ABSTRACT

Before I write down the problem that Allah's form is not created by the brain, but by Allah's energy, Allah's particles and my spirit, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of Allah's being not created by the brain, but by Allah's energy, Allah particles and my spirit, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about Allah's existence not created by the brain, but by Allah's energy, Allah's particles and my spirit, namely the following verses:

"Allah... the light of the skysand the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

And We said: "O Adam, dwell in this paradise for you and your wives, and eat from its abundant good food wherever you like, and do not approach this tree, which causes you to be of the wrongdoers." Baqarah : 2:35)

"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a place to live on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)

"The paradise of 'Adn which they enter together with the righteous from their fathers, wives and offspring, while the angels enter their places from all doors; (Ar Ra'd: 13:23)

"And each one came, with him an angel of escort and an angel of witness. (Qaf: 50: 21)

"O you who believe, protect yourselves and your families from a hell fire whose fuel is people and stones; its guardians are angels who are harsh, harsh, and do not disobey Allah in what He commands them and always do what is commanded. (At Tahrim : 66: 6)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"And give good tidings to those who believe and do good, that for them are provided gardens with rivers flowing in them. Every time they are given sustenance of fruit in those paradises, they say: "This is what was given to them. us first." They are given similar fruits and for them are pure wives and they will abide therein (Al Baqarah: 2:25)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And when Moses came for an appointed time and the Lord had spoken to him, Moses said: "O my Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but look at the hill, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses came back to his senses, he said: "Glory be to him. You, I repent to You and I am the first to believe."

(Al A'raaf: 7:143)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about Allah's being not created by the brain, but by Allah's energy, Allah's particles and my spirit, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that Allah's form was not created by the brain, but by the energy of Allah, the particles of Allah and my spirit, where the energy of Allah, the particles of Allah and my spirit cannot be separated, seen from the point of view of Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

ALLAH EXISTS BECAUSE OF ALLAH'S ENERGY, ALLAH'S PARTICLES AND MY SPIRIT, NOT MADE BY THE BRAIN, AS SUFISM PEOPLE DO

Now, we are still focusing our minds on uncovering the secrets contained behind the verses:
"...wherever you face there is the face of Allah... (Al Baqarah: 2: 115) "...look at that hill, then if he stays in place you will surely be able to see Me...(Al A'raaf : 7:143) "...I breathed into him my spirit...(Shaad: 38:72) "...The spirit is part of the affairs of My Lord, and you were not given knowledge but a little...(Al Israa ': 17: 85)"... a day whose levels are fifty thousand years (Al Ma'aarij: 70:4)

The form of Allah cannot be created by the brain, based on the information received by the brain, as Sufism people do to meet Allah or what they call ma'rifat Allah. These Sufism people to meet Allah use what they call the heart, which actually heart refers to the brain. So, it is actually the brain that provides an image and incarnates the form of Allah, according to the assumptions of Sufism people.

In fact, Allah's form appears because of Allah's energy, Allah's particles and "...my spirit...(Shaad: 38: 72)

So, it is these three elements that give rise to the form of Allah. Sufism people have not or do not understand about these three elements, Allah's energy, Allah's particles and "... my spirit ... (Shaad: 38: 72)

Wherever the human eye is directed, that is where the form of Allah appears, with the speed of light Allah's particles 5 475 103 664 604.84 km per second and Allah's energy which is almost zero 0.0000000000 000000000 000000000 01 grams per cubic cm and Allah's own particles which are almost zero 0.000000000 000000000 000000000 000000000 000000000 000000000 000000000 000 333 591 754 209 188 9 grams.

Now, with these three elements, Allah's energy, Allah's particles and "...my spirit...(Shaad: 38:72), Allah's form appears or "...wherever you face that is the face of Allah...(Al Baqarah : 2:115)

"... my spirit...(Shaad : 38: 72) is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So, the face of Allah or the form of Allah appears because of these three elements, Allah's energy, Allah's particles and "... my spirit... (Shaad: 38: 72)

Now when the human eye is directed to his own body, then from that body emerges the face of Allah or the form of Allah. Or in other words, the form or face of Allah is in the human body.

Well, this is what most people in this world have not or have not understood, that the face of Allah or the form of Allah appears because of Allah's energy, Allah's particles and "... my spirit... (Shaad: 38: 72)

ANYTIME, ANYWHERE, HUMANS CAN MEET, SPEAK AND SEE ALLAH'S FACE OR ALLAH'S FORM

Now, because in the seven skys and everything in them, including humans, there is the energy of Allah, the particles of Allah and "...my spirit...(Shaad: 38:72) then the form of Allah is actually everywhere. The face of Allah or the form of Allah does not need to be sought, because the face of Allah or the form of Allah is already in place.

This is what the people of Sufism have not or have not understood.

Now it has been revealed, the secret hidden behind the verses: "...look at that hill, so if it stays where it is, you will surely see Me... (Al A'raaf: 7: 143)"... wherever you turn, there is the face of Allah...(Al Baqarah: 2:115)

That is, the face of Allah or the form of Allah cannot be made by the human brain, as Sufism people think through the heart or heart which refers to the brain.

Rather, the face of Allah or the form of Allah appears because of Allah's energy, Allah's particles

and "... my spirit... (Shaad: 38: 72)

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "...wherever you face there is the face of Allah... (Al Baqarah: 2: 115) "...look at that hill, then if he stays in place you will surely be able to see Me... (Al A'raaf : 7:143) "...I breathed into him my spirit... (Shaad: 38:72) "...The spirit is part of the affairs of My Lord, and you were not given knowledge but a little... (Al Israa ' : 17: 85)"... a day whose levels are fifty thousand years (Al Ma'aarij: 70:4)

The form of Allah cannot be created by the brain, based on the information received by the brain, as Sufism people do to meet Allah or what they call ma'rifat Allah. These Sufism people to meet Allah use what they call the heart, which actually heart refers to the brain. So, it is actually the brain that provides an image and incarnates the form of Allah, according to the assumptions of Sufism people.

In fact, Allah's form appears because of Allah's energy, Allah's particles and "...my spirit... (Shaad: 38: 72)

So, it is these three elements that give rise to the form of Allah. Sufism people have not or do not understand about these three elements, Allah's energy, Allah's particles and "... my spirit ... (Shaad: 38: 72)

Wherever the human eye is directed, that is where the form of Allah appears, with the speed of light Allah's particles 5 475 103 664 604.84 km per second and Allah's energy which is almost zero 0.0000000000 000000000 000000000 01 grams per cubic cm and Allah's own particles which are almost zero 0.000000000 000000000 000000000 000000000 000000000 000000000 000000000 000 333 591 754 209 188 9 grams.

Now, with these three elements, Allah's energy, Allah's particles and "...my spirit... (Shaad: 38:72), Allah's form appears or "...wherever you face that is the face of Allah... (Al Baqarah : 2:115)

"... my spirit... (Shaad : 38: 72) is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So, the face of Allah or the form of Allah appears because of these three elements, Allah's energy, Allah's particles and "... my spirit... (Shaad: 38: 72)

Now when the human eye is directed to his own body, then from that body emerges the face of Allah or the form of Allah. Or in other words, the form or face of Allah is in the human body.

Well, this is what most people in this world have not or have not understood, that the face of Allah or the form of Allah appears because of Allah's energy, Allah's particles and "... my spirit... (Shaad: 38: 72)

Now, because in the seven skys and everything in them, including humans, there is the energy of Allah, the particles of Allah and "...my spirit... (Shaad: 38:72) then the form of Allah is actually everywhere. The face of Allah or the form of Allah does not need to be sought, because the face of Allah or the form of Allah is already in place.

This is what the people of Sufism have not or have not understood.

Now it has been revealed, the secret hidden behind the verses: "...look at that hill, so if it stays where it is, you will surely see Me... (Al A'raaf: 7: 143)"... wherever you turn, there is the face of Allah... (Al

Baqarah: 2:115)

That is, the face of Allah or the form of Allah cannot be made by the human brain, as Sufism people think through the heart or heart which refers to the brain.

Rather, the face of Allah or the form of Allah appears because of Allah's energy, Allah's particles and "... *my spirit...* (*Shaad: 38: 72*)
