## ABSTRACT

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of Allah SWT's greatness regarding seeing the secrets of Allah, on what basis humans migrate, because of faith, seen from the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

In the Qur'an there are verses that are the key to unlocking the secret on what basis humans migrate, because aqidah are the following verses:

*"Read in the name of your Lord who created. Who made man from a clot of blood. Read it, and your Lord is most noble. Who teaches with a pen. Teaches man what he does not know" (Al 'Alaq, 1-5).*

*"O people who are covered: Wake up and give warning. Magnify your Lord, clean your clothes, stay away from evil deeds, do not give, because you want to get more. And be patient to fulfill the command of your Lord" (Al-Muddatstsir, 1- 7)*

*"So do what you have been commanded and turn away from the polytheists" (Al-Hijr, 94).*

*"And warn your closest relatives" (Ash-Syu'ra, 214).*

*"...And those who are weak, both men, women and children who all pray: O our Lord, get us out of this land (Mecca) whose inhabitants are unjust..." (An-Nisa , 75).*

*"...Indeed a mosque that was founded on the basis of piety (Quba mosque), from the first day onwards is more worthy for you to pray in it..." (At-Taubah, 108).*

*"Indeed, those who were killed by the angels in a state of persecuting themselves, the angels asked: "In what state are you?" They replied: "We are the oppressed in the land." The angels said: "Is not God's earth wide, so that you can emigrate there?" Those people are the place of Hellfire, and Hell is the worst place to return to, (An Nisaa ': 4: 97)*

*"Whoever emigrated in the way of Allah, surely they will find on this earth a place of migration that is wide and sustenance is abundant. Whoever leaves his house with the intention of emigrating to Allah and His Messenger, then death befalls him, then his reward is with Allah. And Allah is Forgiving, Most Merciful. (An Nisa' : 4: 100)*

*"And remember God's gift to you and His covenant which He made with you, when you said: "We hear and we obey." And fear Allah, verily Allah knows what is in the heart. (Al Maa'idah: 5:7)*

In an effort to open the veil regarding, on what basis humans migrated, because of faith, it is seen from deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## HYPOTHESIS

Here I propose the hypothesis that humans migrate because of the faith that has been exemplified by the Prophet Muhammad, based on Deoxyribonucleic acid (DNA).

## DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## HUMAN HIJRAH

Now, we are still concentrating on uncovering the secrets that are hidden behind the verse: *"Whoever emigrates in the way of Allah, surely they will find on this earth a place of extensive migration and abundant sustenance... (An Nisaa ' : 4: 100)*

Apparently, the earth is wide, for people who want to emigrate *"...they find on this earth a wide place of migration and a lot of sustenance...(An Nisaa ' : 4: 100)*

On what basis do people emigrate?

The answer is

Hidden behind the secret of the verse: *"... emigrated in the way of Allah... (An Nisaa ' : 4: 100)*

So, people emigrated, not because of others, but because *"... emigrated in the way of Allah... (An Nisaa' : 4: 100)*

Well, if people *"... emigrated in the way of Allah...(An Nisaa ' : 4: 100)* , then *"...they find on this earth a place of extensive migration and abundant sustenance...( An Nisa' : 4: 100)*

## HUMANS HIJRAH, BECAUSE OF AKIDAH

Now, people *"... emigrated in the way of Allah...(An Nisaa' : 4: 100)* , because that person maintains his creed, keeps promises to Allah and to the Prophet Muhammad and is submissive to Allah.

Now, if people, who only follow their desires and impulses to seek temporary satisfaction, without any hard work to reach the level of pleasing Allah, then when the angels ask him *"... people who are killed by angels are in a state of persecuting themselves, the angels ask: "In what state are you?" They replied: "We are the oppressed in the land." The angels said: "Is not Allah's earth wide, so that you can emigrate there?... (An Nisaa ' : 4: 97)*

It turned out, it was revealed, that the reason *"...we are the oppressed people in the country."... (An Nisaa ' : 4: 97)* is not a reason that can be accepted by reason, because if that person is able to emigrate, then continue to cooperate with those who make oppression, in order to save his life, then the angel clearly stated: *"...Isn't God's earth wide, so that you can emigrate on that earth?... (An Nisaa ' : 4: 97)* *"...and a lot of sustenance...(An Nisaa' : 4: 100)*

Why didn't they emigrate, even though they felt oppressed?

The answer is

Implicit behind the secret in the verse: *"And remember Allah's gift to you and His covenant which He has made with you, when you said: "We hear and we obey."... (Al Maa'idah: 5: 7)*

That is, those who have promised the Prophet Muhammad *"... We hear and we obey."... (Al Maa'idah: 5:7)*, it turns out that because of their weak faith, they promise to obey. *"... (Al Maa'idah: 5:7)* to the Prophet Muhammad, eliminated by the desire to live temporarily while still involving himself with the system used by the authorities who oppressed the Muslims.

## **HIJRAH = ALLAH'S EARTH IS WIDE AND MANY SUSTENANCE**

Now, we continue to unpack the secrets that are hidden behind the verse: *"...emigrate in the way of Allah...(An Nisaa': 4: 100)*, then *"...they found on this earth a place of extensive migration and sustenance. a lot...(An Nisaa' : 4: 100)*

It turned out, it was revealed, that with the migration of the Muslims from a place (Mecca) whose rulers oppressed them, to a safe place, without any oppression (Medina), Allah has fulfilled His promise *"...Is not Allah's earth wide, so that you can emigrate in the earth?... (An Nisaa' : 4: 97) "...and a lot of sustenance...(An Nisaa' : 4: 100)*

## **CONCLUSION**

Based on the description above, we can conclude that the secrets that are hidden behind the verse: *"Whoever emigrates in the way of Allah, surely they will find on this earth a place of extensive migration and abundant sustenance... (An Nisaa' : 4: 100)*

Apparently, the earth is wide, for people who want to emigrate *"...they find on this earth a wide place of migration and a lot of sustenance...(An Nisaa' : 4: 100)*

On what basis do people emigrate?

The answer is

Hidden behind the secret of the verse: *"... emigrated in the way of Allah... (An Nisaa' : 4: 100)*

So, people emigrated, not because of others, but because *"... emigrated in the way of Allah... (An Nisaa' : 4: 100)*

Well, if people *"... emigrated in the way of Allah...(An Nisaa' : 4: 100)*, then *"...they find on this earth a place of extensive migration and abundant sustenance...( An Nisa' : 4: 100)*

Now, people *"... emigrated in the way of Allah...(An Nisaa' : 4: 100)*, because that person maintains his creed, keeps promises to Allah and to the Prophet Muhammad and is submissive to Allah.

Now, if people, who only follow their desires and impulses to seek temporary satisfaction, without any hard work to reach the level of pleasing Allah, then when the angels ask him *"... people who are killed by angels are in a state of persecuting themselves, the angels ask: "In what state are you?" They replied: "We are the oppressed in the land." The angels said: "Is not Allah's earth wide, so that you can emigrate there?... (An Nisaa' : 4: 97)*

It turned out, it was revealed, that the reason *"...we are the oppressed people in the country."... (An Nisaa' : 4: 97)* is not a reason that can be accepted by reason, because if that person is able to

emigrate, then continue to cooperate with those who make oppression, in order to save his life, then the angel clearly stated: *"...Isn't God's earth wide, so that you can emigrate on that earth?... (An Nisaa' : 4: 97) "...and a lot of sustenance...(An Nisaa' : 4: 100)*

Why didn't they emigrate, even though they felt oppressed?  
The answer is

Implicit behind the secret in the verse: *"And remember Allah's gift to you and His covenant which He has made with you, when you said: "We hear and we obey."... (Al Maa'idah: 5: 7)*

That is, those who have promised the Prophet Muhammad *"... We hear and we obey."... (Al Maa'idah: 5:7)* , it turns out that because of their weak faith, they promise to obey. *"... (Al Maa'idah: 5:7)* to the Prophet Muhammad, eliminated by the desire to live temporarily while still involving himself with the system used by the authorities who oppressed the Muslims.

Now, we continue to unpack the secrets that are hidden behind the verse: *"...emigrate in the way of Allah...(An Nisaa': 4: 100)* , then *"...they found on this earth a place of extensive migration and sustenance. a lot...(An Nisaa' : 4: 100)*

It turned out, it was revealed, that with the migration of the Muslims from a place (Mecca) whose rulers oppressed them, to a safe place, without any oppression (Medina), Allah has fulfilled His promise *"...Is not Allah's earth wide, so that you can emigrate in the earth?... (An Nisaa' : 4: 97) "...and a lot of sustenance...(An Nisaa' : 4: 100)*
