ABSTRACT

Before the author writes about the problem because the majority of people in the world do not understand the real Allah or Jahve, then it is enough to say, for the sake of Allah, with the blessings of Allah, then is conjured, human law into Allah's law, the author first begs forgiveness from Allah SWT. Here the author tries to open the veil that covers the real secret about because the majority of people in the world do not understand the real Allah or Jahve, then it is enough to say, for the sake of Allah, with the blessings of Allah, then is conjured, human law into Allah's law, based on structure to molecular nucleic acid or deoxyribonucleic acid (DNA)

There are several verses that reveal Allah's secrets about because the majority of people in the world do not understand the real Allah or Jahve, then it is enough to say, for the sake of Allah, with the blessings of Allah, then is conjured, human law into Allah's law, namely the verses:

"And take a bundle with your hand, then beat it with it and do not break your oath. Indeed, We found him a patient man. He is the best of servants. Indeed, he is very obedient. (Shaad: 38: 44)

"And keep the agreement with Allah when you promise and do not cancel the oath, after confirming it, while you have made Allah your witness. Surely Allah knows what you do. (An Nahl: 16:91)

"Allah will not punish you for your oaths which are not mentioned, but He will punish you for the oaths that you deliberately took, then the oath expiation is to feed ten poor people from the food you used to give to your family, or clothe to them or hold a slave close. Whoever is unable to do that, then his expiation is to fast for three days. That is the expiation of your oaths if you swear. And keep your vows. Thus Allah explains to you His laws so that you will be grateful (Al Maa'idah: 5: 89)

When his God said to him: "Submit obediently" Abraham replied: "I submit obediently obedient to God of the Worlds". (Al Baqarah : 2:131)

"And do not make your oaths an instrument of deceit among yourselves, which causes protection for your feet after they have been firmly established, and you feel poverty because you hindered from the path of Allah; and for you a great punishment. (An Nahl: 16:94)

"They make their oaths a shield, then they block them from the way of Allah; because of that they got a humiliating punishment. (Al Mujaadilah : 58:16)

"God created the skys and the earth with rights. Indeed, in that there are signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"Who has created the seven skys in layers. You never see in the creation of God the Most Beneficent something that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"Then when I have perfected what happened and I have blown on him my spirit; then you should fall prostrate to him." (Shaad : 38: 72)

"Their reward with their God is paradise 'Adn beneath which rivers flow; they will remain in it forever. Allah is pleased with them and they are pleased with Allah. That is for those who fear their Lord. (Al-Quran) Bayyinah : 98:8)

"And judge between them according to what Allah has revealed, and do not follow their desires. And be careful of them, so that they do not turn you away from some of what Allah has revealed to you. If they injure, then know that Allah really wants to inflict calamity on them due to some of their sins. And in fact most people are wicked people. (Al Maa'idah: 5:49)

"And We bring curses upon them in this world; and on the Day of Judgment they will be among those who are kept away (Al Qashash: 28: 42)

In an effort to open the veil of Allah's secret cover about because the majority of people in the world do not understand the real Allah or Jahve, then it is enough to say, for the sake of Allah, with the blessings of Allah, then is conjured, human law into Allah's law, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid.

HYPOTHESES

Here the author proposes a hypothesis the majority of people in the world do not understand the real Allah or Jahve, then it is enough to say, for the sake of Allah, with the blessings of Allah, then is conjured, human law into Allah's law, based on Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure form a double helix and which contain polynucleotide macromolecules arranged together repeatedly from the nucleotide polymer. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

BECAUSE MOST HUMANS IN THE WORLD DO NOT UNDERSTAND THE REAL ALLAH OR JAHVE, THEN IT'S ENOUGH TO SAY, FOR THE SAKE OF ALLAH, WITH THE BLESSINGS OF ALLAH, THEN IS CONJURED HUMAN LAW INTO ALLAH'S LAW

Now, we are still continuing to concentrate our minds in order to uncover the secrets hidden behind the verse: *"Allah created the skys and the earth with rights...(Al 'Ankabuut : 29: 44)"...keep the agreement with Allah if you promise... (An Nahl: 16: 91)*

It turns out that here Allah has declared *"... keep the agreement with Allah if you promise... (An Nahl: 16: 91)*

So, now the question arises,

Why did Allah declare *"...keep the agreement with Allah if you promise...(An Nahl: 16: 91)?*

The answer is in the secret behind the verse: **"... His God said to him: "Submit to obedience" Abraham replied: "I submit to God of the Worlds" (Al Baqarah: 2: 131)**

Well, here Allah has explained to all people in the world, there is a covenant between Allah or Jahve according to the call of the Jews and followers of Jesus, and humans.

Where is the agreement between Allah or Jahve and humans in the form of **"...submit to obedience"...** (Al Baqarah: 2: 131)

Well, here Allah declares the agreement between Allah or Jahve and **"... Abraham..."** (Al Baqarah: 2: 131)

Then **"...Abraham..."**(Al Baqarah: 2: 131) promised **"...I will obey God of the Worlds"** (Al Baqarah: 2: 131)

Well, the covenant bond between Allah or Jahve and **"...Abraham..."**(Al Baqarah: 2: 131) is a covenant bond that is **"...balanced..."**(Al Mulk: 67: 3)

Well, if the agreement is **"... balanced..."** (Al Mulk: 67: 3) if it is violated by humans, then **"... for you will be a great punishment (An Nahl: 16: 94)"...** **We will bring anathema to them in this world...**(Al Qashash : 28: 42)

As an example of an agreement spoken by humans **" For the sake of Allah, I swear that I will fulfill the obligations of the President of the Republic of Indonesia (Vice President of the Republic of Indonesia) as best and fairly as possible, uphold the Constitution and carry out all laws and regulations as straight as possible, and serve the Nusa and the Nation"**

Well, here humans **"... make swearing as a tool of deceit ...** (An Nahl: 16: 94)

Why **"...swearing as a tool of deceit..."**(An Nahl: 16: 94) ?

Because, humans by saying "By Allah, I swear that I will fulfill the obligations of the President of the Republic of Indonesia (Vice President of the Republic of Indonesia) as best and fairly as possible, uphold the Constitution and carry out all laws and regulations as straight as possible..."

Now, by saying the word **" For the sake of Allah, I swear that I will fulfill the obligations of the President of the Republic of Indonesia (Vice President of the Republic of Indonesia) as best and fairly as possible, uphold the Constitution and carry out all laws and regulations as straight as possible..."**

Well, **"...the Constitution and...all laws and regulations..."** are not based on **"...what Allah sent down..."** (Al Maa'idah: 5: 49)

Well, this is what is called **"... make swearing as a tool of deceit ...** (An Nahl: 16: 94)

Or in other words, humans play magic with the words **"For the sake of Allah..."**, so it is as if, making **"...the Constitution and...all the laws and regulations..."** as regulations that are in accordance with the regulations that come from Allah.

Likewise, humans play magic with the words **"With the blessings of Allah"**, then it is as if **"...the Constitution and...all laws and regulations..."** are regulations that are in accordance with regulations that come from Allah. .

Well, this is the result of most people not understanding the real Allah or Jahve. Because humans do not understand the real Allah or Jahve, humans easily play magic tricks to deceive other humans.

With the words *"For the sake of Allah...."* and with the words *"With the blessings of Allah"*, it is as if *"...the Constitution and...all laws and regulations..."* are considered to be regulations that accordance with the rules that come from Allah.

CONCLUSION

Based on the description above, we can conclude that the secrets hidden behind the verse: *"Allah created the skys and the earth with rights...(Al 'Ankabuut : 29: 44)"...keep the agreement with Allah if you promise... (An Nahl: 16: 91)*

It turns out that here Allah has declared *"... keep the agreement with Allah if you promise... (An Nahl: 16: 91)*
