## ABSTRACT

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of Allah SWT's greatness regarding Allah's secret about who is meant by an almighty God, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

In the Qur'an, several verses are found that are the key to unlocking the secret of who is meant by the one and only divinity, namely the following verses:

*"Read your book, it is enough for yourself at this time as a reckoning against you." (Al Israa ': 17:14)*

*"Have We not made the earth (a place) to gather, (Al Mursalaat: 77: 25) the living and the dead? (Al Mursalaat: 77: 26)*

*"... then We bring out because of the rain various kinds of fruit. That is how We raise the dead..." (Al A'raaf: 7: 57)*

*"Allah is the light of the heavens and the earth.*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"And why don't they think about themselves? Allah did not make the heavens and the earth and what is between them except with the truth and at an appointed time. And indeed, most of the people really deny meeting their Lord. (Ar Ruum: 30:8)*

*Say: "He is Allah, the One and Only (Al Ikhlaash: 112:1)*

*"The parable of those who take protectors other than Allah is that of a spider that builds a house. And indeed the weakest house is the spider's house if they know. (Al 'Ankabuut: 29:41)*

*"... We are closer to him than his jugular vein, (Qaaf: 50:16)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)*

*"Allah has sent down the best sayings of the Qur'an which are similar over and over again, the skin of those who fear their Lord tremble, then their skins and hearts become calm at the remembrance of Allah. That is Allah's guidance, with that book He shows whom He wills. And whoever Allah leads astray, there will be no leader for him. (Az Zumar: 39:23)*

In an effort to unmask the mystery of Allah, who is meant by an almighty divinity, I based on photons, quarks and deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I propose the hypothesis that what is meant by the one and only divinity here is based on the views and thoughts of humans who consider one god.

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **WHAT IS THE ALMIGHTY GOD**

Now, we are still concentrating on uncovering the secret behind the verse: *"Say: "He is Allah, the One and Only (Al Ikhlash: 112: 1)*

As it turned out, it was immediately revealed that, who is *"...The Almighty (Al Ikhlash: 112: 1)?*

The answer is

*"He is Allah... (Al Ikhlash: 112: 1)*

However, if we ask, who is the "The One Almighty God" which is one of the five precepts?

The answer is,

What is clear is not *"He is Allah, the One and Only (Al Ikhlash: 112: 1) "Allah has sent down the best words of the Qur'an... (Az Zumar: 39: 23)*

So, it is now revealed that "The One Almighty God" which is one of the five precepts is not *"Allah (who) has sent down the best words of the Qur'an...(Az Zumar:39:23)* but rather "The One Almighty God" according to human views, understandings and ideals.

It means, "The One Almighty God" according to the notion of socialism, according to the notion of democracy, according to the notion of human rights and according to the notion of the rights of justice.

So, because "The One Almighty God" according to the ideology of socialism, according to the notion of democracy, according to the notion of human rights and according to the notion of the rights of justice is not *"... Allah, the Almighty (Al Ikhlash: 112: 1)* and not *"Allah (who) has sent down the best words of the Qur'an ... (Az Zumar: 39: 23)* , then *"The One Almighty God"* which is one of the five precepts is the result of secular people's thinking.

This means that secular people are people who do not want and do not aim to make the laws that exist in religion, in this case Islam, become a source of law in the state.

So, now it has been revealed, that "The One Almighty God" which is one of the five precepts is the result of secular people's thinking.

"The One Almighty God" which is one of the five precepts is outside of Islam.

## **DEVELOPING THE ISLAMIC AKIDAH UNDER THE SHADOW OF THE CONCEPT OF THE ONE ALMIGHTY GOD RESULT OF SEULAR PEOPLE'S THINKING**

Now, let's unveil the secret behind the verse: *"Allah has sent down the best words of the Qur'an which are similar again and again... That is Allah's guidance, with that book He shows whom He wills... (Az Zumar: 39 :23)*

It turns out, "The One Almighty God" which is one of the five precepts is the result of the thinking of secular people is not *"...guidance of Allah ... (Az Zumar: 39: 23)*

So, if there are people who develop the Islamic creed under the auspices of the concept of "The One Almighty God" which is one of the five precepts is the result of secular people's thinking, then the result is like *"...a spider that builds a house. And indeed the weakest house is the spider's house... (Al 'Ankabuut: 29: 41)*

## **CONCLUSION**

Based on the description above, we can conclude that the secret behind the verse: *"Say: "He is Allah, the One and Only (Al Ikhlash: 112: 1)*

As it turned out, it was immediately revealed that, who is *"...The Almighty (Al Ikhlash: 112: 1)?*

The answer is

*"He is Allah... (Al Ikhlash: 112: 1)*

However, if we ask, who is the "The One Almighty God" which is one of the five precepts?

The answer is,

What is clear is not *"He is Allah, the One and Only (Al Ikhlash: 112: 1) "Allah has sent down the best words of the Qur'an... (Az Zumar: 39: 23)*

So, it is now revealed that "The One Almighty God" which is one of the five precepts is not *"Allah (who) has sent down the best words of the Qur'an...(Az Zumar:39:23)* but rather "The One Almighty God" according to human views, understandings and ideals.

It means, "The One Almighty God" according to the notion of socialism, according to the notion of democracy, according to the notion of human rights and according to the notion of the rights of justice.

So, because "The One Almighty God" according to the ideology of socialism, according to the notion of democracy, according to the notion of human rights and according to the notion of the rights of justice is not *"... Allah, the Almighty (Al Ikhlash: 112: 1)* and not *"Allah (who) has sent down the best words of the Qur'an ... (Az Zumar: 39: 23)* , then *"The One Almighty God"* which is one of the five precepts is the result of secular people's thinking.

This means that secular people are people who do not want and do not aim to make the laws that

exist in religion, in this case Islam, become a source of law in the state.

So, now it has been revealed, that "The One Almighty God" which is one of the five precepts is the result of secular people's thinking.

"The One Almighty God" which is one of the five precepts is outside of Islam.

Now, let's unveil the secret behind the verse: *"Allah has sent down the best words of the Qur'an which are similar again and again... That is Allah's guidance, with that book He shows whom He wills... (Az Zumar: 39 :23)*

It turns out, "The One Almighty God" which is one of the five precepts is the result of the thinking of secular people is not *"...guidance of Allah ... (Az Zumar: 39: 23)*

So, if there are people who develop the Islamic creed under the auspices of the concept of "The One Almighty God" which is one of the five precepts is the result of secular people's thinking, then the result is like *"...a spider that builds a house. And indeed the weakest house is the spider's house... (Al 'Ankabuut: 29: 41)*
