**ABSTRACT**

Before the author writes down the problem because some people do not understand the real Allah, eventually they become opponents of Allah, through rejection of what Allah has revealed, first of all, the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about because some people do not understand the real Allah, eventually they become opponents of Allah, through rejection of what Allah has revealed, based on Deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secrets about because some people do not understand the real Allah, eventually they become opponents of Allah, through rejection of what Allah has revealed, namely the following verses:

*"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise, All-Knowing. (Al Baqarah: 2:115)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the skys and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa ': 21:16)*

*"Allah created the skysand the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)*

*"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"And Maryam, the daughter of Imran, who kept her honor, so We breathed into her womb some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient. (At Tahrir: 66:12)*

*"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)*

*"And decide between them according to what Allah has sent down, and do not follow their lusts. And be careful with them, lest they turn you away from some of what Allah has revealed to you. If they turn away, then know that Allah willed to inflict calamity on them because of some of their sins, and indeed most of the people are ungodly (Al Maa'idah: 5:49)*

*"A Messenger who recites to you the verses of Allah explaining that He should bring out those who believe and do righteous deeds from darkness to light. And whoever believes in Allah and does righteous deeds, Allah will surely enter him into Paradises that flow through beneath them are rivers; they abide in them forever. Verily, Allah has provided him with good provisions (Ath Thalaq: 65:11)*

*"And it is not possible for any human being that Allah can speak to him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily He is Most High, Most Wise. (Ash Shuura: 42:51)*

In an effort to open the veil of Allah's secret about because some people do not understand the real Allah, eventually they become opponents of Allah, through rejection of what Allah has revealed, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes the hypothesis that some people do not understand the real Allah, eventually they become opponents of Allah, through rejection of what Allah has revealed, based on Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

## BECAUSE MOST HUMANS DON'T UNDERSTAND THE REAL ALLAH, FINALLY BECOME AGAINST ALLAH, THROUGH REJECTION OF WHAT ALLAH HAS REVEALED

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"...I breathed into him my spirit...(Shaad: 38:72)"...I am near...(Al Baqarah: 2: 186)"...We...know what his heart whispers...(Qaf: 50:16)"...let you decide matters between them according to what Allah revealed...(Al Maa'idah : 5:49)*

It turns out that Allah has declared *"... you decide the case... according to what Allah has revealed... (Al Maa'idah: 5: 49)*

Now the question arises,

What exactly is *"...that Allah revealed...(Al Maa'idah: 5:49) ?*

Well, the answer is in the secret behind the verse: *"An Apostle who reads to you the verses of Allah explaining that He should bring out those who believe and do righteous deeds from darkness to light...(Ath Thalaq: 65:11)*

So, *"...what Allah revealed...(Al Maa'idah: 5:49)* are *"...the verses of Allah...(Ath Thalaq: 65:11)* with the purpose of Allah *"...releasing those who believe...from darkness to light...(Ath Thalaq: 65:11)*

Well, *"... from darkness to light... (Ath Thalaq: 65: 11)* means humans who previously did not understand about *"...the creation of the skys and the earth... (Al 'Ankabuut: 29: 44)*, finally through *"...the verses of Allah... (Ath Thalaq: 65: 11)* humans understand about *"... the creation of the seven*

*skys in layers... which is balanced (Al Mulk: 67: 3) and what creation only that is in "... the seven skys... (Al Mulk: 67: 3) including humans, animals, plants, bacteria, amoeba, fungi, archae, and all inanimate objects.*

Well, in "*...the verses of Allah... (Ath Thalaq: 65: 11)*" it also contains rules, laws to be implemented in personal life, in family life, society, government and state.

So, actually, there is no reason, to say that "*...what Allah revealed...(Al Maa'idah: 5:49)*" is in the form of "*...the verses of Allah...(Ath Thalaq: 65: 11)*" is no longer needed in human life now and in the future.

Well, most people around the world, today, think that "*...the verses of Allah... (Ath Thalaq: 65:11)*" which contain rules, laws to be implemented in personal life, in family life, society, government and state, are no longer in accordance with human life today.

Well, the thinking of most people around the world are like this, which brings people back again "*...from...light...(Ath Thalaq: 65:11)*" to "*...darkness...(Ath Thalaq :65:11)*"

Now, this is, because most of the people around the world do not understand the real Allah or the real Jahve, according to the calling of the Jews and the followers of Jesus.

## CONCLUSION

From what has been explained above, it can be concluded that the secrets contained behind the verses: "*...I breathed into him my spirit...(Shaad: 38:72)*" "*...I am near...(Al Baqarah: 2: 186)*" "*...We...know what his heart whispers...(Qaf: 50:16)*" "*...let you decide matters between them according to what Allah revealed...(Al Maa' idah : 5:49)*"

It turns out that Allah has declared "*... you decide the case... according to what Allah has revealed... (Al Maa'idah: 5: 49)*"

Now the question arises,

What exactly is "*...that Allah revealed...(Al Maa'idah: 5:49)*" ?

Well, the answer is in the secret behind the verse: "*An Apostle who reads to you the verses of Allah explaining that He should bring out those who believe and do righteous deeds from darkness to light... (Ath Thalaq: 65:11)*"

So, "*...what Allah revealed...(Al Maa'idah: 5:49)*" are "*...the verses of Allah...(Ath Thalaq: 65:11)*" with the purpose of Allah "*...releasing those who believe...from darkness to light...(Ath Thalaq: 65:11)*"

Well, "*... from darkness to light... (Ath Thalaq: 65: 11)*" means humans who previously did not understand about "*...the creation of the skys and the earth... (Al 'Ankabut: 29: 44)*", finally through "*...the verses of Allah... (Ath Thalaq: 65: 11)*" humans understand about "*... the creation of the seven skys in layers... which is balanced (Al Mulk: 67: 3) and what creation only that is in "... the seven skys... (Al Mulk: 67: 3) including humans, animals, plants, bacteria, amoeba, fungi, archae, and all inanimate objects.*"

Well, in "*...the verses of Allah... (Ath Thalaq: 65: 11)*" it also contains rules, laws to be implemented in personal life, in family life, society, government and state.

So, actually, there is no reason, to say that "*...what Allah revealed...(Al Maa'idah: 5:49)*" is in the form

of “...*the verses of Allah... (Ath Thalaq: 65: 11)* is no longer needed in human life now and in the future.

Well, most people around the world, today, think that “...*the verses of Allah... (Ath Thalaq: 65:11)* which contain rules, laws to be implemented in personal life, in family life, society, government and state, are no longer in accordance with human life today.

Well, the thinking of most people around the world are like this, which brings people back again “...*from...light... (Ath Thalaq: 65:11)* to “...*darkness... (Ath Thalaq :65:11)*

Now, this is, because most of the people around the world do not understand the real Allah or the real Jahve, according to the calling of the Jews and the followers of Jesus.
