ABSTRACT

First of all, by asking forgiveness from Allah SWT, here I try to revealing signs of the greatness of Allah SWT on what basis, the dajal, satan and the devil are a type of human who has a family and descendants, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA)

There are several verses that serve as tools for revealing Allah's secrets on what basis, the dajal, satan and the devil are a kind of human being who has a family and descendants, namely the verses:

"And thus We made enemies for every prophet, namely the devils of humans and jinn, some of them whispering to others beautiful words to deceive... (Al An'aam: 6:112)

"And (remember) when We said to the angels: "Prostrate yourselves to Adam, so prostrate them except Satan. He is from the group of jinn, so he disobeys the command of his Lord. Should you take him and his descendants as leaders other than Me, while they are your enemies? Very bad is the devil as a substitute (from Allah) for the wrongdoers. (Al Kahf: 18: 50)

"Have I not commanded you, O Children of Adam, that you do not worship Satan? Verily, Satan is a real enemy to you." (Yaasiin: 36:60)

"And We have subdued (also to Solomon) a group of devils who dive for him and do work other than that, and We are taking care of them, (Al Anbiyaa ': 21: 82)

"Until when they reach the valley of the ants an ant says: O ants, go into your nests, so that Solomon and his soldiers do not step on you, while they do not realize"; (An Naml: 27: 18)

"He (the devil) said: "Explain to me is this person whom You have honored over me? Indeed, if You give me respite until the Day of Resurrection, I will surely lead astray his descendants, except for a small part." (Al Israa ': 17: 62)

"And summon those whom you can afford among them with your invitation, and deploy against them your cavalry and your foot soldiers and associate with them in wealth and children and make a promise to them. And the devil has promised them nothing but deception (Al Israa ': 17: 64)

"And his army was assembled for Solomon from the jinn, humans and birds and then they were arranged in an orderly manner (in rows). (An Naml: 27:17)

"The Dajjal has a defect in his left eye, curly hair, with him his heaven and hell. Hell is heaven and heaven is hell." (HR. Muslim, no. 2934)

In an effort to open the veil of Allah's secret about what, the dajal, satan and the devil are a kind of human who has a family and descendants, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that the dajal, the satan and the devil are a kind of human, seen from the basic point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

ON WHAT BASIS THE DAJAL, THE SATAN AND THE DEVIL ARE A TYPE OF HUMANS

Now, let's go back to focusing our full mind on revealing the secrets that are hidden in the verse: *"...The devil. He is from the jinn group... he and his descendants are leaders other than Me,... (Al Kahf: 18: 50)*

Well, apparently the devil and the jinn are one group and they have descendants.

Now what about the jinn, devils, satans and humans, are they one type?

The answer is

Hidden in the secret contained behind the verse: *"The devil says: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76) "Dajjal has a defect in his left eye, curly hair. ..(Narrated by Muslim, no. 2934) "...We made enemies for each prophet, namely the devils of humans and jinn...(Al An'aam: 6:112) "...We has subdued (also to Solomon) a group of devils who dive ... (Al Anbiyaa ': 21: 82)*

Well, the dajal, the devil, the jinn, and the satan are indeed a kind of human.

Dajal is a descendant of Adam *"... curly hair... (HR. Muslim, no. 2934)*

Devils and jinn are created from *"...fire...(Shaad: 38: 76)* meaning that fire contains oxygen atoms and hydrogen atoms.

While humans are created from *"...soil." (Shaad: 38: 76)* , meaning that the soil contains hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Devils and jinn are created from fire which contains hydrogen atoms and oxygen atoms. Humans are also created from hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms. So, here it is clear that actually between demons, jinn and humans are the same. They contain oxygen atoms and hydrogen atoms.

Likewise the saatan is also a kind of human *"... muster against them horsemen and your troops that walk and... associate with them in wealth and children and make promises to them. And the devil has promised them nothing but deception (Al Israa ' : 17: 64)*

Well, the satan also like humans has the power and troops to use to influence humans.

So, now, it has been revealed that in fact the dajal, satan, devil and jinn are a kind of human being.

FROM THE TIME ADAM LEFT FROM PARADISE, THE DAJAL, THE DEVIL, THE JIN AND THE SATAN ALREADY EXIST AND THEY HAVE FAMILY AND DESCENDANTS

Now, it has been revealed that the dajal is actually a descendant of Adam.

Likewise, the devil, the jinn and the satan were brought out with Adam from paradise to inhabit our earth today.

So, actually the dajal, devil, jinn and satan are living together around us on this earth.

They live together with us humans, only humans do not recognize them. They live together with their families.

CONCLUSION

Based on the description above, we can conclude that the secrets that are hidden in the verse: *"...The devil. He is from the jinn group... he and his descendants are leaders other than Me,... (Al Kahf: 18: 50)*

Well, apparently the devil and the jinn are one group and they have descendants.

Now what about the jinn, devils, satans and humans, are they one type?

The answer is

Hidden in the secret contained behind the verse: *"The devil says: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76) "Dajjal has a defect in his left eye, curly hair. ..(Narrated by Muslim, no. 2934) "...We made enemies for each prophet, namely the devils of humans and jinn...(Al An'aam: 6:112) "...We has subdued (also to Solomon) a group of devils who dive ... (Al Anbiyaa ' : 21: 82)*

Well, the dajal, the devil, the jinn, and the satan are indeed a kind of human.

Dajal is a descendant of Adam *"... curly hair... (HR. Muslim, no. 2934)*

Devils and jinn are created from *"...fire...(Shaad: 38: 76)* meaning that fire contains oxygen atoms and hydrogen atoms.

While humans are created from *"...soil." (Shaad: 38: 76)* , meaning that the soil contains hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Devils and jinn are created from fire which contains hydrogen atoms and oxygen atoms. Humans are also created from hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms.

So, here it is clear that actually between demons, jinn and humans are the same. They contain oxygen atoms and hydrogen atoms.

Likewise the saatan is also a kind of human *"... muster against them horsemen and your troops that walk and... associate with them in wealth and children and make promises to them. And the devil has promised them nothing but deception (Al Israa ': 17: 64)*

Well, the satan also like humans has the power and troops to use to influence humans.

So, now, it has been revealed that in fact the dajal, satan, devil and jinn are a kind of human being.

Now, it has been revealed that the dajal is actually a descendant of Adam.

Likewise, the devil, the jinn and the satan were brought out with Adam from paradise to inhabit our earth today.

So, actually the dajal, devil, jinn and satan are living together around us on this earth.

They live together with us humans, only humans do not recognize them. They live together with their families.
