ABSTRACT

Before I write about the problem of Adam and his wife being expelled from paradise, not because of making love or following the satan, but because Adam and his wife still have bodies, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about Adam and his wife being expelled from paradise, not because of love, following the satan, but because Adam and his wife still have bodies, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about Adam and his wife being expelled from paradise, not because of making love, following the satan, but because Adam and his wife still have bodies, namely the verses:

"Then both of them were derailed by the devil from paradise and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a place to live on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)

And We said: "O Adam, dwell in this paradise for you and your wives, and eat from its abundant good food wherever you like, and do not approach this tree, which causes you to be of the wrongdoers. (Al Baqarah: 2:35)

"So both of them ate from the fruit of the tree, then their nakedness became visible to both of them and they both began to cover them with the leaves of paradise, and Adam disobeyed God and went astray (Thaahaa: 20:121)

"So We said: "O Adam, verily this is an enemy to you and to your wife, so do not let him bring you both out of Paradise, which will cause you harm." (Thaahaa: 20: 117)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"So that He may admit the believing men and women into Paradise under which rivers flow, they are eternal in it and that He may cover their faults. And that is a great advantage in the sight of Allah (Al-Qur'an). Fath : 48: 5)

"Allah is the light of the skys and the earth...Light upon light...(An Nuur: 24: 35)

In an effort to open the veil of Allah's secret about Adam and his wife being expelled from paradise, not because of sex, following the satan, but because Adam and his wife still have bodies, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESES

Here I propose the hypothesis that Adam and his wife were expelled from paradise, not because of love, following the satan, but because Adam and his wife still have bodies, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

MOST OF HUMANS IN THE WORLD THINK ADAM AND HIS WIFE WAS EXPELLED FROM PARADISE BECAUSE OF LOVE FOLLOWING THE INSTRUCTIONS OF SATAN, WHILE ACTUALLY, BECAUSE ADAM AND HIS WIFE STILL HAVE A BODY

Now, we are still trying to focus our minds to reveal the secret hidden behind the verse: "*...both of them ate from the fruit of the tree, then their nakedness became visible to both of them...(Thaahaa: 20:121)*"... *both derailed by the devil from heaven ... (Al Baqarah: 2: 36)*

It turns out, here, Allah has described to humans, that Adam and his wife, seem to have made love, because they feel unable to resist the urge to have sex together in paradise. Where Adam's desire to make love to his wife is indeed a normal impulse as a man, because Adam and his wife still have bodies.

Then the question arises,

Is it true that Adam and his wife were expelled from paradise for making love in paradise?

The answer is,

It is hidden in the secret behind the verse: "*...He will enter the believing men and women into Paradise where rivers flow beneath them, they they are eternal in it...* (Al Fath: 48: 5)

Well, it turns out that in heaven *"...they are eternal in it... (Al Fath: 48: 5)*

It means, "...*eternal...* (*Al Fath: 48: 5*) is as long as the hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms have not disappeared because the nuclear power that binds the quarks in the atom disappears.

Where these atoms can survive to the age of 10 000000000 000000000 000000000 000000000 000000000
000000000 000000000 000000000 000000000 000000000 000000000 years.

BECAUSE ADAM AND HIS WIFE HAVE BODIES IN PARADISE, THEY COULD NOT BE ABLE TO SURVIVE FOR A LONG TIME, AS THE ATOMIES HAVE SURVIVED, THEN ADAM AND HIS WIFE HAVE TO GET OUT OF PARADISE

Well, this is the secret, why Adam and his wife had to come out of paradise.

Indeed, the urge to make love continues, as long as Adam and his wife have bodies in paradise.

So, not because Adam and his wife made love following the temptations of Satan, but because Adam and his wife, as long as they still have bodies, are not in paradise, but on earth.

Now the question arises,

Why did Allah say: *"...do not approach this tree, which causes you to be among the wrongdoers. (Al Baqarah: 2:35)"*

Well, the meaning here is, a tree that gives rise to the urge as a human being who has a body to make love to his wife.

The problem now is, Adam and his wife have bodies, like humans who live in this world, there is a desire to make love. However, to make love in paradise is not the place.

Indeed, Allah did not forbid Adam and his wife to make love in paradise, but if they did that too, Adam and his wife became human *"...the wrongdoers (Al Baqarah: 2: 35)"*. Where the deed is not good in paradise, in paradise is not a place to make love.

So, now that it was revealed, Adam and his wife were expelled from paradise, because they still had bodies. Living in paradise billion billion billion billion years, where the human body will not last long.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"...both of them ate from the fruit of the tree, then their nakedness became visible to both of them...(Thaahaa: 20:121)"... both derailed by the devil from heaven ... (Al Baqarah: 2: 36)"*

It turns out, here, Allah has described to humans, that Adam and his wife, seem to have made love, because they feel unable to resist the urge to have sex together in paradise. Where Adam's desire to make love to his wife is indeed a normal impulse as a man, because Adam and his wife still have bodies.

Then the question arises,

Is it true that Adam and his wife were expelled from paradise for making love in paradise?

The answer is,

It is hidden in the secret behind the verse: *"...He will enter the believing men and women into Paradise where rivers flow beneath them, they they are eternal in it... (Al Fath: 48: 5)"*

Well, it turns out that in heaven *"...they are eternal in it... (Al Fath: 48: 5)"*

It means, *"...eternal...(Al Fath: 48: 5)"* is as long as the hydrogen atoms, carbon atoms, nitrogen atoms

and oxygen atoms have not disappeared because the nuclear power that binds the quarks in the atom disappears.

Where these atoms can survive to the age of 10 000000000 000000000 000000000 000000000 000000000
000000000 000000000 000000000 000000000 000000000 000000000 years.

Well, this is the secret, why Adam and his wife had to come out of paradise.

Indeed, the urge to make love continues, as long as Adam and his wife have bodies in paradise.

So, not because Adam and his wife made love following the temptations of Satan, but because Adam and his wife, as long as they still have bodies, are not in paradise, but on earth.

Now the question arises,

Why did Allah say: "*...do not approach this tree, which causes you to be among the wrongdoers. (Al Baqarah: 2:35)*"

Well, the meaning here is, a tree that gives rise to the urge as a human being who has a body to make love to his wife.

The problem now is, Adam and his wife have bodies, like humans who live in this world, there is a desire to make love. However, to make love in paradise is not the place.

Indeed, Allah did not forbid Adam and his wife to make love in paradise, but if they did that too, Adam and his wife became human "*...the wrongdoers (Al Baqarah: 2: 35)*. Where the deed is not good in paradise, in paradise is not a place to make love.

So, now that it was revealed, Adam and his wife were expelled from paradise, because they still had bodies. Living in paradise billion billion billion billion years, where the human body will not last long.
