ABSTRACT

Before I write down the problem of Allah's form in the form of Allah's energy, Allah's particles, my spirit, with what Allah thinks, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about Allah's being in the form of Allah's energy, Allah's particles, my spirit, with what Allah thinks, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about Allah's form in the form of Allah's energy, Allah's particles, my spirit, with what Allah thinks, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"It is He Who shows you His signs and sends down for you sustenance from the sky. And there is no lesson except those who return (Al Mu'min: 40:13)

"It is Allah Who created the heavens and the earth and sent down rain from the sky, then He brought forth with it various fruits as sustenance for you; and He has subjected the ark to you so that the ark may sail on the seas by His will, and He has subjected to you rivers (Ibrahim: 14:32)

"He brings out the living from the dead and brings out the dead from the living and gives life to the earth after its death. And in this way you will be brought out (Ar Ruum: 30: 19)

"Was not he a drop of semen that was shed, (Al Qiyaamah: 75: 37)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)

"And He taught Adam all the names, then presented them to the Angels and said: "Name me the names of these things if you are true, those who are true!" (Al Baqarah: 2:31)

Allah said: "O Adam, tell them the names of these things." So after he told them the names of these objects, Allah said: "Have I not told you that I know the secrets of the heavens and the earth and know what they are. what you give birth to and what do you hide?" (Al Baqarah: 2:33)

"So He made it seven heavens in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"Allah is the Creator of the heavens and the earth, and when He wills something, He simply says

to it: "Be!" Then it is done. (Al Baqarah: 2:117)

"And We did not create the heavens and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"He is Allah, Who created all that is on earth for you and He willed the heavens, then He made seven skys. And He is All-Knowing of all things (Al Baqarah: 2:29)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about Allah's being in the form of Allah's energy, Allah's particles, my spirit, with what Allah thinks, I use a base of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that humans sacrifice by bleeding blood, because blood is the source of life for the entire body, blood contains hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, in blood there is Deoxyribonucleic acid (DNA) and blood is a building material "... My spirit...(Shaad : 38: 72), seen from the point of view of Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

HUMANS ARE REFLECTIONS OF ALLAH'S FORM IN THE FORM OF ALLAH'S ENERGY, ALLAH'S PARTICLES AND MY SPIRIT, WITH WHAT ALLAH ACTUALLY THINKING

Now, we are still concentrating on uncovering the secrets contained behind the verses: "*...He taught Adam the full names... (Al Baqarah: 2:31) "Allah said: "O Adam, tell to them the names of these things." So... he told them the names of those things... (Al Baqarah: 2:33) "...He willed the heavens, then He made seven heavens... (Al Baqarah: 2:29) "... We did not create the heavens and the earth and everything between them by playing (Al Anbiyaa ': 21: 16) "God created the heavens and the earth with the right ... (Al 'Ankabuut: 29: 44)*

Apparently, here Allah has declared that man is a reflection of Allah's form in the form of Allah's energy, Allah's particles and "*... my spirit ... (Shaad: 38: 72)*

Why is man a reflection of Allah's form?

The answer is hidden in the secret behind the verses: "*...He taught Adam all the names... (Al Baqarah: 2:31) "Allah said: "O Adam, tell them the names of these things." So... he told them the names of the objects... (Al Baqarah: 2: 33)*

Well, it turns out, obviously, here Allah has clearly explained to humans that, first, Allah directly taught Adam what is in the seven skys and their contents.

Second, from what Allah has taught Adam, it turns out that Adam was ordered by Allah to explain all what happens in the seven skys and all their contents to angels, jinn, satans and devils. It turns out that Adam has been able to give a clear and bright picture of the seven skys and all their contents that have been created by Allah.

Well, this is what is called Adam is a reflection of God's form in the form of Allah's energy, Allah's particles and "*... my spirit ... (Shaad: 38: 72)*

In Adam's body there is Allah's energy, Allah's particles and "*...my spirit... (Shaad : 38:72) "...I breathed into him my spirit... (Shaad : 38:72)*

Or in other words, humans whose bodies have Allah's energy, particles of Allah and "*...my spirit... (Shaad: 38: 72)* are reflections of Allah's form.

HOW ALLAH THINK IS REFLECTED BY HOW ADAM THINK

Now, because what Adam has shown, thought, and explained about the creation of the seven skys and all that is in them, all of it is a reflection of what allah thought, which allah wanted "*...He willed the skys, then He made seven skys... (Al Baqarah: 2:29)*

So, when Allah thinks of something then "*...wills the sky... (Al Baqarah: 2:29) , then "...He made seven skys... (Al Baqarah: 2:29)*

What was created by Allah, all of them "*... not... by playing" (Al Anbiyaa ': 21:16)*

That is, Allah created the seven skys and all of their contents are "*...with right... (Al 'Ankabuut: 29: 44)* that is something that can be counted, something that is certain.

Now, this is clear evidence that what Allah thinks and has thought is all countable and certain.

Or in other words, the human way of thinking is a reflection of Allah's form of how Allah thinks through Allah's energy, Allah's particles and *"...my spirit...(Shaad: 38: 72)*

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"...He taught Adam the full names...(Al Baqarah: 2:31) "Allah said: "O Adam, tell to them the names of these things." So... he told them the names of those things...(Al Baqarah: 2:33)"...He willed the heavens, then He made seven heavens...(Al Baqarah: 2:29)"... We did not create the heavens and the earth and everything between them by playing (Al Anbiyaa ': 21: 16) "God created the heavens and the earth with the right ... (Al 'Ankabuut: 29: 44)*

Apparently, here Allah has declared that man is a reflection of Allah's form in the form of Allah's energy, Allah's particles and *"... my spirit ... (Shaad: 38: 72)*

Why is man a reflection of Allah's form?

The answer is hidden in the secret behind the verses: *"...He taught Adam all the names...(Al Baqarah: 2:31) "Allah said: "O Adam, tell them the names of these things." So... he told them the names of the objects... (Al Baqarah: 2: 33)*

Well, it turns out, obviously, here Allah has clearly explained to humans that, first, Allah directly taught Adam what is in the seven skys and their contents.

Second, from what Allah has taught Adam, it turns out that Adam was ordered by Allah to explain all what happens in the seven skys and all their contents to angels, jinn, satans and devils. It turns out that Adam has been able to give a clear and bright picture of the seven skys and all their contents that have been created by Allah.

Well, this is what is called Adam is a reflection of God's form in the form of Allah's energy, Allah's particles and *"... my spirit ... (Shaad: 38: 72)*

In Adam's body there is Allah's energy, Allah's particles and *"...my spirit...(Shaad : 38:72) "...I breathed into him my spirit...(Shaad : 38:72)*

Or in other words, humans whose bodies have Allah's energy, particles of Allah and *"...my spirit... (Shaad: 38: 72)* are reflections of Allah's form.

Now, because what Adam has shown, thought, and explained about the creation of the seven skys and all that is in them, all of it is a reflection of what allah thought, which allah wanted *"...He willed the skys, then He made seven skys... (Al Baqarah: 2:29)*

So, when Allah thinks of something then *"...wills the sky...(Al Baqarah: 2:29)* , then *"...He made seven skys...(Al Baqarah: 2:29)*

What was created by Allah, all of them *"... not... by playing" (Al Anbiyaa ': 21:16)*

That is, Allah created the seven skys and all of their contents are *"...with right...(Al 'Ankabuut: 29: 44)* that is something that can be counted, something that is certain.

Now, this is clear evidence that what Allah thinks and has thought is all countable and certain.

Or in other words, the human way of thinking is a reflection of Allah's form of how Allah thinks

through Allah's energy, Allah's particles and "*...my spirit...(Shaad: 38: 72)*
