**ABSTRACT**

Before I write the problem according to the calculation of the speed of light of Allah's particles, the seven skys were created 756 years ago, while the sun and the earth were created 137 years ago, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about according to the calculation of the speed of light of Allah's particles, the seven skys were created 756 years ago, while the sun and the earth were created 137 years ago, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about according to the calculation of the speed of Allah's particles of light, the seven skys were created 756 years ago, while the sun and the earth were created 137 years ago, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"Praise be to Allah, the Creator of the heavens and the earth, Who made the angels as messengers with wings, two, three and four respectively. Allah adds to His creation what He wills. Verily, Allah has power over all things. (Faathir: 35:1)*

*"But Allah acknowledges the Qur'an which He has revealed to you. Allah has sent it down with His knowledge; and the angels are witnesses. It is enough for Allah to acknowledge it. (An Nisaa': 4: 166)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things.*

*(Al Hadid: 57:3)*

*"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"It is He who made the earth a bed for you and the sky a roof, and He sends down water from the sky, then He produces with it all the fruit as a sustenance for you; therefore do not establish partners with Allah, while you know. Al Baqarah : 2:22)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)*

*"It is Allah who sent down the book with truth and balance. And do you know that the Day of Resurrection may be near? (Ash Shuura: 42:17)*

*"When the sun is rolled up, (At Takwiir: 81: 1)*

*"On the day the earth will be replaced with another earth and sky, and they will all gather before the presence of Allah, the One, the Most Mighty. (Ibrahim: 14:48)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

In an effort to open the veil of Allah's secret about according to the calculation of the speed of light of Allah's particles, the seven skys were created 756 years ago, while the sun and the earth were created 137 years ago, I used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I propose a hypothesis according to the calculation of the speed of light of Allah's particles, the seven heavens were created 756 years ago, while the sun and the earth were created 137 years ago, based on the speed of light according to Allah is 18262980 times the speed of light according to human calculations, from the point of view of Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## THE SPEED OF THE LIGHT OF ALLAH'S PARTICLES, THAT BECOME ALLAH'S MEASUREMENTS, SO SEVEN SKYS WAS CREATED 756 YEARS AGO, WHILE THE SUN AND EARTH WAS CREATED 137 YEARS AGO

Now, we are still focusing our minds on uncovering the secrets contained behind the verse: *"...do you know, maybe the Day of Resurrection is near? (Asy Syuura: 42:17) "When the sun is rolled up, (At Takwiir: 81:1)"on the day the earth is replaced with another earth and the sky...(Ibrahim: 14:48)"...a day whose content is fifty thousand years (Al Ma'aarij: 70:4)*

Now, what exactly is meant by Allah *"...perhaps the Day of Resurrection is near? (Ash Shuura : 42:17)*

The answer is

It is hidden in the secret that lies behind the verse: *"... a day whose levels are fifty thousand years (Al Ma'aarij: 70:4)*

## DAY OF JUDGMENT WILL HAPPEN 137 YEARS TO COME ACCORDING TO ALLAH

Apparently, Allah calculates when the Day of Judgment will occur based on Allah's calculations *"... a day whose content is fifty thousand years (Al Ma'aarij: 70:4)*

Where according to Allah *"... the Day of Judgment is near? (Asy Syuura: 42: 17)* after being calculated according to Allah's reckoning, it is 137 years to come. So 137 years to come according to Allah's reckoning *"... the Day of Judgment is near? (Asy Syuura: 42: 17)*

However, if humans are calculating when the Day of Judgment will come, they must calculate based on *"When the sun is rolled up, (At Takwiir: 81: 1)*

So, when *"...the sun is rolled up, (At Takwiir: 81: 1) ?*

*"...the sun is rolled up, (At Takwiir: 81: 1)* when the sun runs out of hydrogen atomic fuel. At that time

the sun dies. According to human calculations, the sun will run out of hydrogen atomic fuel 2 500 000 000 years to come.

Well, 2 500 000 000 years according to human reckoning, while according to Allah's reckoning 137 years. Where the large time difference is caused according to Allah's reckoning, 1 day according to Allah's reckoning is equal to 50000 years according to human reckoning.

So, the time difference is 18262980 times faster according to Allah's reckoning of time.

## **THE SEVEN SKYS CREATED 756 YEARS AGO BY ALLAH'S CALCULATION**

Now, according to human calculations these seven layered skys were created by Allah with Allah's energy, which formed quarks, then hydrogen atoms and other atoms, thus becoming "...seven layered skys...(Al Mulk :67:3) as it is today, was about 13 800 000000 years ago.

Now, if according to Allah's calculations, it turns out that Allah calculated it 18262980 times faster than human reckoning.

So, according to Allah *"Who created the seven skys in layers...(Al Mulk: 67: 3)* about 756 years ago (13800000000 : 18262980 = 755.626 rounded up to 756)

The beginning of *"...the seven skys...(Al Mulk: 67:3)* was created according to Allah's reckoning 756 years ago, while according to human reckoning it was 13 800 000000 years ago.

Likewise, when the sun and the earth were created 2 500 000 000 years ago according to human calculations, while according to Allah's calculations it was 137 years ago.

Now the secret hidden behind the verse: *"... do you know, maybe the Day of Judgment is near? (Asy Syuura: 42:17) "When the sun is rolled up, (At Takwiir: 81: 1)*

It turns out that *"... the Day of Judgment is near (Asy Syuura: 42:17)* according to Allah's calculation it is 137 years to come, while according to human calculations 2 500 000000 years to come *"When the sun is rolled up, (At Takwiir: 81: 1 )* after the sun ran out of atomic hydrogen fuel.

## **CONCLUSION**

Based on the description above, we can conclude that the secrets contained behind the verse: *"...do you know, maybe the Day of Resurrection is near? (Asy Syuura: 42:17) "When the sun is rolled up, (At Takwiir: 81:1)"on the day the earth is replaced with another earth and the sky...(Ibrahim: 14:48)"...a day whose content is fifty thousand years (Al Ma'aarij: 70:4)*

Now, what exactly is meant by Allah *"...perhaps the Day of Resurrection is near? (Ash Shuura : 42:17)*

The answer is

It is hidden in the secret that lies behind the verse: *"... a day whose levels are fifty thousand years (Al Ma'aarij: 70:4)*

Apparently, Allah calculates when the Day of Judgment will occur based on Allah's calculations *"... a day whose content is fifty thousand years (Al Ma'aarij: 70:4)*

Where according to Allah *"... the Day of Judgment is near? (Asy Syuura: 42: 17)* after being calculated according to Allah's reckoning, it is 137 years to come. So 137 years to come according to Allah's

reckoning *"... the Day of Judgment is near? (Asy Syuura: 42: 17)*

However, if humans are calculating when the Day of Judgment will come, they must calculate based on *"When the sun is rolled up, (At Takwiir: 81: 1)*

So, when *"...the sun is rolled up, (At Takwiir: 81: 1) ?*

*"...the sun is rolled up, (At Takwiir: 81: 1)* when the sun runs out of hydrogen atomic fuel. At that time the sun dies. According to human calculations, the sun will run out of hydrogen atomic fuel 2 500 000 000 years to come.

Well, 2 500 000 000 years according to human reckoning, while according to Allah's reckoning 137 years. Where the large time difference is caused according to Allah's reckoning, 1 day according to Allah's reckoning is equal to 50000 years according to human reckoning.

So, the time difference is 18262980 times faster according to Allah's reckoning of time.

Now, according to human calculations these seven layered skys were created by Allah with Allah's energy, which formed quarks, then hydrogen atoms and other atoms, thus becoming *"...seven layered skys...(Al Mulk :67:3)* as it is today, was about 13 800 000000 years ago.

Now, if according to Allah's calculations, it turns out that Allah calculated it 18262980 times faster than human reckoning.

So, according to Allah *"Who created the seven skys in layers...(Al Mulk: 67: 3)* about 756 years ago (13800000000 : 18262980 = 755.626 rounded up to 756)

The beginning of *"...the seven skys...(Al Mulk: 67:3)* was created according to Allah's reckoning 756 years ago, while according to human reckoning it was 13 800 000000 years ago.

Likewise, when the sun and the earth were created 2 500 000 000 years ago according to human calculations, while according to Allah's calculations it was 137 years ago.

Now the secret hidden behind the verse: *"... do you know, maybe the Day of Judgment is near? (Asy Syuura: 42:17) "When the sun is rolled up, (At Takwiir: 81: 1)*

It turns out that *"... the Day of Judgment is near (Asy Syuura: 42:17)* according to Allah's calculation it is 137 years to come, while according to human calculations 2 500 000000 years to come *"When the sun is rolled up, (At Takwiir: 81: 1)* after the sun ran out of atomic hydrogen fuel.
