**ABSTRACT**

Before the author writes the problem because human's mind and Allah's mind are balanced, then the results of human's thinking appear in Allah's thinking, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secrets of because human's mind and Allah's mind are balanced, then the results of human's thinking appear in Allah's thinking, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that open Allah's secrets about because human's mind and Allah's mind are balanced, then the results of human's thinking appear in Allah's thinking, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"And why do they not think about themselves? Allah did not make the heavens and the earth and what is between them except with a right and an appointed time. And indeed most of the people really deny meeting their Lord. (Ar Ruum: 30 :8)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it My spirit, then submit to it prostrating yourselves (Al Hijr: 15:29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"The angels and Gabriel ascended to God in a day the measure of which was fifty thousand years (Al Ma'aarij: 70:4)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily, Allah is All-Wise and All-Knowing. (Al Baqarah: 2: 115)*

*"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious*

*God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And He who created the skys and the earth in six days, and His throne is over the water, so that He may test which of you is better in deed, and if you say, "Indeed, you will be resurrected after death", surely those who disbelieve will said: "This is nothing but real magic" (Hud: 11:7)*

*"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises where rivers flow in them. forever. They will abide in it. That is the great victory (At Taubah : 9: 100)*

*"And if you are afraid that you will not be able to do justice to the orphaned woman, then marry the women you like: two, three or four. Then if you are afraid that you will not be able to do justice, then only one, or the slaves you have. That is closer to not doing wrong. (An Nisaa': 4:3)*

*"And they sold Joseph at a low price, only a few dirhams, and they were not attracted to Joseph (Yusuf: 12:20)*

*"And those who accuse good women and they do not bring four witnesses, then lash them eighty times, and do not accept their testimony forever. And they are the wicked. (An Nuur: 24:4)*

*"The woman who commits adultery and the man who commits adultery, then lash each one of them a hundred lashes, and do not be merciful to both of them from preventing you from the religion of Allah, if you believe in Allah and the hereafter, and let their punishment be witnessed. by a group of believers.(An Nuur: 24:2)*

*"And the women who do heinous deeds, there should be four witnesses among you. Then when they have given testimony, then lock them in the house until they meet their death, or until Allah gives them another way (An Nisaa ': 4: 15)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

In an effort to open the veil of Allah's secret about because human's mind and Allah's mind are balanced, then the results of human's thinking appear in Allah's thinking, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes a hypothesis when human's mind and Allah's mind are balanced, the results of human's thinking appear in Allah's thinking, based on Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the

hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **BECAUSE HUMAN'S MIND AND ALLAH'S MIND ARE BALANCED, THEN THE RESULTS OF HUMAN'S THINKING APPEAR IN ALLAH'S THINKING**

Now, we are still focusing our minds on uncovering the secrets contained behind the verse: "*... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100) "... You never see on God's creation ... something that is not balanced ... (Al Mulk: 67: 3)"...if you are afraid that you will not be able to do justice, then only one, or the slaves you have...(An Nisaa': 4:3)"...lock them in the house until they meet their end.. .(An Nisaa' : 4:15)"... lash each one of them a hundred times...(An Nuur: 24: 2)*

Apparently, here Allah has declared "*... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100)"... balanced... (Al Mulk: 67: 3)*

Now the question arises,

Why did Allah declare "*... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100) ?*

The answer is in the secret behind the verse: "*... You... do not look at God's creation... it is not balanced... (Al Mulk: 67: 3)*

Well, it turns out, here Allah explains to all humans in the world that there is "*... a balance... (Al Mulk: 67: 3)* between human's mind and Allah's mind because "*... Allah is pleased with them and they are pleased with Allah. ... (At Taubah : 9: 100)*

Or in other words, here, it is clearly illustrated that between Prophet Muhammad saw mind and Allah's mind have been "*...balanced...(Al Mulk: 67: 3)*

Now, because Prophet Muhammad saw mind and Allah's mind have been "*...balanced...(Al Mulk: 67: 3)*, then what was in the mind of Prophet Muhammad saw was in mind of Allah.

Well, with the existence of "*... a balance ... (Al Mulk: 67: 3)* between Prophet Muhammad saw mind and Allah's mind creates a law, which law has previously been applied in society and has been accepted by the mind of the Prophet Muhammad saw.

The law *"...the slaves you have...(An Nisaa': 4:3)* arises because in society, one human being has another human who has been accepted as the applicable law in society.

Well, the law of one human being has another human who is valid in society has been accepted by the mind of the Prophet Muhammad saw. Because there has been *"... a balance... (Al Mulk: 67: 3)* between Prophet Muhammad saw mind and Allah's mind, then the law *"...the slaves you have...(An Nisaa': 4:3)* which was accepted by the mind of Prophet Muhammad saw, was accepted by Allah's mind. So that the law was born *"... if you are afraid that you will not be able to do justice, then only one, or the slaves you have... (An Nisaa': 4:3)*

So, humans may marry *"...the slaves you have...(An Nisaa': 4:3)*. That is, a man may marry a woman who belongs to him or *"...the slaves...(An Nisaa': 4:3)*.

So, now the question arises,

Why does Allah allow a man to marry a woman who belongs to him or *"...the slaves...(An Nisaa': 4:3)* ?

The answer is in the secret behind the verse: *"... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100)"... balanced... (Al Mulk: 67: 3)*

It means, *"... Allah is pleased with the Prophet Muhammad and the Prophet Muhammad is pleased with Allah ... (At Taubah: 9: 100)*, this is what makes the law *"... balanced... (Al Mulk: 67: 3)*

So, what has been accepted by the mind of Prophet Muhammad saw, in this case, the problem of humans having other humans, is also accepted by the mind of Allah, so that the law comes out *"...the slaves you have... (An Nisaa': 4: 3)*

Now, as well as the law *"...whip...(An Nuur: 24:2)* that applies in society, because the law *"...whip... (An Nuur: 24:2)* was accepted by the mind of Prophet Muhammad saw, and between the mind of Prophet Muhammad saw and the mind of Allah is *"...balanced...(Al Mulk: 67:3)*, then the law of *"...whip...(An Nuur: 24:2)* is accepted by Allah's mind , so that the law *"... whip ... (An Nuur: 24: 2)* was born *"The woman who commits adultery and the man who commits adultery ... whips each one of them a hundred times ... (An Nuur: 24:2)*

Now, Allah's secret has been revealed, because the human's mind and Allah's mind is *"...balanced... (Al Mulk: 67:3)*, then the results of human's thinking appear in Allah's thinking.

## CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verse: *"... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100) "... You never see on God's creation ... something that is not balanced ... (Al Mulk: 67: 3)"...if you are afraid that you will not be able to do justice, then only one, or the slaves you have...(An Nisaa': 4:3)"...lock them in the house until they meet their end.. .(An Nisaa' : 4:15)"... lash each one of them a hundred times...(An Nuur: 24: 2)*

Apparently, here Allah has declared *"... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100)"... balanced... (Al Mulk: 67: 3)*

Now the question arises,

Why did Allah declare *"... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9:*

100) ?

The answer is in the secret behind the verse: "... *You... do not look at God's creation... it is not balanced...* (Al Mulk: 67: 3)

Well, it turns out, here Allah explains to all humans in the world that there is "... *a balance...* (Al Mulk: 67: 3) between human's mind and Allah's mind because "... *Allah is pleased with them and they are pleased with Allah. ...*(At Taubah : 9: 100)

Or in other words, here, it is clearly illustrated that between Prophet Muhammad saw mind and Allah's mind have been "...*balanced...*(Al Mulk: 67: 3)

Now, because Prophet Muhammad saw mind and Allah's mind have been "...*balanced...*(Al Mulk: 67: 3), then what was in the mind of Prophet Muhammad saw was in mind of Allah.

Well, with the existence of "... *a balance ...* (Al Mulk: 67: 3) between Prophet Muhammad saw mind and Allah's mind creates a law, which law has previously been applied in society and has been accepted by the mind of the Prophet Muhammad saw.

The law "...*the slaves you have...*(An Nisaa': 4:3) arises because in society, one human being has another human who has been accepted as the applicable law in society.

Well, the law of one human being has another human who is valid in society has been accepted by the mind of the Prophet Muhammad saw. Because there has been "... *a balance...* (Al Mulk: 67: 3) between Prophet Muhammad saw mind and Allah's mind, then the law "...*the slaves you have...*(An Nisaa': 4:3) which was accepted by the mind of Prophet Muhammad saw, was accepted by Allah's mind. So that the law was born "... *if you are afraid that you will not be able to do justice, then only one, or the slaves you have...* (An Nisaa': 4:3)

So, humans may marry "...*the slaves you have...*(An Nisaa': 4:3). That is, a man may marry a woman who belongs to him or "...*the slaves...*(An Nisaa': 4:3).

So, now the question arises,

Why does Allah allow a man to marry a woman who belongs to him or "...*the slaves...*(An Nisaa': 4:3) ?

The answer is in the secret behind the verse: "... *Allah is pleased with them and they are pleased with Allah...* (At Taubah: 9: 100)" "... *balanced...* (Al Mulk: 67: 3)

It means, "... *Allah is pleased with the Prophet Muhammad and the Prophet Muhammad is pleased with Allah ...* (At Taubah: 9: 100), this is what makes the law "... *balanced...* (Al Mulk: 67: 3)

So, what has been accepted by the mind of Prophet Muhammad saw, in this case, the problem of humans having other humans, is also accepted by the mind of Allah, so that the law comes out "...*the slaves you have...* (An Nisaa': 4: 3)

Now, as well as the law "...*whip...*(An Nuur: 24:2) that applies in society, because the law "...*whip...* (An Nuur: 24:2) was accepted by the mind of Prophet Muhammad saw, and between the mind of Prophet Muhammad saw and the mind of Allah is "...*balanced...*(Al Mulk: 67:3), then the law of "...*whip...*(An Nuur: 24:2) is accepted by Allah's mind , so that the law "... *whip ...* (An Nuur: 24: 2) was born "*The woman who commits adultery and the man who commits adultery ... whips each one of them a hundred times ...* (An Nuur: 24:2)

Now, Allah's secret has been revealed, because the human's mind and Allah's mind is "...*balanced...*" (*Al Mulik: 67:3*), then the results of human's thinking appear in Allah's thinking.
