**ABSTRACT**

Previously, I asked forgiveness from Allah SWT. Here I am trying to open the veil that covers the secret of Allah about how Jibril actually conveyed revelations to the Prophet Muhammad saw, viewed from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses in the Qur'an that write down the problem, how exactly, Jibril conveyed revelations to the Prophet Muhammad saw, namely the following verses:

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills... (Ash Shuura: 42: 51)*

*"... Gabriel has lowered it into your heart with the permission of Allah;... (Al Baqarah: 2: 97)*

*"And indeed We know that they say: "Indeed the Qur'an was taught to him by a human." Yet the language of the people they accuse Muhammad of learning to him is the language of 'Ajam, while the Qur'an is in clear Arabic. (An Nahl: 16: 103)*

*"...then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"...and appeared in his true form. (An Najm: 53:6)*

*"...And indeed Muhammad saw Gabriel at another time, (An Najm: 53:13)*

*"...And indeed Muhammad saw Gabriel on the bright horizon. (At Takwiir: 81: 23)*

*"... the apostle is an angel... he is a man... (Al An'aam : 6: 9)*

*"Read in the name of your Lord Who created (Al 'Alaq: 96: 1)*

*"He has created man from a clot of blood (Al 'Alaq: 96:2)*

*"Read, and your Lord is Most Gracious (Al 'Alaq: 96:3)*

*"Allah is the light of the skys and the earth....Light upon light...(An Nuur: 24:35)*

*"And verily this Qur'an was truly revealed by the Lord of the worlds, (Asy Syu'araa': 26: 192)*

*"He was brought down by Ar-Ruh Al-Amin, (Asy Syu'araa': 26: 193)*

*"into your heart that you may be one of those who warn, (Ash Syu'araa': 26: 194)*

*"... the apostle is an angel... a man... (Al An'aam: 6: 9)*

Where in an effort to unmask about how Jibril actually conveyed revelations to the Prophet Muhammad saw, I based on deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I propose the hypothesis that Gabriel conveyed revelations to the Prophet Muhammad saw directly and indirectly, based on the basis of Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **JIBRIL SPEAKING REVELATION DIRECTLY BY MEETING THE PROPHET MUHAMMAD SAW, OR INDIRECTLY, THROUGH VOICE VIBRATION WITH A CERTAIN FREQUENCY**

Now, we still continue to concentrate full thoughts, in order to uncover the secret behind the verse: *"... Gabriel has lowered it into your heart with Allah's permission;... (Al Baqarah: 2: 97)*

Apparently, what is meant by *"...into your heart...(Al Baqarah: 2:97)* or into your heart, is into the mind of the Prophet Muhammad.

Why can't the heart or heart be used as a tool for communication and relationships between humans?

The answer is

If we examine the physiology of the heart which is defined as the liver, which functions as a destroyer of toxins in the blood, produces proteins for blood clotting and helps the digestive process through the production of bile.

But psychologically the liver has no role whatsoever.

If the heart is physiologically defined as the heart, then it is the heart that can determine the life and death of humans. If the heart is still beating, then the person is still alive.

But if the heartbeat has disappeared, then the person is dead.

Then if the heart is interpreted as conscience, then that means the behavior or behavior of that person.

So, actually, *"... Gabriel has sent it down to your heart with Allah's permission;...(Al Baqarah: 2:97)* is Jibril conveying revelations to Prophet Muhammad peace be upon him into the mind of Prophet Muhammad peace be upon him.

Well, when Jibril delivered a direct revelation to the Prophet Muhammad saw: *"Read, and your Lord is the Most Gracious (Al 'Alaq: 96: 3)*

That is, Jibril directly confronted the Prophet Muhammad saw, then conveyed the revelation.

However, Jibril did not always convey revelation directly to the Prophet Muhammad saw, but through transmission from a distance by means of sound vibrations with a certain frequency, which could be understood by the mind of the Prophet Muhammad. *"... Gabriel has sent it down into your heart by Allah's permission;...(Al Baqarah: 2: 97) "... Al Quran... (Asy Syu'araa' : 26: 192) "... brought down by Ar-Ruh Al-Amin, (Asy Syu'araa': 26: 193) "into your heart ... (Asy Syu'araa': 26: 194)*

As it turned out, Jibril conveyed revelations to the Prophet Muhammad saw, mostly through long distance transmission, through sound vibrations, with a certain frequency, which was understood by the mind of the Prophet Muhammad saw, *"...brought down by Ar-Ruh Al-Amin, (Ash Syu' araa' : 26: 193) "into your heart...(Asy Syu'araa' : 26: 194)*

It means, *"into your heart...(Asy Syu'araa': 26: 194)* is into the mind of the Prophet Muhammad.

## **OTHER ANGELS THAT DELIVERED REVELATION TO THE PROPHET MUHAMMAD SAW**

Well, now, it's not only Jibril, who received revelations to the Prophet Muhammad saw, but another angel's messenger, a man, *"...the apostle is an angel...a man...(Al An'aam: 6: 9) "Allah...sent a messenger and then it was revealed to him by His permission...(Asy Syuura: 42:51)*

The problem now is, because the angel is a man, then when the angel conveys a direct revelation to the Prophet Muhammad saw, it appears that the Prophet Muhammad saw listened to what was conveyed by the angel's messenger.

So that people accuse, *"... We know that they said: "Indeed the Qur'an was taught to him by a human." Whereas the language of the people they accuse Muhammad of learning to him is the language of 'Ajam, while the Qur'an is in clear Arabic. ( An Nahl : 16:103)*

Obviously, the angel who delivered direct revelation to the Prophet Muhammad saw, was an angel who could speak Arabic, not an angel who could not speak Arabic.

Now, it has been revealed, the secret contained behind the verse: *"... Gabriel has sent it down to your heart with the permission of Allah;... (Al Baqarah: 2: 97)* and the verse: *" Allah... sent a messenger then revealed to him with His permission...(Ash Shuura : 42: 51)*

Thus, Gabriel and other angels, conveyed revelations to the Prophet Muhammad saw, either directly, or indirectly through sound vibrations, with a certain frequency, which was understood by the Prophet Muhammad saw.

## **CONCLUSION**

Based on the description above, we can conclude that the secret behind the verse: *"... Gabriel has lowered it into your heart with Allah's permission;... (Al Baqarah: 2: 97)*

Apparently, what is meant by "*...into your heart...(Al Baqarah: 2:97)* or into your heart, is into the mind of the Prophet Muhammad.

Why can't the heart or heart be used as a tool for communication and relationships between humans?

The answer is

If we examine the physiology of the heart which is defined as the liver, which functions as a destroyer of toxins in the blood, produces proteins for blood clotting and helps the digestive process through the production of bile.

But psychologically the liver has no role whatsoever.

If the heart is physiologically defined as the heart, then it is the heart that can determine the life and death of humans. If the heart is still beating, then the person is still alive.

But if the heartbeat has disappeared, then the person is dead.

Then if the heart is interpreted as conscience, then that means the behavior or behavior of that person.

So, actually, "*... Gabriel has sent it down to your heart with Allah's permission;...(Al Baqarah: 2:97)* is Jibril conveying revelations to Prophet Muhammad peace be upon him into the mind of Prophet Muhammad peace be upon him.

Well, when Jibril delivered a direct revelation to the Prophet Muhammad saw: "*Read, and your Lord is the Most Gracious (Al 'Alaq: 96: 3)*

That is, Jibril directly confronted the Prophet Muhammad saw, then conveyed the revelation.

However, Jibril did not always convey revelation directly to the Prophet Muhammad saw, but through transmission from a distance by means of sound vibrations with a certain frequency, which could be understood by the mind of the Prophet Muhammad. "*... Gabriel has sent it down into your heart by Allah's permission;...(Al Baqarah: 2: 97) "... Al Quran... (Asy Syu'araa' : 26: 192) "... brought down by Ar-Ruh Al-Amin, (Asy Syu'araa': 26: 193) "into your heart ... (Asy Syu'araa': 26: 194)*

As it turned out, Jibril conveyed revelations to the Prophet Muhammad saw, mostly through long distance transmission, through sound vibrations, with a certain frequency, which was understood by the mind of the Prophet Muhammad saw, "*...brought down by Ar-Ruh Al-Amin, (Ash Syu' araa' : 26: 193) "into your heart...(Asy Syu'araa' : 26: 194)*

It means, "*into your heart...(Asy Syu'araa': 26: 194)* is into the mind of the Prophet Muhammad.

Well, now, it's not only Jibril, who received revelations to the Prophet Muhammad saw, but another angel's messenger, a man, "*...the apostle is an angel...a man...(Al An'aam: 6: 9) "Allah...sent a messenger and then it was revealed to him by His permission...(Asy Syuura: 42:51)*

The problem now is, because the angel is a man, then when the angel conveys a direct revelation to the Prophet Muhammad saw, it appears that the Prophet Muhammad saw listened to what was conveyed by the angel's messenger.

So that people accuse, "*... We know that they said: "Indeed the Qur'an was taught to him by a human."*

*Whereas the language of the people they accuse Muhammad of learning to him is the language of 'Ajam, while the Qur'an is in clear Arabic. ( An Nahl : 16:103)*

Obviously, the angel who delivered direct revelation to the Prophet Muhammad saw, was an angel who could speak Arabic, not an angel who could not speak Arabic.

Now, it has been revealed, the secret contained behind the verse: "... *Gabriel has sent it down to your heart with the permission of Allah;... (Al Baqarah: 2: 97)* and the verse: "*Allah... sent a messenger then revealed to him with His permission...(Ash Shuura : 42: 51)*

Thus, Gabriel and other angels, conveyed revelations to the Prophet Muhammad saw, either directly, or indirectly through sound vibrations, with a certain frequency, which was understood by the Prophet Muhammad saw.
