ABSTRACT

Firstly, by asking forgiveness from Allah SWT, here I try to reveal the signs of Allah SWT's greatness regarding Allah's secret about why Allah swears by the East and West from the point of view of photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

The signs of Allah's greatness regarding the secret of Allah about why Allah swore by the east and the west are in the verses:

"Allah is the light of the heavens and the earth... Light above the light (in layers)..., (An Nuur: 24: 35)

"So I swear by God Who owns the east and the west, verily We are truly Almighty. (Al Ma'aarij: 70: 40)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who lack understanding among mankind will say: "What turned them away from their qibla to which they had oriented before?" Say: "To Allah belongs the east and the west; He guides whom He wills to a straight path" (Al Baqarah: 2:142)

"And do not be like those who forgot Allah, so Allah made them forget themselves. They are the wicked. (Al Hasyr: 59: 19)

"It is not a virtue to turn your face towards the east and west, but actually it is a virtue to believe in Allah, the Last Day, angels, books, prophets, and to give what he loves to his relatives, orphans, the poor, travelers and beggars; and (liberating) slaves, establishing prayers, and paying zakat; and those who keep their promises when they promise, and those who are patient in adversity, suffering and in war. They are the righteous; and they are the pious. (Al Baqarah: 2:117)

In an effort to unveil the greatness of Allah SWT regarding Allah's secret about why Allah swore with east and west, I use the basis of photons, quarks and the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

HYPOTHESIS

Here I propose the hypothesis that God swears by east and west because the earth rotates from west to east or from right to left as seen from photons, quarks and the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C)

and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHAT IS EAST AND WEST

Well, now we are still concentrating on uncovering the secret hidden behind the verse: *"So I swear by God Who owns the east and the west,...(Al Ma'aarij: 70: 40)*

Well, it turns out that actually east and west are just an illusion, meaning that east and west actually don't exist.

Why?

The answer is

There is hidden behind the verse: *"And do not be like those who forget Allah, ... (Al Hasyr: 59: 19)*

It turns out that we humans are forgetful, forgetting the Allah who created us.

So, so that we humans don't forget, we made an agreement that on our right we are called west, on our left we are called east, on the front we are called south and on the back we are called north.

So, actually east and west are just empty shadows or illusions.

Why?

Because the earth rotates on its axis from the west, it rotates through the south and continues to the east.

As Allah *"...I swear by God Who owns the east and the west,...(Al Ma'aarij: 70: 40)*

Why does Allah swear starting with the direction *"...east...(Al Ma'aarij : 70: 40)* then proceed to the direction *"...west,...(Al Ma'aarij : 70: 40)?*

The answer is

It was as if the sun was traveling from the east to the west.

In fact, it is the earth that rotates from our right hemisphere, namely the west to the south and continues to rotate towards the east.

Or in other words, according to everyday words, the sun rises in the east and sets in the west. Even though that's not true.

PEOPLE WITH LACK OF REASON

Next we uncover the secret behind the verse: *"Those who lack understanding among humans will say: "What turned them away from their qibla to which they had previously oriented?" Say: "To Allah belongs the east and the west;... (Al Baqarah: 2:142)*

Well, here Allah has declared about people who do not understand about east and west, which in fact east and west are just illusions, with the call *"Those who lack sense ... (Al Baqarah: 2: 142)*

ALLAH'S EAST AND WEST

Then we dig down to the root of the secret contained behind the verse: *"...To Allah belongs the east and the west;...(Al Baqarah: 2: 142)*

It turned out to be true, because the earth rotates on its axis, we don't realize it, we forget that the earth we live in and live on is round, so Allah declared *"...To Allah belongs the east and the west;...(Al Baqarah: 2 : 142)*

So, if someone says why yesterday it oriented to Baitul Maqdis in the east, now it has changed to the west, the Kaaba?

The answer is

"...To Allah belongs the east and the west;...(Al Baqarah: 2:142)

Or in other words, the person who asks it is *"Those who lack sense... (Al Baqarah: 2:142)*

ALLAH THE LIGHT OF THE SKY AND EARTH

Now, what is the secret hidden behind the verse: *"Allah is the light of the heavens and the earth...Light upon light (in layers)...,(An Nuur: 24: 35)*

It turns out that the east, west, south and north directions are just empty dreams.

Why?

The answer is

Because *"Allah is the light of the sky and the earth...Light above the light (in layers)...,(An Nuur: 24: 35)*

Allah with *"...Light above the light (in layers)...,(An Nuur: 24: 35)* illuminates all corners of the heavens and the earth.

CONCLUSION

From what has been described above we can now conclude that the secret hidden behind the verse: *"So I swear by God Who owns the east and the west;...(Al Ma'aarij: 70: 40)*

Well, it turns out that actually east and west are just an illusion, meaning that east and west actually don't exist.

Why?

The answer is

There is hidden behind the verse: *"And do not be like those who forget Allah, ... (Al Hasyr: 59: 19)*

It turns out that we humans are forgetful, forgetting the Allah who created us.

So, so that we humans don't forget, we made an agreement that on our right we are called west, on our left we are called east, on the front we are called south and on the back we are called north.

So, actually east and west are just empty shadows or illusions.

Why?

Because the earth rotates on its axis from the west, it rotates through the south and continues to the east.

As Allah *"...I swear by God Who owns the east and the west,...(Al Ma'aarij: 70: 40)*

Why does Allah swear starting with the direction *"...east...(Al Ma'aarij : 70: 40)* then proceed to the direction *"...west,...(Al Ma'aarij : 70: 40)?*

The answer is

It was as if the sun was traveling from the east to the west.

In fact, it is the earth that rotates from our right hemisphere, namely the west to the south and continues to rotate towards the east.

Or in other words, according to everyday words, the sun rises in the east and sets in the west. Even though that's not true.

Next we uncover the secret behind the verse: *"Those who lack understanding among humans will say: "What turned them away from their qibla to which they had previously oriented?" Say: "To Allah belongs the east and the west;... (Al Baqarah: 2:142)*

Well, here Allah has declared about people who do not understand about east and west, which in fact east and west are just illusions, with the call *"Those who lack sense ... (Al Baqarah: 2: 142)*

Then we dig down to the root of the secret contained behind the verse: *"...To Allah belongs the east and the west;...(Al Baqarah: 2: 142)*

It turned out to be true, because the earth rotates on its axis, we don't realize it, we forget that the earth we live in and live on is round, so Allah declared *"...To Allah belongs the east and the west;...(Al Baqarah: 2 : 142)*

So, if someone says why yesterday it oriented to Baitul Maqdis in the east, now it has changed to the west, the Kaaba?

The answer is

"...To Allah belongs the east and the west;...(Al Baqarah: 2:142)

Or in other words, the person who asks it is *"Those who lack sense... (Al Baqarah: 2:142)*

Now, what is the secret hidden behind the verse: *"Allah is the light of the heavens and the earth...Light upon light (in layers)...,(An Nuur: 24: 35)*

It turns out that the east, west, south and north directions are just empty dreams.

Why?

The answer is

Because *"Allah is the light of the sky and the earth...Light above the light (in layers)...,(An Nuur: 24: 35)*

Allah with *"...Light above the light (in layers)...,(An Nuur: 24: 35)* illuminates all corners of the heavens and the earth.
