ABSTRACT

Before I write down the problem that Allah has opened a wide way, how can a living human being meet the spirit of Allah, which comes out of a dead human body that has been buried, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about Allah has opened a wide way, how, a living human can meet the spirit of Allah, which comes out of the body of a dead man, who has been buried, based on Deoxyribonucleic acid (DNA)

There are several verses that are tools for revealing Allah's secrets about Allah that have opened a wide way, how, humans who are still alive can meet Allah's spirit, which comes out of the body of a dead man who has been buried, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"Indeed, We have adorned the heavens near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)*

*"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa': 21:16)*

*"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)*

*"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)*

*"And among the signs of His power is the establishment of the heavens and the earth by His command. Then when He calls you once from the earth, you immediately come out (Ar Ruum: 30: 25)*

*"On the day they come out of the grave quickly as if they went quickly to idols (Al Ma'aarij: 70: 43)*

*"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"It is He who has made the earth a bed for you and the sky a roof, and He sends down water from the sky, then He produces with it all the fruits of sustenance for you; therefore do not establish partners for Allah, even though you know. Baqarah : 2:22)*

***"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)***

In an effort to open the veil of Allah's secret about Allah has opened a wide way, how, a living human can meet Allah's spirit, which comes out of a dead human body, which has been buried, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of acid nucleic acid.

## **HYPOTHESIS**

Here I propose a hypothesis that Allah has opened a wide way, living humans can meet the spirit of Allah, which comes out of the dead human body, which has been buried, through oxygen atoms released by trees and flowers around the tomb or grave. , based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

## **ALLAH HAS BEEN THINKING DEPTH, HOW HUMANS STILL ALIVE CAN MEET THE SPIRIT OF ALLAH THAT COMES OUT OF THE BODY OF HUMANS WHO ARE DEAD AND BURNED IN THE SOIL**

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"...the spirit of Allah... incarnated... human...(Maryam: 19:17)"...He is calling you... you come out (Ar Ruum: 30:25)"...they come out of the grave quickly...(Al Ma'aarij: 70:43)*

Apparently, here Allah opens a wide way for humans that, when humans are dead and buried in the

ground, "...get out of the grave quickly... (Al Ma'aarij: 70: 43)

It means, "...the spirit of Allah...(Maryam: 19:17) which comes out of the body of a dead human being and is buried in the ground.

Now the question arises,

How long does "...the spirit of Allah...(Maryam: 19:17) come out of the body of a dead human?

The answer is hidden in the secret behind the verse: "...they came out of the grave quickly...(Al Ma'aarij : 70: 43)

It means, "...they came out...quickly...(Al Ma'aarij : 70: 43) after 30 days, buried in the ground.

Now, now, because the human body is made up of 70 000000000 000000000 000000000 atoms, it is these atoms, such as hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, that come out of the dead human body.

Where "...the spirit of Allah...(Maryam : 19:17) which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms "...comes out...quickly...(Al Ma'aarij : 70:43) from a dead human body.

## **HOW HUMANS WHO ARE STILL ALIVE MEET ALLAH'S SPIRIT OUT OF THE HUMAN BODY THAT HAS DIED**

Well, here, Allah has opened a wide way, for humans, namely the secret that is stored in the verse: "...He sends down water from the sky, then He produces with it all the fruits of sustenance for you...(Al Baqarah : 2:22)

Where, "...all fruits...(Al Baqarah: 2:22) come out of the tree, which has been watered by "...water from the sky...(Al Baqarah: 2:22)

Well, water contains hydrogen atoms and oxygen atoms, but, trees only take the hydrogen atoms, they release oxygen atoms.

This is the secret, why Allah declared "...producing with rain...fruits...(Al Baqarah: 2: 22)

That means, besides "...fruits of sustenance for you...(Al Baqarah: 2:22) but also the trees that produce these fruits are the ones that save the natural surroundings, why?

Because trees with their leaves take in carbon dioxide, toxins released from burning oil, such as smoke from cars and motorcycles.

## **THE SPIRIT OF ALLAH AND THE HYDROGEN, CARBON ATOM, NITROGEN ATOM AND OXYGEN ATOM, THAT COMES OUT OF THE HUMAN BODY THAT HAVE DIED, ALSO CONTAINS CARBON DIOXIDE**

Now, from the human body that has died, which is buried in the soil, after 30 days all the atoms that are in the body come out, including "...the spirit of Allah...(Maryam: 19:17) which contains hydrogen atoms, carbon, nitrogen and oxygen atoms.

Well, the atoms that come out of the human body that has died are a combination of carbon atoms with oxygen atoms which form carbon dioxide.

This is the secret of trees and their leaves, if there is carbon dioxide released from the body of a dead human., it is absorbed, then the carbon atom is taken to be used as food, glucose, while the oxygen atom is released again.

Well, it is this oxygen atom, which comes from the body of a dead human that comes out.

### **THERE SHOULD BE PLANTING A LOT OF TREES AND FLOWERS NEAR A TOMB OR GRAVEL, TO ABSORB COL DIOXIDE, SO THAT CARBON ATOMS ARE TAKEN AS FOOD BY TREES AND FLOWERS**

Now, the secret has been revealed, namely, if humans want to meet "*...the spirit of Allah...(Maryam: 19:17)*" that comes out of the human body who has died, then it is necessary to plant a lot of trees and flowers in the area. around and near graves, so that carbon dioxide is absorbed by trees and flowers to take carbon atoms, to be used as food, and oxygen atoms are released, and inhaled by humans and animals.

Now, when humans breathe oxygen atoms that come out of the human body that has died, what is called a human encounters "*...the spirit of Allah...(Maryam: 19:17)*" that comes out of the body of a dead human.

Or in other words, humans have met "*...the spirit of Allah...(Maryam: 19:17)*" that came out of the bodies of his ancestors, or his father, or his mother, or his brother, or his friend.

So, plant lots of trees and flowers around the grave.

### **CONCLUSION**

Based on the description above, we can conclude that the secrets contained behind the verses: "*...the spirit of Allah... incarnated... human...(Maryam: 19:17)*" "*...He is calling you... you come out (Ar Ruum: 30:25)*" "*...they come out of the grave quickly...(Al Ma'aarij: 70:43)*

Apparently, here Allah opens a wide way for humans that, when humans are dead and buried in the ground, "*...get out of the grave quickly... (Al Ma'aarij: 70: 43)*

It means, "*...the spirit of Allah...(Maryam: 19:17)*" which comes out of the body of a dead human being and is buried in the ground.

Now the question arises,

How long does "*...the spirit of Allah...(Maryam: 19:17)*" come out of the body of a dead human?

The answer is hidden in the secret behind the verse: "*...they came out of the grave quickly...(Al Ma'aarij : 70: 43)*

It means, "*...they came out...quickly...(Al Ma'aarij : 70: 43)*" after 30 days, buried in the ground.

Now, now, because the human body is made up of **70 00000000 00000000 00000000** atoms, it is these atoms, such as hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, that come out of the dead human body.

Where "*...the spirit of Allah...(Maryam : 19:17)*" which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms "*...comes out...quickly...(Al Ma'aarij : 70:43)*" from a dead human

body.

Well, here, Allah has opened a wide way, for humans, namely the secret that is stored in the verse: *"...He sends down water from the sky, then He produces with it all the fruits of sustenance for you...(Al Baqarah : 2:22)*

Where, *"...all fruits...(Al Baqarah: 2:22)* come out of the tree, which has been watered by *"...water from the sky...(Al Baqarah: 2:22)*

Well, water contains hydrogen atoms and oxygen atoms, but, trees only take the hydrogen atoms, they release oxygen atoms.

This is the secret, why Allah declared *"...producing with rain...fruits...(Al Baqarah: 2: 22)*

That means, besides *"...fruits of sustenance for you...(Al Baqarah: 2:22)* but also the trees that produce these fruits are the ones that save the natural surroundings, why?

Because trees with their leaves take in carbon dioxide, toxins released from burning oil, such as smoke from cars and motorcycles.

Now, from the human body that has died, which is buried in the soil, after 30 days all the atoms that are in the body come out, including *"...the spirit of Allah...(Maryam: 19:17)* which contains hydrogen atoms, carbon, nitrogen and oxygen atoms.

Well, the atoms that come out of the human body that has died are a combination of carbon atoms with oxygen atoms which form carbon dioxide.

This is the secret of trees and their leaves, if there is carbon dioxide released from the body of a dead human., it is absorbed, then the carbon atom is taken to be used as food, glucose, while the oxygen atom is released again.

Well, it is this oxygen atom, which comes from the body of a dead human that comes out.

Now, the secret has been revealed, namely, if humans want to meet *"...the spirit of Allah...(Maryam: 19:17)* that comes out of the human body who has died, then it is necessary to plant a lot of trees and flowers in the area. around and near graves, so that carbon dioxide is absorbed by trees and flowers to take carbon atoms, to be used as food, and oxygen atoms are released, and inhaled by humans and animals.

Now, when humans breathe oxygen atoms that come out of the human body that has died, what is called a human encounters *"...the spirit of Allah...(Maryam: 19:17)* that comes out of the body of a dead human.

Or in other words, humans have met *"...the spirit of Allah...(Maryam: 19:17)* that came out of the bodies of his ancestors, or his father, or his mother, or his brother, or his friend.

So, plant lots of trees and flowers around the grave.
