ABSTRACT

Before the author writes down the problem because some people do not understand the real Allah, they finally worship Allah's spirit, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about because some humans do not understand the real Allah, they end up worshipping Allah's spirit,, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about because some people do not understand the real Allah, they end up worshipping Allah's spirit, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

Allah said: "O Moses, verily I chose you and other humans to carry My message and to speak directly with Me, therefore hold fast to what I have given you and be among those who are grateful." (Al A'raaf: 7:144)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Allah did not create and resurrect you except as one soul. Indeed, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"And they worship other than Allah that which does not harm them and does not benefit them, and they say: "They are intercessors for us in the sight of Allah." Say: "Did you tell Allah what He did not know? both in the heavens and not on the earth?" Glory be to Allah and Exalted is Exalted and what do they associate. (Yunus: 10:18)

"It is He Who created the skys and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you in wherever you are. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

In an effort to open the veil of Allah's secret about because some humans do not understand the real Allah, they finally worship Allah's spirit, the author uses deoxyribonucleic acid as the basis.

HYPOTHESIS

Here the author proposes the hypothesis that humans worship Allah's spirit, because they do not understand the real Allah, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

BECAUSE HUMANS DON'T UNDERSTAND THE REAL ALLAH, FINALLY HUMANS WORSHIP ALLAH'S SPIRIT THAT IS IN OBJECTS THAT CAN GIVE HELP

Now, we are still concentrating on uncovering the secrets contained behind the verse: *"...they worship other than Allah...they associate partners (Yunus :10:18) "... I breathed into him my spirit... (Shaad :38:72)*

Apparently, here Allah has declared: *"...they worship other than Allah... (Yunus: 10: 18)*

Now the question arises,

Why do humans *"...worship other than Allah...(Jonah: 10: 18) ?*

The answer is,

Hidden in the secret behind the verse *"... I breathed into him my spirit... (Shaad: 38: 72)*

Well, this is the secret of Allah that reveals why humans worship other than Allah. Because *"... my spirit...(Shaad: 38:72)* or *"...Allah's spirit...(Shaad: 38:72)* is in the human body, in the body of all living things and in things that is in heaven and on earth.

So, actually, Allah cannot be associated with anything else, because Allah and Allah's energy is the only one in these seven skys.

The problem now is, people who worship other than Allah, they do not understand Allah, even though they have heard the name of Allah, or have been told about Allah.

Now, because they do not understand the real Allah, they finally look for other objects to be made into statues, with the aim of protecting them, by worshiping them.

But, of course, inside the statues there is *"...Allah's spirit...(Shaad: 38:72)* or in other words inside the statues there are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So actually, they worshiped *"...Allah's spirit...(Shaad: 38:72)* which is in the statues, without them knowing it.

Then, regarding the guidance from Allah, it comes when humans want to understand and seek Allah. Otherwise, guidance will not come, because it is impossible for Allah to give guidance to humans who do not want to seek and do not want to understand about Allah.

Here, there is the law *"... balanced... (Al Mulk: 67: 3)* That is, Allah will give guidance to humans, if humans themselves want to understand and seek Allah and are willing to submit to Allah. This is what is called the law *"... balanced... (Al Mulk: 67: 3)* between Allah and humans *"... balanced... (Al Mulk: 67: 3)*

CONCLUSION

The conclusions that can be drawn from the above explanation are the secrets contained behind the verse: *"...they worship other than Allah...they associate partners (Yunus :10:18) "... I breathed into him my spirit...(Shaad :38:72)*

Apparently, here Allah has declared: *"...they worship other than Allah... (Yunus: 10: 18)*

Now the question arises,

Why do humans “...*worship other than Allah...(Jonah: 10: 18) ?*

The answer is,

Hidden in the secret behind the verse “... *I breathed into him my spirit... (Shaad: 38: 72)*

Well, this is the secret of Allah that reveals why humans worship other than Allah. Because “... *my spirit...(Shaad: 38:72)* or “...*Allah's spirit...(Shaad: 38:72)* is in the human body, in the body of all living things and in things that is in heaven and on earth.

So, actually, Allah cannot be associated with anything else, because Allah and Allah's energy is the only one in these seven skys.

The problem now is, people who worship other than Allah, they do not understand Allah, even though they have heard the name of Allah, or have been told about Allah.

Now, because they do not understand the real Allah, they finally look for other objects to be made into statues, with the aim of protecting them, by worshiping them.

But, of course, inside the statues there is “...*Allah's spirit...(Shaad: 38:72)* or in other words inside the statues there are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So actually, they worshiped “...*Allah's spirit...(Shaad: 38:72)* which is in the statues, without them knowing it.

Then, regarding the guidance from Allah, it comes when humans want to understand and seek Allah. Otherwise, guidance will not come, because it is impossible for Allah to give guidance to humans who do not want to seek and do not want to understand about Allah.

Here, there is the law “... *balanced... (Al Mulk: 67: 3)* That is, Allah will give guidance to humans, if humans themselves want to understand and seek Allah and are willing to submit to Allah. This is what is called the law “... *balanced... (Al Mulk: 67: 3)* between Allah and humans “... *balanced... (Al Mulk: 67: 3)*
