ABSTRACT

Before the author writes the problem because most people do not seek Allah and do not understand the real Allah, finally, unconsciously, become secularists, Allah is only in the mouth, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about because most humans do not seek Allah and do not understand the real Allah, finally, unconsciously, become secularists, Allah is only in the mouth, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking about because most people do not seek Allah and do not understand the real Allah, finally, unconsciously, become secularists, Allah is only in the mouth, namely the verses:

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have blown My spirit into it, then submit to it prostrating yourselves (Al Hijr: 15:29)

"... Jesus, the son of Mary, is the messenger of Allah and His words which He conveyed to Mary, and a spirit from Him... (An Nisaa ': 4: 171)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"Have you not seen that Allah has subjected to you what is in the heavens and what is in the earth and has perfected for you His blessings both outwardly and inwardly. And among mankind there are those who dispute about Allah without knowledge or guidance and without an enlightening Book. (Luqman: 31:20)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And let those who follow the Gospel decide matters according to what Allah has revealed in them. Whoever does not decide matters according to what Allah has revealed, then they are the wicked (Al Maa'idah: 5:47)

"Those who believe and their hearts find peace in the remembrance of Allah. Remember, it is only in the remembrance of Allah that hearts find peace. (Ar Ra'd: 13:28)

"Then He perfected and breathed into it His spirit and He made for you hearing and sight and hearts; you are very grateful. (As Sajdah: 32: 9)

"And We have sent down to you the Qur'an with the truth, confirming what was before, namely the books and a touchstone against the other books; so judge their case according to what Allah sent down and do

not follow their desires by leaving truth which has come to you. For every nation among you, We have given a rule and a clear path. If Allah had willed, He would have made you one people, but Allah wants to test you against what He has given you, so compete to Allah all of you will return, then He will inform you of what you have disputed about, (Al Maa'idah: 5:48)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

In an effort to open the veil of Allah's secret about the fact that most people do not seek Allah and do not understand the real Allah, they finally, unconsciously, become secularists, Allah is only in the mouth, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that most people do not seek Allah and do not understand the real Allah, finally, unconsciously, become secularists, making Allah's law and Allah's religion outside state law, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

DUE MOST HUMANS DO NOT SEEK ALLAH AND UNDERSTAND THE REAL ALLAH, FINALLY, UNCONSCIOUSLY, BECOME SECULARISTS, WHO DON'T HAVE A STRONG DESIRE TO MAKE ALLAH'S LAW INTO STATE LAW

Well now, we continue to focus our minds on revealing the secret of Allah that is hidden behind the verse: *"... We have sent down to you the Quran with the truth... decide their case according to what Allah sent down... don't... follow their lust by leaving the truth that has come to you...(Al Maa'idah: 5:48)*

It turns out that here Allah has declared that *"...decide their case according to what Allah has sent down...don't...follow their lusts by leaving the truth that has come to you...(Al Maa'idah: 5:48)*

Well, it turns out that what Allah has declared *"...decide their case according to what Allah has sent down...(Al Maa'idah: 5:48)* is not implemented in almost all countries where the majority of the population is Muslim.

Now the question arises,

How can this happen, deciding the case is not *"...according to what Allah has sent down...(Al Maa'idah: 5:48) ?*

The answer is in the secret behind the verse: “...*follow their lusts by leaving the truth that has come to you...*(*Al Maa'idah: 5:48*)

Well, “...*follow their passions ...* (*Al Maa'idah: 5: 48*). That is, most people when making rules and laws that will be enforced in one country, are not based on “...*what Allah sent down...*(*Al Maa'idah: 5:48*)

This is what is called separating the law made by humans from the law “... *which Allah sent down...* (*Al Maa'idah: 5: 48*) Or in other words, the law that applies in one country is secular law, which does not recognize the law. “...*which Allah sent down...*(*Al Maa'idah: 5:48*)

Well, this secular law applies in almost all countries in the world.

Now, what is the actual life of the people, the majority of whom are Muslims, but the law applies to secular law?

Well, of course, all the people who live in a country that has a constitution and secular law must submit and obey the constitution and secular law.

It is possible, Muslims carry out the law “...*that Allah sent down...*(*Al Maa'idah: 5:48*), but it is not recognized by the constitution and secular law that applies in the country.

The big problem is that those who make the constitution and secular laws that apply in the country are Muslims themselves.

Although it is written "**By the grace of Allah the Almighty**" and based on The One Almighty Allah, but the contents are outside of what has been commanded by Allah Almighty.

Or in other words, Allah the Almighty is only written on paper or only spoken in the mouth.

So, Muslims make basic laws and secular laws to be obeyed by all the people who are mostly Muslims.

Well, this is the result of most people not seeking Allah and understanding the real Allah, so the law “...*which Allah sent down...*(*Al Maa'idah: 5:48*) is considered a law that can be implemented side by side with secular law. Allah Almighty is only written on paper or only spoken in the mouth.

CONCLUSION

Based on the description above, we can conclude that the secret of Allah that is hidden behind the verse: “... *We have sent down to you the Quran with the truth... decide their case according to what Allah sent down... don't... follow their lust by leaving the truth that has come to you...*(*Al Maa'idah: 5:48*)
