ABSTRACT

First of all, by asking forgiveness from Allah SWT here I try to reveal the great signs of Allah SWT about how dream of Prophet Yusuf becomes a reality through jealousy, love, prison and power based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA)

From all the contents of the Qur'an there are several verses that can be used as keys to unlock the secret of how Prophet Yusuf's dream came true through jealousy, love, prison and power, namely the verses:

"(Remember), when Yusuf said to his father: "O my father, verily I dreamed of seeing eleven stars, the sun and the moon; I saw them all prostrating to me." (Joseph: 12:9)

"Kill Joseph or throw him into an unknown area so that your father's attention may be devoted to you alone, and after that you must be good people." (Joseph: 12: 9)

"And they sold Joseph at a low price, only a few dirhams, and they were not attracted to Joseph. (Joseph: 12:20)

"And the Egyptian who bought it said to his wife: "Give him a good place (and service), he may be of use to us or we may adopt him as a child." And so We gave Joseph a good position on earth (Egypt), and that We taught him the interpretation of dreams. And Allah has power over His affairs, but most people do not know it. (Joseph: 12:21)

"And the woman (Zulaikha) whom Yusuf lived in his house tempted Yusuf to submit himself (to him) and she closed the doors, saying: "Come here." Yusuf said: "I seek refuge in Allah, indeed my master has treated me with kindness. good." Indeed, those who do wrong will not be successful. (Yusuf: 12: 23)

"Yusuf said: "He tempted me to submit myself (to him)", and a witness from the woman's family gave his testimony: "If his shirt is torn in the face, then the woman is right and Joseph is one of the liars. (Yusuf: 12 :26)

"Then the thought occurred to them after seeing the signs (Joseph's truth) that they should imprison him for a time. (Joseph: 12:35)

(The king said (to the prominent people of his people): "Indeed I dreamed of seeing seven fat cows being eaten by seven skinny cows and seven green ears (wheat) and seven other ears that were dry." O distinguished people: "Explain to me about the interpretation of my dream if you can interpret the dream." (Joseph: 12:43)

"Yusuf said: "So that you plant seven years (as long) as usual; then what you reap let you leave the ears except a little for you to eat. (Yusuf: 12:47)

Yusuf said: "Make me treasurer of the state (Egypt); indeed I am a person who is good at guarding, and knowledgeable." (Joseph: 12:101)

"And he raised both his parents on the throne. And they (all) lay down and prostrated to Yusuf. And said Yusuf: "O my father, this is the screen for my dream; indeed, my Lord has made it a reality. And indeed, my Lord has done good to me, when He freed me from the prison house and

when he brought you from the desert village, after the devil had destroyed me. (relation) between me and my brothers. Verily, my Lord is gentle with what He wills. Indeed, He is the All-Knowing, All-Wise. (Yusuf: 12: 100)

In an effort to unmask the dream of Prophet Yusuf into a reality through jealousy, love, prison and power, I use a tool called deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that the dream of Prophet Yusuf became a reality through jealousy, love, prison and power which is not known what the dream means from the point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

DREAMS DO NOT OPEN AND DO NOT TELL WHAT SHOULD HAPPEN IN THE FUTURE

We are now trying to reveal the secret behind the verse: *"(Remember), when Yusuf said to his father: "O my father, verily I dreamed that I saw eleven stars, the sun and the moon; I saw them all prostrating to me." (Joseph: 12:9)*

Now, Joseph's dream, a dream full of symbols that cannot be interpreted clearly and with certainty.

Why?

The answer is

Because dreams are very complex human memories, experiences that have been lived before, experiences that have just been lived. Also tells what has been experienced and lived, but dreams do not reveal and do not tell what will definitely happen in the future.

So if the memories and experiences that have been lived before and those that have just been lived, then those memories and experiences that appear in dreams are a truth.

When Jacob, Joseph's father heard Joseph's dream, Jacob immediately decided that Joseph should be guarded and monitored for his safety, without telling Joseph's brothers.

JACOB'S INTERPRETATION OF JOSEPH'S DREAMS CAUSES JEALOUSY THAT CAUSES THE ACCIDENT

Well, even though Jacob did not fully understand the meaning of Joseph's dream "*...I dreamed that I saw eleven stars, the sun and the moon; I saw all of them prostrate to me.*" (Yusuf: 12: 9), but still that Joseph must be kept safe. Where Jacob's love was more devoted to Joseph than Joseph's other brothers.

Of course, Jacob's outpouring of excessive affection for Joseph aroused the jealousy of the rest of Joseph's brothers.

So it happened one day "*Kill Joseph or throw him into an unknown area so that your father's attention may be on you alone, and after that you must be good people.*" (Joseph: 12: 9)

Well, the last way for Joseph's brothers to get Jacob's love back for them, before Joseph told Jacob his dream was to "*... throw him into an unknown area so that your father's attention will be on you alone,...*" (Joseph: 12:9)

JOSEPH GETS A NEW PROTECTOR

Well, it turns out that interpreting Joseph's dream is not as easy as that of Jacob, who considers Joseph to be a child who needs to be kept safe for Joseph's future.

However, the reality is that Joseph needs to go through the paths and twists of life full of secrets.

Why?

Because dreams do not provide certainty about what will happen in the future.

Now, what happened to Joseph who was put into a well by his brothers which was not full of water, and was saved by traders who passed by the well to give the camels water to drink.

Later, Joseph was sold to people in Egypt "*...at a low price, namely a few dirhams, and they were not attracted to Joseph.*" (Joseph: 12:20)

Now, the interpretation of Joseph's dream "*...I dreamed of seeing eleven stars, the sun and the moon; I saw all of them prostrate to me.*" (Yusuf: 12: 9), it turns out that it takes years and a long process.

"*And the Egyptian who bought it said to his wife: "Give him a good place (and service), he may be of use to us or we will adopt him as a child.*" (Joseph: 12: 21)

INVOLVED IN BLIND LOVE, YUSUF SURVIVES FROM BLIND LOVE

Well, to interpret Joseph's dream is not as easy as turning a stone.

Why is it not easy to interpret dreams?

The answer is

Because dreams do not provide certainty about what will happen in the future.

Likewise with Yusuf's dream "*And the woman (Zulaikha) whom Joseph lived in his house tempted Yusuf to submit himself (to him) and he closed the doors, saying: "Come here.*" (Yusuf: 12: 23)

Only, of course, Yusuf realized that the love that the woman who took care of Yusuf wanted to do was blind love, an impulse of lust. And it was known by Joseph *"... truly my master has treated me well."* (Joseph: 12: 23)

What happens next with this interpretation of Joseph's dream, is none other than *"..." If his shirt is torn in the face, then the woman is right and Joseph is one of the liars.* (Yusuf: 12:26)

PRISON ROAD OF JOSEPH'S NEXT LIFE

It turned out that Yusuf's shirt was torn behind his back. *"Then the thought occurred to them after seeing the signs (Yusuf's truth) that they should imprison him until a certain time.* (Joseph: 12:35)

Well, here it is revealed that Yusuf was imprisoned without doing anything wrong.

Why did Joseph have to be put in prison too?

The answer is

Protecting the good name of the Egyptian dignitary family.

INTERPRETING DREAMS IS A SCIENCE THAT YUSUF LEARNED WHILE IN PRISON

Is it true that dreams can be interpreted?

The answer is,

As long as it's experiences that have been lived before, experiences that have just been lived and also tell what has been experienced and lived, it can all be interpreted.

But dreams do not reveal and tell what will definitely happen in the future.

So what Yusuf interprets is interpreting dreams from what someone has experienced.

YUSUF ACHIEVE POWER BY INTERPRETING DREAM SYMBOLS

Because with the science of interpreting dreams, finally Joseph became free and got a high position in the kingdom.

You do this by interpreting dreams *"(The king said (to prominent people from his people): "Indeed I dreamed of seeing seven fat cows being eaten by seven skinny cows and seven green and green (wheat) cows. the other seven dry ears." O distinguished people: "Explain to me about the interpretation of my dream if you can interpret a dream."* (Joseph: 12:43)

It turned out that Yusuf was able to interpret the symbols that appeared in the dream. *"Yusuf said: "So that you plant seven years (as usual) as usual; then what you reap, you should leave the grain except a little for you to eat.* (Yusuf: 12: 47)

Well, for Yusuf this is the best way to change fate, namely to ensure the truth of the king's dream interpretation Joseph asked the king *"Yusuf said: "Make me treasurer of the state (Egypt); in fact I am a person who is good at guarding, and knowledgeable."* (Joseph: 12:101)

Well, knowledge of interpreting dream symbols finally got Joseph to power as a royal financial administrator.

END OF YUSUF'S DREAM INTERPRETATION

Finally what happened to Yusuf's dream *"O my father, I actually dreamed of seeing eleven stars, the sun and the moon; I saw all of them prostrate to me."* (Joseph: 12:9)

It turns out that the symbols of Joseph's dream that were told to his father, Jacob, were only revealed after Joseph grew up and got a position as a royal financial administrator.

What is the interpretation of Joseph's dream symbol?

"And he raised both his parents on the throne. And they (all) lay down and prostrated to Yusuf. And said Yusuf: "O my father, this is the screen for my old dream; indeed, my Lord has made it a reality... (Yusuf: 12: 100)

Now, the interpretation of *"...eleven stars, the sun and the moon; I saw all of them prostrate to me."* (Yusuf: 12: 9)

Joseph's eleven brothers bowed down before Joseph, the sun was a symbol of Jacob, his father Joseph, and the moon was a symbol of Joseph's mother, all of them bowed down to Joseph.

DREAMS OF THE FUTURE ARE JUST SYMBOLS WITHOUT CLEARANCE

Because dreams do not tell a definite future, then to bring up what will happen in the future, various symbols appear in dreams.

As Joseph's dream symbolizes *"...eleven stars, sun and moon; I saw all of them prostrate to me."* (Joseph: 12:9)

CONCLUSION

Based on the description above, we can conclude that the secret behind the verse: *"(Remember), when Yusuf said to his father: "O my father, verily I dreamed that I saw eleven stars, the sun and the moon; I saw them all prostrating to me." (Joseph: 12:9)*

Now, Joseph's dream, a dream full of symbols that cannot be interpreted clearly and with certainty.
