**ABSTRACT**

Before the author writes the problem after Allah's spirit, paradise and hell is moved to another earth, whether there are other humans created from Allah's spirit who live in other galaxies, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about after Allah's spirit, paradise and hell is moved to another earth, whether there are other humans created from Allah's spirit who live in other galaxies, based on Deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about after Allah's spirit, paradise and hell is moved to another earth, whether there are other humans created from Allah's spirit who live in other galaxies, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves." (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise, All-Knowing. (Al Baqarah: 2:115)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"Indeed, We have adorned the skys near the stars, and We have made them instruments of throwing the devil, and We have prepared for them the torment of a blazing hell. (Al Mulk: 67: 5)*

*"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa ': 21:16)*

*"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)*

*"Verily your Lord is Allah Who created the heavens and the earth in six days, then He resided above the 'Throne. He closed the night to the day which followed quickly, and the sun, moon and stars submit to His command. Remember, creating and ruling is only Allah's right. Glory be to Allah, Lord of the worlds. (Al A'raaf: 7: 54)*

*"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)*

*"When the sun is rolled up, (At Takwiir: 81: 1)" and when the stars are falling, (At Takwiir: 81: 2) "and when the spirits are brought together (At Takwiir: 81: 7)" and when the sky is annihilated, (At Takwiir: 81:11)*

*"On the day the earth will be replaced with another earth and sky, and they will all gather before the presence of Allah, the One, the Most Mighty. (Ibrahim: 14:48)*

*"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

In an effort to open the veil of Allah's secret about after Allah's spirit, paradise and hell is moved to another earth, whether there are other humans created from Allah's spirit living in other galaxies, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes a hypothesis after Allah's spirit, paradise and hell is moved to another earth, whether there are other humans created from Allah's spirit living in other galaxies, based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

## **ON THE JUDGMENT DAY, ONLY ONE SUN IS ROLLED BUT THERE ARE STILL 150 100 000 SUNS OR OTHER STARS IN THE MILKYWAY GALAXY STILL LIVING**

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"... the earth is replaced with another earth and the sky... (Ibrahim: 14: 48)"... the sun is rolled up (At Takwiir: 81: 1)"...stars fell (At Takwiir : 81: 2)"...the sky was cut off, (At Takwiir : 81:11)"...He made them seven skys in two times. He revealed on each sky is every sky matters. And We adorn the near sky with bright stars... (Fushshilat: 41:12)*

Apparently, Allah has declared *"...the sun is rolled up (At Takwiir: 81: 1)"... the stars are falling (At Takwiir: 81: 2)"... the sky is obliterated, (At Takwiir: 81: 11) "...the earth was replaced with another earth*

*and the sky...(Ibrahim: 14:48)*

Well, the secret of the Day of Judgment was revealed, namely when *"... the sun was rolled up (At Takwiir: 81: 1)"... the sky was obliterated, (At Takwiir: 81: 11)*

So, when the sun runs out of atomic hydrogen fuel, then the sun dies. Because the sun dies, then *"... the sky is obliterated, (At Takwiir: 81: 11)*. Where the sky is expanse of the room on which there is the sun. Because the sun dies, the sky or expanse of the room disappears.

So, what happens after *"...the sun is rolled up (At Takwiir: 81: 1)"... the sky is obliterated, (At Takwiir: 81: 11) ?*

Apparently, Allah replaced *"...earth...with another earth and (another) sky...(Ibrahim: 14: 48)* Where *"...the other earth and the (other) sky... (Ibrahim: 14:48)* are in another sun arrangement that is still alive in the Milky Way galaxy. In the Milky Way galaxy there are about **150 100 000** suns or stars.

Now, why did Allah replace *"...earth...with another earth and (another) sky...(Ibrahim: 14:48)?*

Because *"... my spirit..." (Shaad : 38: 72)* or *"... Allah's spirit ..." (Shaad : 38: 72)*, paradise and hell still exist, until the age of **10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000** years

Well, because of the age of *"... my spirit..." (Shaad : 38: 72)* or *"... Allah's spirit ..." (Shaad : 38: 72)* paradise and hell are billions of billions of billions of billions of years. In this case, it is necessary *"...another earth and (another) sky...(Ibrahim: 14:48)* to be used as a place for *"... my spirit..." (Shaad : 38: 72)* or *"... Allah's spirit ..." (Shaad : 38: 72)*, paradise and hell.

Now, *"... my spirit..." (Shaad : 38: 72)* or *"... Allah's spirit ..." (Shaad : 38: 72)* who are already in paradise and in hell will still live billion billion billion billion billion years.

Now the question arises,

Are there other humans formed by hydrogen atoms, nitrogen atoms, carbon atoms and oxygen atoms in this *"...near sky...(Fushshilat : 41:12)* which contains **100 000 000 000** galaxies, each galaxy consists of **150 100 000** stars ?

Well, the answer is in the secret behind the verse: *"...He reveals to every sky, it is matters. And We adorn the near sky with bright stars... (Fushshilat: 41:12)*

It turns out, when Allah *"... made seven skys... He revealed on each sky it is matters... (Fushshilat: 41:12)*

Now, with Allah *"...revealed on each sky it is matters... (Fushshilat: 41:12)*, proving that in every galaxy under which there is a sky or expanse of space, there are contents, ranging from stars, planets, moons and living things including human-like creatures.

So, in each galaxy the number is **100 000 000 000** galaxies and each galaxy consists of **150 100 000** stars or the total is **150 100 000 00 000 000 000 000** stars. Where each star is surrounded by planets, among the planets there are inhabitants.

Well, now, when all humans on earth are all dead because *"...the sun is rolled up (At Takwiir: 81: 1)"... the sky is obliterated, (At Takwiir: 81: 11)* but on other planets still alive with all its contents,

including other creatures of Allah, a kind of human.

So, actually, the Day of Judgment occurs only in the solar system and its planets, including our present earth. All "...my spirit..." (Shaad : 38:72) or "...Allah's spirit..." (Shaad : 38:72), which are in paradise and in hell, will live to an old age the atoms and all the seven skys disappeared, returning to Allah's energy.

Now it has been revealed, that **4600000000** years to come "...the sun is rolled up (At Takwiir: 81: 1)"... the sky is annihilated, (At Takwiir: 81: 11) all living things on earth die. All "...my spirit..." (Shaad : 38:72) or "...Allah's spirit..." (Shaad : 38:72),, which comes out of every human body, live in paradise and in hell. . Where paradise and hell is moved to "...another earth and (another) sky...(Ibrahim: 14:48)

However, in other galaxies whose number is **100 000 000 000** galaxies are still alive, in which there are stars, planets and all that is in them, including human-like creatures.

## CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "... the earth is replaced with another earth and the sky... (Ibrahim: 14: 48)"... the sun is rolled up (At Takwiir: 81: 1)"...stars fell (At Takwiir : 81: 2)"...the sky was cut off, (At Takwiir : 81:11)"...He made them seven skys in two times. He revealed on each sky is every sky matters. And We adorn the near sky with bright stars... (Fushshilat: 41:12)

Apparently, Allah has declared "...the sun is rolled up (At Takwiir: 81: 1)"... the stars are falling (At Takwiir: 81: 2)"... the sky is obliterated, (At Takwiir: 81: 11) "...the earth was replaced with another earth and the sky...(Ibrahim: 14:48)

Well, the secret of the Day of Judgment was revealed, namely when "... the sun was rolled up (At Takwiir: 81: 1)"... the sky was obliterated, (At Takwiir: 81: 11)

So, when the sun runs out of atomic hydrogen fuel, then the sun dies. Because the sun dies, then "... the sky is obliterated, (At Takwiir: 81: 11). Where the sky is expanse of the room on which there is the sun. Because the sun dies, the sky or expanse of the room disappears.

So, what happens after "...the sun is rolled up (At Takwiir: 81: 1)"... the sky is obliterated, (At Takwiir: 81: 11) ?

Apparently, Allah replaced "...earth...with another earth and (another) sky...(Ibrahim: 14: 48) Where "...the other earth and the (other) sky... (Ibrahim: 14:48) are in another sun arrangement that is still alive in the Milky Way galaxy. In the Milky Way galaxy there are about **150 100 000** suns or stars.

Now, why did Allah replace "...earth...with another earth and (another) sky...(Ibrahim: 14:48)?

Because "... my spirit..." (Shaad : 38: 72) or "... Allah's spirit ..." (Shaad : 38: 72), paradise and hell still exist, until the age of **10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000** years

Well, because of the age of "... my spirit..." (Shaad : 38: 72) or "... Allah's spirit ..." (Shaad : 38: 72) paradise and hell are billions of billions of billions of years. In this case, it is necessary "...another earth and (another) sky...(Ibrahim: 14:48) to be used as a place for "... my spirit..." (Shaad : 38: 72) or "... Allah's spirit ..." (Shaad : 38: 72), paradise and hell.

Now, "... *my spirit...*" (*Shaad : 38: 72*) or "... *Allah's spirit ...*" (*Shaad : 38: 72*) who are already in paradise and in hell will still live billion billion billion billion billion years.

Now the question arises,

Are there other humans formed by hydrogen atoms, nitrogen atoms, carbon atoms and oxygen atoms in this "...*near sky...*" (*Fushshilat : 41:12*) which contains **100 000 000 000** galaxies, each galaxy consists of **150 100 000** stars ?

Well, the answer is in the secret behind the verse: "...*He reveals to every sky, it is matters. And We adorn the near sky with bright stars...*" (*Fushshilat: 41:12*)

It turns out, when Allah "... *made seven skys... He revealed on each sky it is matters...*" (*Fushshilat: 41:12*)

Now, with Allah "...*revealed on each sky it is matters...*" (*Fushshilat: 41:12*), proving that in every galaxy under which there is a sky or expanse of space, there are contents, ranging from stars, planets, moons and living things including human-like creatures.

So, in each galaxy the number is **100 000 000 000** galaxies and each galaxy consists of **150 100 000** stars or the total is **150 100 000 00 000 000 000 000** stars. Where each star is surrounded by planets, among the planets there are inhabitants.

Well, now, when all humans on earth are all dead because "...*the sun is rolled up (At Takwiir: 81: 1) "... the sky is obliterated, (At Takwiir: 81: 11)*" but on other planets still alive with all its contents, including other creatures of Allah, a kind of human.

So, actually, the Day of Judgment occurs only in the solar system and its planets, including our present earth. All "...*my spirit...*" (*Shaad : 38:72*) or "...*Allah's spirit...*" (*Shaad : 38:72*), which are in paradise and in hell, will live to an old age the atoms and all the seven skys disappeared, returning to Allah's energy.

Now it has been revealed, that **4600000000** years to come "...*the sun is rolled up (At Takwiir: 81: 1) "... the sky is annihilated, (At Takwiir: 81: 11)*" all living things on earth die. All "...*my spirit...*" (*Shaad : 38:72*) or "...*Allah's spirit...*" (*Shaad : 38:72*),, which comes out of every human body, live in paradise and in hell. . Where paradise and hell is moved to "...*another earth and (another) sky...(Ibrahim: 14:48)*"

However, in other galaxies whose number is **100 000 000 000** galaxies are still alive, in which there are stars, planets and all that is in them, including human-like creatures.
