ABSTRACT

First of all, by asking Allah's forgiveness, here the author tries to reveal the signs of Allah's greatness regarding after the seven skys are disappear, returning to Allah's energy, what about Allah Almighty end, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).).

The signs of Allah's greatness regarding after the seven skys are disappear, returning to Allah's energy, what about Allah Almighty end, are found in several verses, namely:

"Allah, there is no god but He Who Lives eternally and continuously takes care of; neither sleeps nor sleeps. To Him belongs what is in the heavens and the earth. No one can intercede with Allah without His permission? Allah knows what is in front of them and behind them, and they know nothing of Allah's knowledge except what He wills. Allah's seat covers the skys and the earth. And Allah does not find it difficult to maintain them, and Allah is Most High, Most Merciful. Great.(Al Baqarah: 2:255)

"He is Allah, Who created all that is on earth for you and He willed the skys, then He made the seven skys. And He is All-Knowing of all things. (Al Baqarah: 2:29)

"... Allah creates what He wills, verily Allah has power over all things. (An Nuur: 24: 45)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Angels and spirits ascend to God in a day the measure of which is fifty thousand years Al Ma'aarij (70:4)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"Indeed, the worst of animals in the sight of Allah are those who are deaf and deaf who do not understand anything. (Al Anfaal: 8: 22)

In an effort to open the veil of the greatness of Allah SWT regarding after the seven skys are disappear, returning to Allah's energy, what about Allah Almighty end, the author uses the basis of photons, quarks and the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

power that binds the quarks in the atom disappears, leaving only the quarks.

Or in other words, the nuclear energy that binds the quarks in the atom, returns to Allah's energy and Allah's energy returns to Allah.

Now, what happens in Allah's form, when "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is gone?

The answer is in the secret behind the verse: "*Allah... Eternal life... (Al Baqarah: 2:255)*
Well, "*Allah...Life is eternal...(Al Baqarah: 2:255)* but "*...is not balanced (Al Mulk: 67:3)*

Now another question arises,

Why "*Allah...Eternal Life...(Al Baqarah: 2:255)* but "*...not balanced (Al Mulk: 67:3)?*

The answer is in the secret behind the verse: "*Who has created the seven skys ... in balance (Al Mulk: 67: 3)*

Well, "*... the seven skys... are balanced (Al Mulk: 67: 3)*, as well as in Allah's form "*... balanced (Al Mulk: 67: 3)*

However, after the seven skys and all of their contents disappeared back into Allah's energy, because the nuclear energy that bound the quarks in the atom disappeared, what remained was only the quarks and Allah's energy, while "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, returns to Allah's energy, then Allah's form is "*...unbalanced (Al Mulk: 67:3)*

That is, in Allah's form there is only Allah's energy and quarks, where Allah's energy and quarks are "*...eternal...(Al Baqarah: 2:255)*. Meanwhile, "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, because it is not "*...eternal...(Al Baqarah: 2:255)*

So, if in Allah's form there is only Allah's energy and quarks that are "*...eternal...(Al Baqarah: 2:255)*. Meanwhile, "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, because it is not "*...eternal...(Al Baqarah: 2:255)*, then Allah's form is "*...unbalanced (Al Mulk: 67 : 3)* Allah's form is "*... balanced (Al Mulk: 67: 3)* if in Allah's form there are "*...eternal...(Al Baqarah: 2:255)* and those who are not "*...eternal. ..(Al Baqarah : 2: 255)*. If in Allah's form "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, then in Allah's form it becomes "*...unbalanced (Al Mulk: 67: 3)*, this violates Allah's own law.

So, now it has been revealed, the secret behind the verse: "*Allah... Life is eternal... (Al Baqarah: 2: 255)* but "*... not balanced (Al Mulk: 67: 3)*

Now, because "*Allah...Life is eternal...(Al Baqarah: 2:255)* but "*...is not balanced (Al Mulk: 67:3)* and this violates Allah's own law, then to make Allah's form again "*... balanced (Al Mulk: 67: 3)*, then Allah has declared "*... He Who Lives eternally again continuously takes care of... (Al Baqarah: 2: 55)*

So, in fact, Allah "*...continues to take care of...(Al Baqarah: 2:55)*

That is, after "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, so the "*... the seven skys... (Al Mulk: 67: 3)* disappear, return to Allah's energy, then with Allah's energy and existing quarks, Allah will "*...create seven skys...(Al Mulk: 67 : 3)* the new one, with the new atom.

This is the real secret about Allah who "*...continues to take care of...(Al Baqarah: 2:55)*

CONCLUSION

Based on the description above, we can conclude that the secrets that are stored in the verse: "*He... the Last... (Al Hadiid: 57: 3)*" *Allah, there is no God but He Who Lives eternally... (Al Baqarah : 2:255)*

Apparently, here Allah has declared "*He...The Last...(Al Hadiid: 57:3)*" *Allah...Eternal life...(Al Baqarah: 2:255)*

So, now the question arises,

What is the actual situation when Allah becomes "*...The Last...(Al Hadid: 57:3)*?

The answer is in the secret "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)*, the seven skys disappeared, returned to Allah's energy and quarks, Allah becomes "*...unbalanced (Al Mulk: 67: 3)*." "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* , the seven skys and all that is in them after reaching the age of 10 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 years will disappear because the nuclear power that binds the quarks in the atom disappears, leaving only the quarks.

Or in other words, the nuclear energy that binds the quarks in the atom, returns to Allah's energy and Allah's energy returns to Allah.

Now, what happens in Allah's form, when "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is gone?

The answer is in the secret behind the verse: "*Allah... Eternal life... (Al Baqarah: 2:255)* Well, "*Allah...Life is eternal...(Al Baqarah: 2:255)* but "*...is not balanced (Al Mulk: 67:3)*

Now another question arises,

Why "*Allah...Eternal Life...(Al Baqarah: 2:255)* but "*...not balanced (Al Mulk: 67:3)*?

The answer is in the secret behind the verse: "*Who has created the seven skys ... in balance (Al Mulk: 67: 3)*

Well, "*... the seven skys... are balanced (Al Mulk: 67: 3)*, as well as in Allah's form "*... balanced (Al Mulk: 67: 3)*

However, after the seven skys and all of their contents disappeared back into Allah's energy, because the nuclear energy that bound the quarks in the atom disappeared, what remained was only the quarks and Allah's energy, while "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, returns to Allah's energy, then Allah's form is "*...unbalanced (Al Mulk: 67:3)*

That is, in Allah's form there is only Allah's energy and quarks, where Allah's energy and quarks are "*...eternal...(Al Baqarah: 2:255)*. Meanwhile, "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, because it is not "*...eternal...(Al Baqarah: 2:255)*

So, if in Allah's form there is only Allah's energy and quarks that are "*...eternal...(Al Baqarah: 2:255)*. Meanwhile, "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* is disappear, because it is not "*...eternal...(Al Baqarah: 2:255)*, then Allah's form is "*...unbalanced (Al Mulk: 67 : 3)* Allah's form is "*... balanced (Al Mulk: 67: 3)* if in Allah's form there are "*...eternal...(Al Baqarah: 2:255)* and those who are not "*...eternal. ..(Al Baqarah : 2: 255)*. If in Allah's form "*...my spirit...(Shaad: 38:72)* or

"...Allah's spirit...(Shaad: 38:72) is disappear, then in Allah's form it becomes "...unbalanced (Al Mulk: 67: 3), this violates Allah's own law.

So, now it has been revealed, the secret behind the verse: *"Allah... Life is eternal... (Al Baqarah: 2: 255) but "... not balanced (Al Mulk: 67: 3)*

Now, because *"Allah...Life is eternal...(Al Baqarah: 2:255) but "...is not balanced (Al Mulk: 67:3) and this violates Allah's own law, then to make Allah's form again "... balanced (Al Mulk: 67: 3), then Allah has declared "... He Who Lives eternally again continuously takes care of... (Al Baqarah: 2: 55)*

So, in fact, Allah *"...continues to take care of...(Al Baqarah: 2:55)*

That is, after *"...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72) is disappear, so the "... the seven skys... (Al Mulk: 67: 3) disappear, return to Allah's energy, then with Allah's energy and existing quarks, Allah will "...create seven skys...(Al Mulk: 67 : 3) the new one, with the new atom.*

This is the real secret about Allah who *"...continues to take care of...(Al Baqarah: 2:55)*
