, son and wife.

So Allah has declared to those who always say *"three" is better "...stop...(An Nisaa': 4:171)* because *"...everything in the heavens and the earth belongs to Him... (An Nisaa': 4:171)*
